- **New and used** textbooks are shipped from the Akademos/TextbookX warehouse. If you see a "Guaranteed Buyback" flag, you can return it and receive that price at the end of the term, or you can choose to keep the book. Shipping times to Alaska are estimated to be 8-10 days so students are advised to order their textbooks no later than 2-3 weeks before the start of the semester.
- There are no shipping charges for **eBooks**, which have a variety of terms, from 30 days to lifetime license. All terms that are available will display. Due to Alaska's longer ship times, five days prior to the start of class at UAA, the Online Bookstore will only display the eBook format if it is available for an adopted textbook.
- **Rental** shipping charges will be calculated during checkout. Rentals have set return dates which will be posted as you check out. Due date reminders will be emailed to you.
- **The Marketplace** is where students and others buy and sell books from each other at discounted prices. Students can save an average of 60% off on Marketplace items. Books ship directly from the seller.

Add the items you want to order by clicking "Add to Cart."

Tip: You can post and sell your old textbooks on the Marketplace!

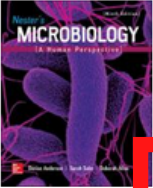

Some courses are part of a Day One Digital/Inclusive Access program where students enrolled in the course will be given access to discounted digital course materials on the first day of class. The materials are charged to the student's account or included in the fees for class tuition, depending on the school.
