NOTES:

1. Total UAA includes Anchorage, Kenai, Kodiak, Mat-Su, and PWSCC. Northern Military Programs have been excluded beginning this Fall.
2. Headcount includes students enrolled in credit courses at the 050 level and above, including auditors.
3. Percentages may not add to 100 due to rounding.
4. The following definition was used for first-time freshman:
Student admitted with an admit code of "FT" (first-time admitted), and having a student type of "F" (first-time enrolling), or a student type of "C" (continuing enrollment)--for those continuing to Fall from Summer. The current semester is the first time the student has ever attended an institution of higher education. Except, the student could have been first-time in Summer semester and continued into Fall, and still be a first-time freshman. First-time Freshman also includes current high school students who may have taken courses for credit previously.
5. For this table, and all tables which include Alaska Region of Origin, the following definition was used:
Alaska Region of Origin determined by using the origin at entry (OE) address given by students at the time of enrollment. For students who did not provide an OE address, the mailing address was used to determine origin at entry.
