Request for Evaluation of CCAF Credit

There is no limit on the amount of credits that can be transferred, but be aware that transferring all credits may not be in your best interest. Current regulations limit the amount of credits eligible for financial aid and tuition benefits. To ensure optimal satisfactory progress and maximum use of earned tuition benefits, we recommend you only request transfer of those credits that are directly applicable to your degree program. This may mean that you choose to not transfer any CCAF credit. **Credits cannot be removed from your record once they are posted.**

Prior to a CCAF credit evaluation, the student must:

Request an official Community College of the Air Force (CCAF) transcript be sent to UAA.

Meet with an academic advisor after your CCAF transcript is received by UAA. If you do not wish to transfer any credit from your CCAF transcript, there is no need to submit this form.

It is strongly recommended that you complete at least one semester at UAA prior to submitting this form.
