Other:

---

Duration of Project:

Species & Number of Animals:

**Facility Needs:** Special Conditions Required:

Personnel Requiring Access:

Please contact the UAA vivarium manager at 786-4441 regarding vivarium space availability. The UAA IACUC can assist in ensuring that your proposal meets IACUC standards. Your proposal will be submitted to the Vice Provost of Research and the Chair of the Vivarium Users and Managers Committee (VUMC). The Chair will forward your request to the VUMC and begin the space request review process.
