Re: **AY20 Expedited Program Review Findings – Fire & Emergency Services Technology AAS**

I have reviewed the dean's findings and the completed Expedited Program Review Template for the Fire & Emergency Services Technology AAS. The Provost's Office did not receive an Optional Program Response Form from the program.

Recommendations

My recommendation is to change the recommendation to continuation, accepting the other recommendations of the dean. The institution does not have the resources to enhance the program at this time. The next Program Review will be included in the regular ongoing program review schedule.

Decision

Recommend Continuation
