Re: **AY20 Expedited Program Review Findings –Global Logistics and Supply Chain Management BBA**

I have reviewed the dean's findings, the program's response to the dean's findings, and the completed Expedited Program Review Template for the Global Logistics and Supply Chain Management BBA.

Recommendations

My recommendation is to accept the decision and recommendations of the dean with the additional commentary that the program must recruit and retain more students. An interim progress report on all recommendations is due to the dean by March 1, 2021. The dean will submit a review along with the program's interim progress report to the provost by April 1, 2021. A follow-up Program Review will be conducted in AY22.
