Notes: 1. ENRL=Enrollment (Seatcount). It includes auditors.

2. SCH=Student Credit Hours. It does NOT include audit credits.

3. FTES=Full-Time Equivalent Student. It is determined by the following formula: Undergraduate FTES = Student Credit Hours (SCH)/15. Graduate FTES=Student Credit Hours (SCH)/12.

4. FTEF=Instructional Full-Time Equivalent Faculty. It is prorated to courses he/she taught based on course credit. 1 FTEF=15 course credit hours.

Courses (labs, etc.) assigned zero credit had 0 FTEF (Recommend creating Lab credit by apportioning total course credit as follows:

Lecture: 1 hr/week=1 credit and difference between lecture and total credit = lab credit).

5. SECT= Number of course sections. It includes all sections taught. DO NOT use it for determining Average Section Size.

6. ENRL/F = Enrollment per FTEF; SCH/F=Student Credit Hours per FTEF; FTES/F=Student FTE per FTEF.

7. Class Size reflects group section size only. Individual delivered sections (independent study, private music classes) are EXCLUDED in this calculation.

8. % Capacity= Percent of class capacity. It is calculated by dividing Total number of Enrollees by Total seats available for classes. Class capacity is defined by department. It is NOT a room capacity.

9. % Over Cap= Percent of Total number of Sections that are exceeded 100 percent of class capacity.

10. This report includes all credit courses taught regardless of type or number of enrollees. Excludes non-credit and CEU courses.

11. Regular and Adjunct Faculty are determined based faculty employment status at Statewide HR freeze point for each Fall. Course that are missing faculty ID are treated as adjunct taught.

12. Overloads can't be identified; therefore, all courses are assumed to be regular assignment.

Notes:

For complete information on tuition and fee information, please review the Tuition/Fees/Refund Section of the Fall Schedules.

Beginning with the Fall 1995 semester, the University of Alaska System adopted a new means of collecting tuition costs. Tuition no longer consolidated at 13 credits for undergraduate level courses nor 9 credit for graduate level courses. This change means that, for example, students taking 18 credits must pay for 18 credits based upon the level of course work and applicable fees. All fees approved by Board of Regents.
