

Recertified Grant Effort Certification (GEC) Justification

Employee Name: _____ **Employee ID:** _____

Certification Period: SUMMER _____ FALL _____ SPRING _____

If a prior GEC statement has been submitted for any certification period, this form needs to be completed for recertification purposes. In accordance with OMB Circular A-21, effort needs to be accurately reported and certified.

The following is the justification for the recertification explaining how the correction was determined after original certification took place and the reason it was originally certified. Please include detailed reason for the transfer/change. If transferring to a sponsored award, provide justification of allowability to the receiving award. (Please attach a second page if additional space is needed.)

Describe the benefits to the grant:

Indicate the department's corrective actions taken to ensure that effort is allocated appropriately in the future:

Provide justification for lateness if the change is greater than 60 days from the original date of the transaction:
A separate 60-day memo is not required.

We certify that to the best of our knowledge and belief these expenditures are allowable, allocable and reasonable and should be charged to the corrected sponsored program fund number.
