

AY20 Expedited Program Review Recommendations

Program Review: Refrigeration and Heating (OEC-UC-AAS)

Programs Included: OEC Commercial Refrigeration Systems & OEC Residential and Light Commercial Heating and Ventilation & UC/AAS Refrigeration and Heating Technology

1. Continue recent efforts around recruitment and retention.
2. Explore opportunities to utilize the non-credit training currently provided to the industry across Alaska for further program growth and expansion.
3. Explore the opportunity to expand through use of an apprenticeship model.
