Re: **AY20 Expedited Program Review Findings – Social Work MSW**

I have reviewed the dean's findings and the completed Expedited Program Review Template for the Social Work MSW. The Provost's Office did not receive an Optional Program Response Form from the program.

Recommendations

My recommendation is to accept the decision and recommendations of the dean with the additional commentary that this is a critical program for the state. The next Program Review will be included in the regular ongoing program review schedule.
