Re: **AY20 Expedited Program Review Findings – Aviation Maintenance Technology AAS, Aviation Maintenance Technology – Airframe UC, Aviation Maintenance Technology – Powerplant UC**

I have reviewed the dean's findings and the completed Expedited Program Review Template for the Aviation Maintenance Technology AAS, Aviation Maintenance Technology – Airframe UC, and Aviation Maintenance Technology – Powerplant UC. The Provost's Office did not receive an Optional Program Response Form from the program.

Recommendations

My recommendation is to accept the decision and recommendations of the dean. The next Program Review will be included in the regular ongoing program review schedule.
