Re: Approval to temporarily suspend admissions to the BA Early Childhood, Post-Baccalaureate Certificate Early Childhood Pre-K-Third Grade, BA Elementary Education, Post-Baccalaureate Certificate Elementary Education, and MA Teaching (MAT)

This is to approve the request to temporarily suspend admissions to the BA Early Childhood, Post-Baccalaureate Certificate Early Childhood Pre-K-Third Grade, BA Elementary Education, Post-Baccalaureate Certificate Elementary Education, and MA Teaching (MAT). Communications about this suspension can be found on the School of Education website.

Due to the January 11, 2019 decision by the Council for the Accreditation of Educator Preparation (CAEP), the temporary suspension of admissions is necessary until a decision is made by the State of Alaska Board of Education and Early Development regarding licensure for UAA graduates from these programs.
