

2015 Peer Staffing Comparisons

INTRODUCTION

This information was developed using the latest IPEDS information available as of December 2015. Information is provided for both UAA's peer institutions and UAF and UAS, presented to provide context for Alaska institutions. It is important to note that the peers ARE NOT peers for UAF or UAS. A complete list of all UA peers is available on the UA Statewide Institutional Research & Analysis homepage.

Key

The blue dotted line (.) on the following charts indicates the overall trend line of the data points

Institutional Abbreviations

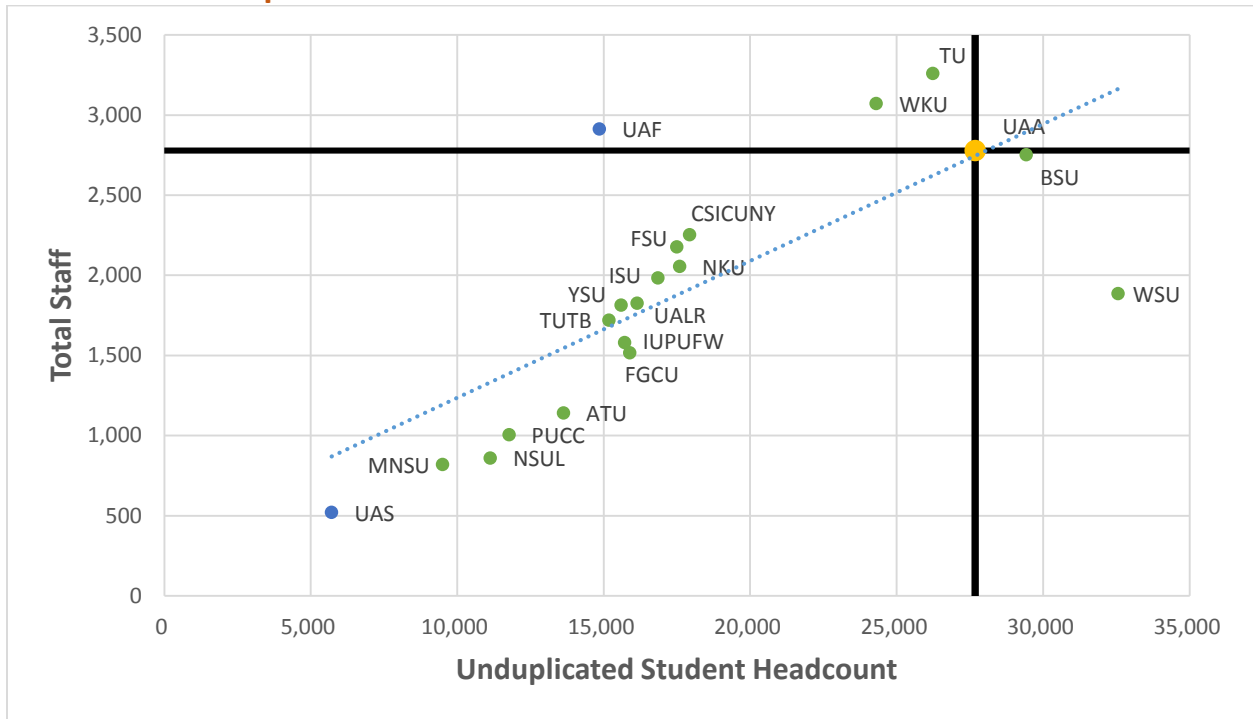

UAA - University of Alaska Anchorage
 ATU - Arkansas Tech University
