Re: **AY20 Expedited Program Review Findings – Technology AAS**

I have reviewed the dean's findings and the completed Expedited Program Review Template for the Technology AAS. The Provost's Office did not receive an Optional Program Response Form from the program.

Recommendations

My recommendation is to accept the decision and recommendations of the dean, with the additional commentary that the program should revise the curriculum to broaden the options for students. The revision should be completed in AY21 for implementation in fall 2021. An interim progress report on all recommendations is due to the dean by March 1, 2021. The dean will submit a review along with the program's interim progress report to the provost by April 1, 2021. Unless otherwise noted at that time, a follow-up Program Review will be conducted in AY24.
