### WHAT IS COVERED General Information

Student accident insurance coverage is available to University of Alaska students through the System Office of Risk Services. The specific criteria that must be met in order for the University to make available student accident insurance is that the event/program be:

- University sponsored;
- University scheduled; and
- University Supervised (by a UA staff)

It is important to note that the student accident insurance covers injuries, NOT personal health or sickness. In addition, this coverage is excess to other insurance policies available to the student. In other words, the insurance picks up expenses after other coverages an injured student may qualify for, under the student's personal insurance policy, spouse's insurance, or parent's insurance have been exhausted.

#### **PLEASE NOTE:**

COVERAGE DOES NOT GO INTO EFFECT UNTIL THE COMPLETED ON-LINE APPLICATION FORM AND PREMIUM PAYMENT HAVE BEEN RECEIVED BY THE INSURANCE CARIER. THE CONTACT PERSON WILL RECEIVE AN EMAIL CONFIRMAITON OF COVERAGE WITHIN MOMENTS AFTER THE APPLICATION IS RECEIVED.

#### **NOTICE OF CLAIM**

Notice of claim must be given to the insurance carrier within 20 days of an accident. First go to the website for a link to a claim form at: :http://www.alaska.edu/risksafety/ua-only/student-accident-insuranc/index.xml, or call AIG at 1-800-551-0824 or contact your Campus Risk Manager for a claim form at the following link: http://www.alaska.edu/risksafety/zz campus contacts/

If you have any questions regarding the coverage, please call (907) 450-8150.

This benefit is payable only for such charges incurred with 52 weeks after the date of the accident causing that injury.

## STUDENT ACCIDENT INSURANCE ELECTION/REJECTION
