First-time Freshman also includes current high school students who may have taken courses for credit previously.
6. For this table, and all tables which include Alaska Region of Origin, the following definition was used:
 Alaska Region of Origin determined by using the origin at entry (OE) address given by students at the time of enrollment. For students who did not provide an OE address, the mailing address was used to determine origin at entry.

NOTE:

1. Total UAA includes Anchorage, Kenai, Kodiak, Mat-Su, Military Programs, UALC (RD), and PWSCC.
2. Military Programs does not include Elmendorf AFB or Ft. Richardson.
3. Headcount includes students enrolled in credit courses at the 050 level and above, with auditors.
4. For this table, and all tables which include class standing, the following definition was used for *first-time freshman* :
 Student admitted with an admit code of "FT" (first-time admitted), and having a student type of "F" (first-time enrolling), or a student type of "C" (continuing enrollment)--for those continuing to Fall from Summer. The current semester is the first time the student has ever attended an institution of higher education. Except, the student could have been first-time in Summer semester and continued into Fall, and still be a first-time freshman. The current definition does not include students who could be first-time freshmen if they are current high school graduates, even though they may have taken courses for credit previously. A process for identifying these students has begun and future reports should include this sub-group as well.
5. For this table, and all tables which include *Alaska Region of Origin* , the following definition was used:
 Alaska Region of Origin determined by using the origin at entry (OE) address given by students at the time of enrollment. For students who did not provide an OE address, the mailing address was used to determine origin at entry.
