Re: **AY20 Expedited Program Review Findings – Chemistry BS**

I have reviewed the dean's findings and the completed Expedited Program Review Template for the Chemistry BS. The Provost's Office did not receive an Optional Program Response Form from the program.

Recommendations

My recommendation is to accept the decision and recommendations of the dean with the additional commentary that the program should be enhanced at some point in the future. The next Program Review will be included in the regular ongoing program review schedule.
