Re: **AY20 Expedited Program Review Findings – Corrections OEC/UC**

I have reviewed the dean's findings and the completed Expedited Program Review Template for the Corrections OEC/UC. The Provost's Office did not receive an Optional Program Response Form from the program.

### **Recommendations**

My recommendation is to accept the decision and recommendations of the dean with the additional commentary that serious consideration should be given to moving the program to the College of Health to connect it with the Justice Program. An interim progress report on all recommendations is due to the dean by March 1, 2021. The dean will submit a review along with the program's interim progress report to the provost by April 1, 2021. Unless otherwise noted at that time, a follow-up Program Review will be conducted in AY24.
