Re: **AY20 Expedited Program Review Findings – Children’s Mental Health Graduate Certificate**

I have reviewed the dean’s findings, the program’s response to the dean’s findings, and the completed Expedited Program Review Template for the Children’s Mental Health GC.

Recommendations

My recommendation is to accept the decision and recommendations of the dean with the additional commentary that the program remain in the College of Arts and Sciences and that the College of Arts and Sciences and the College of Health work together on a plan that outlines the flow of tuition dollars. The plan should be completed in AY21 for implementation no later than fall 2021. An interim progress report on all recommendations is due to the dean by March 1, 2021. The dean will submit a review along with the program’s interim progress report to the provost by April 1, 2021. Unless otherwise noted at that time, a follow-up Program Review will be conducted in AY24.
