AGENDA

Full Council of Deans & Directors, 1:30-2:30

- Provost Runge
 - Introduction of the new IR Director--Daniel Campbell
 - Special discussion--Jeff Jessee
 - Special thank you to Dean John Petraitis for all of your dedication to UAA and the College of Arts and Sciences.
- Kim Mahoney
 - Space Update, 20 minutes
 - We are looking forward to understanding what the age of our facilities will mean for updates in the future.
 - UAA is also looking at its energy consumption now and going forward.
- Susan Kalina, Vice Provost for Academic Affairs
 - Mid-Cycle Report
 - Are the initial reviews helpful?
 - Do you think that these measures will be able to decrease equity gaps? Respond directly to smkalina@alaska.edu
- Claudia Lampman, Vice Provost for Student Success
 - Student Success Technologies

- Seawolf Tracks – 1,518 new users in 2020-2021. It provides access to resources, advising appointments. The biggest tool that it has provided is a 40% reduction time in resolving student account holds.
- Seawolf Mentor – 600+ matches, it cost 55\$ per match. Fall to Spring Persistence for all first-time Freshman = 75.2%. In this coming Fall we are launching a career mentoring program which is very exciting!
- CircleIn – 3,061 total course sections utilized this technology. This app provides flashcards, chat, workflow, and more for students. There was a steady increase in work over the 14-week semester with a total of 77,319 study actions.
- Shawnalee Whitney, VP for Faculty Development & Instructional Support
 - New Faculty Orientation
 - Fall Teaching Academy
- USUAA Update
 - We are working on getting a bigger team – please encourage students to join.
- Staff Council Update
 - Spring elections are complete so we have a full staff council!
 - Our executives are elected for the year as well.
 - Morale survey has been completed – compensation, workload, training & development were the highest mentioned issues.
- Faculty Senate Update
 - Welcome to the new UAA Chancellor, Sean Parnell

Deans, Campus Directors & Cabinet, 2:30-3:00
