Re: **AY20 Expedited Program Review Findings –Logistics & Supply Chain Operations AAS**

I have reviewed the dean’s findings and the completed Expedited Program Review Template for the Logistics and Supply Chain Operations AAS. The Provost’s Office did not receive an Optional Program Response Form from the program.

Recommendations

My recommendation is to accept the decision and recommendations of the dean with the commentary that the request to the Board of Regents should be to delete after admissions have been suspended and the teach out has been completed. This will allow reallocating resources to areas of critical need. Students interested in this field of study can pursue the AAS General Business, which includes an introductory Logistics course, and then go on to pursue the BBA Logistics..
