NOTES:

- Total UAA includes Anchorage, Kenai, Kodiak, Mat-Su, and PWSCC. Northern Military Programs have been excluded beginning Spring 2006.
Headcount is unduplicated. Students who enrolled in multiple campuses have been counted only once in UAA Total.
- Included are students enrolled in credit courses at the 050 level and above, including auditors.
- Percentages may not add to 100 due to rounding.
- The following definition was used for first-time freshman:
Student admitted with an admit code of "FT" (first-time admitted), and having a student type of "F" (first-time enrolling), or a student type of "C" (continuing enrollment)--for those continuing to Fall from Summer. The current semester is the first time the student has ever attended an institution of higher education. Except, the student could have been first-time in Summer semester and continued into Fall, and still be a first-time freshman. First-time Freshman also includes current high school students who may have taken courses for credit previously.
