

Jan 31, 2025 | SEM Committee Meeting

Attendees: Kimberly Morton, Matthew Cuellar, Craig Mead, Ray Ball, Mary Jo Finney, ~~Raymond Weber~~

Agenda Items

- Tasks for Spring 2025
- Revise SEM targets (particularly community campus)
 - Community Campus Directors should be involved in conversations around this and the goals around enrollment and retention
 - Broader SEM realignment with BOR EAB report-driven priorities on recruitment and retention
- Microgrants Status

First cycle received a list from the Bursar office. Focused grants on freshman and sophomores. Issued 81 microgrants. Challenges around SAP status. 37 students were retained through this effort.

Financial Aid data sharing questions.

What other factors could be used in consideration of grants?

2nd pilot - focused on academic warning or probation, and connecting them with academic support areas. Engage with academic tutoring and faculty office hours.
- Scholarship Revision Status
 - Payment deadline Feb. 3
 - Revisit ways to provide both general and targeted scholarships and refocusing admin scholarship dollars
 - Align thoughts/practice on use of admin scholarships
 - RENEWABLE RENEWABLE RENEWABLE
- EAB summary
- Other Items?
 - Spencer Foundation Financial Question Grant
- Start work on - updates on the SEM plan, what we've accomplished and what still needs to be completed.
