This form will allow the financial aid office to adjust the student's cost of attendance with documented proof. A student's cost of attendance (i.e. budget) establishes the maximum amount of financial aid and student loans available to a student during an award year. Adjustment does not guarantee additional eligibility for financial aid. All documentation must include student ID and signature.

I. STUDENT INFORMATION

Form fields for Last Name, First Name, M.I., UA Student ID#, UAA Email Address, and Phone Number.

Adjustments can be processed for the following reasons. Please check the one that applies:

- Additional Credit Load - this is for course load greater than FT Enrollment on a per term basis.
One-time Computer Adjustment - a student can request the amount of a purchased computer once during their academic career at the University of Alaska Anchorage.
Course-Related Equipment/Additional Fees - students occasionally need budget adjustment to incorporate additional one-time, course-related expenses, such as aviation flight costs, or diesel mechanic tool kits, etc.
Childcare Costs - this allows an increase to a student's cost of attendance by the amount spent on child care each month while attending the University of Alaska Anchorage.
