60-Day Cost Transfer Justification**

In accordance with the University of Alaska Anchorage 60-day cost transfer policy, all cost transfers must be supported by documentation that contains a justification for the transfer. The reason for each cost transfer must be properly and clearly explained with the help of supporting documentation to prevent audit disallowances.

The following is the justification for this transfer with the required approving signatures to be compliant with the Cost Transfer Policy implemented July 1, 2004. We realize transfers made after 60 days will be considered only under extenuating circumstances. (Please attach a second page if additional space is needed.)

Explanation of how the error was discovered and what is being done to prevent this from occurring again:

We certify that to the best of our knowledge and belief these expenditures benefited and should be charged to the corrected sponsored program fund number. These expenditures are for appropriate purposes and in accordance with the agreement set forth in the application and award document.
