

AY20 Expedited Program Review Recommendations

Program Review: Culinary Arts (AAS)

Programs Included: AAS Culinary Arts; OEC Culinary Arts (new) – *The new program in and of itself is not reviewed under the continued review. It can be part of the approaches to addressing the review of the AAS.*

1. Review the course rotation and semester offerings, reduce the number of sections offered each semester, and increase course capacity to reduce cost.
2. Expand opportunities to collaborate with local restaurants for staff education.
3. Work closely with the Student Success Advisor, local secondary faculty, and staff from Admissions to recruit additional students into the program.
4. Trim further course scheduling and costs.
5. Monitor student persistence data and make adjustments as needed.
6. Continue to explore alternative modes of delivering programs in order to further enhance productivity and efficiency.
