

Articulation Agreement
Addendum or Appendix

**University of Alaska Anchorage Associate of Arts and
University of Alaska Southeast Bachelor of Arts in Special Education**

The below major-to-major articulation provides students at the University of Alaska Anchorage (UAA) a clear progression from a completed Associate of Arts degree (AA) into the Bachelor of Arts in Special Education at the University of Alaska Southeast (UAS). It is designed to maximally recognize the student's work at UAA, eliminate unnecessary duplication of coursework, and ensure timely graduation of qualified educators for the State of Alaska.

The articulation is based on the UAS 2022 Catalog.
