

## **AY20 Expedited Program Review Recommendations**

**Program Review:** English (BA)

**Programs Included:** BA English

1. Develop a plan for more efficient course rotation and enrollment management.
2. Monitor and address the fact that the English Department as a whole does not serve enough students to meet its costs, requiring considerable help from legislative appropriations. If the Board of Regents approves deletion of the English MA, then the long-term sustainability of the BA is likely improved.
