Re: **AY20 Expedited Program Review Findings – Commercial Refrigeration Systems OEC, Residential and Light Commercial Heating and Ventilation OEC, and Refrigeration & Heating Technology UC/AAS**

I have reviewed the dean's findings and the completed Expedited Program Review Template for the Commercial Refrigeration Systems OEC, Residential and Light Commercial Heating and Ventilation OEC, and Refrigeration & Heating Technology UC/AAS. The Provost's Office did not receive an Optional Program Response Form from the program.

Recommendations

My recommendation is to accept the decision and recommendations of the dean. An interim progress report on all recommendations is due to the dean by March 1, 2021. The dean will submit a review along with the program's interim progress report to the provost by April 1, 2021. A follow-up Program Review will be conducted in AY22.

Decision

Recommend Continued Review
