Re: **AY20 Expedited Program Review Findings – Management Information Systems BBA**

I have reviewed the dean's findings, the program's response to the dean's findings, and the completed Expedited Program Review Template for the Management Information Systems BBA.

### **Recommendations**

My recommendation is to accept the decision and recommendations of the dean with the commentary that the request to the Board of Regents should be to delete after admissions have been suspended and the teach out has been completed. Students interested in this field of study can still major in the BBA Management and take information systems courses as electives.
