It is the responsibility of the individual student to become familiar with the announcements and regulations printed in this bulletin. Although it was prepared on the basis of the best information available at the time, all information (including the academic calendar, admission and graduation requirements, course offerings and course descriptions, and statements of tuition and fees) is subject to change without notice or obligation. Its contents shall not be construed as a contract between Kodiak College and prospective and enrolled students. Kodiak College, along with those at Kenai and Palmer, is an extended college of the University of Alaska Anchorage; and this bulletin makes up part of the complete catalog for UAA.

It is the policy of the University of Alaska to provide equal educational and employment opportunities, to provide services and benefits to all students and employees without regard to race, color, religion, national origin, sex, disability, age or veteran status in accordance with Executive Order 11246 as amended, Title VI and VII of the 1964 Civil Rights Act, Title IX of the Educational Amendment of 1972, Rehabilitation Act of 1973, the Age Discrimination Act of 1967, the Vietnam Era Readjustment Assistant Act of 1974, and the Public Health Service Act of 1971. Inquiries regarding the application of these and other regulations should be directed to the local Affirmative Action Officer at the University of Alaska Anchorage.

ACCREDITATION

Kodiak College, University of Alaska Anchorage, is fully accredited by the Commission of Colleges of the Northwest Association of Schools and Colleges.

Credits earned at Kodiak College are University of Alaska Anchorage credits.
INTRODUCTION

HISTORY OF KODIAK COLLEGE

Kodiak College is part of the University of Alaska statewide system of public higher education. It was changed from its previous designation as a community college to an extended college of the University of Alaska Anchorage in 1987.

Kodiak College first began operation in the fall of 1968 using local high school facilities. Director Carolyn Floyd offered eight classes, and student enrollment totaled 95. The first building was constructed in 1972 on the present site of the 60-acre campus, approximately two miles northeast of the City of Kodiak. Several buildings have been added, and offerings have been increased to include over 150 different courses, currently serving approximately 1,000 students per semester. In 1987 Carolyn Floyd retired, and Carol Hagel was appointed Director. In addition to the main campus, Kodiak College provides outreach services on the U. S. Coast Guard Base, in the local schools and the communities of Akhiok, Chiniak, Karluk, Larsen Bay, Old Harbor, Ouzinkie, and Port Lions.

The College offers numerous academic credit courses which lead to an Associate Degree and may be transferred to other colleges. In addition to lecture courses, there are a variety of open-entry lab courses in Mathematics, English (writing), Office Management & Technology, Music, and Computers. Also offered are selected upper division and graduate level courses. Programs are available in vocational, as well as recreational and personal enrichment pursuits. The Adult Basic Education Program (ABE) provides basic literacy training, life skills instruction, and preparation for the high school equivalency tests (GED). ABE services are provided on campus, at the high school, and each of the six villages.

Kodiak College sponsors various special events such as concerts, plays, lectures, workshops, and TV broadcasts of community interest. These broadcasts include live forums with candidates of upcoming political elections, cultural events, and drug and alcohol awareness programming. The annual Fisheries Institute brings fisheries technology specialists from throughout the world to Kodiak's fishermen and processors. Also, resources to assist the local entrepreneur are available through the College Small Business Development Center, which provides print and media materials, business seminars, films, and referrals.

Coordination with other agencies broadens the programs of instruction available to local adults. Specialized courses and workshops are provided in cooperation with agencies such as the Borough School District, Kodiak Area Native Association, Fisheries Industrial and Technology Center, the U. S. Coast Guard, Women's Resource and Crisis Center, and others.
Kodiak College is approved as a testing center for the following standardized tests: Admission Test of Graduate Study in Business, Certified Professional Secretary Examination, General Educational Development Tests, Graduate Record Examination, Law School Admissions test, and State of Alaska tests. In addition, proctoring of specific tests is provided upon request.

**HISTORY OF THE UNIVERSITY OF ALASKA**

The University of Alaska dates from July 4, 1915, when the Honorable James Wickersham, delegate to Congress from Alaska, laid the cornerstone on land near Fairbanks set aside by Congress on March 4, 1915 for the support of a land-grant college. The Territorial Legislature, by its acts of May 3, 1917, accepted the land grant and created a corporation, “The Alaska Agricultural College and School of Mines,” defining its duties and providing for a Board of Trustees consisting of eight members.

The College opened for instruction on September 18, 1922 with the Honorable Charles E. Bunnell as president. The College became the University of Alaska by an act of the Territorial Legislatures July 1, 1935, and the Board of Trustees became the Board of Regents. The University offered its first summer session in 1947. In 1949, Dr. Terris Moore succeeded President Bunnell, who became President Emeritus.

Dr. Ernest N. Patty, member of the first faculty of the Alaska Agricultural College and School of Mines and former dean of the college, was inaugurated as the third president of the University in 1953 and named President Emeritus upon his retirement in 1960; Dr. William R. Wood became the University's fourth president at that time. Dr. Robert W. Hiatt became the fifth University president in 1973 upon the retirement of Dr. Wood. Dr. Charles O. Ferguson succeeded Dr. Hiatt in March, 1977, followed by Dr. Neil Humphrey, Mr. Foster Diebold, Dr. Jay Barton, Dr. Donald O'Dowd, and Dr. Jerome Komisar.

Today, the University statewide system includes university centers at Fairbanks, Anchorage, and Juneau, and extended site colleges at Bethel, Kenai-Soldotna, Ketchikan, Kodiak, Kotzebue, Nome, Palmer, and Sitka, as well as 13 extension centers located in other communities of the state and a community college at Valdez.
MISSION

Kodiak College, an extended college of the University of Alaska Anchorage, exists to provide quality learning opportunities to adults of the region. Diverse programs encourage lifelong learning and develop personal, social, and economic potential of individuals, thereby enhancing community and state. Education opportunities and services include the following:

1. General Associate of Arts transfer degree.
2. Selected upper-division and graduate courses.
3. Programs in vocational and technical areas.
4. An academic library open to all adult community members.
5. Academic counseling.
6. Individualized open-entry lab courses in English, math, computer information, music, and office skills programs.
7. Non-credit adult education program of instruction in basic skills, GED (General Educational Development) test preparation, English As A Second Language, and U. S. citizenship.
8. Credit and non-credit courses to meet special interests.
9. Public events such as lectures, theater productions, concerts, art shows, and television broadcasts.
10. Participation in the statewide teleconference network.

GOALS

I. To assure quality throughout the instructional program.
II. To extend access to all adults with the desire and ability to benefit.
III. To graduate students who have acquired a general education which will allow them to live more effectively and to continue their academic pursuits.
IV. To provide community service activities which support civic, economic, educational and cultural needs.
V. To support economic development through education and training.
VI. To attract, retain, and support highly qualified personnel.
VII. To assure that the College has clearly identified priorities, strategies for achieving them, and a means of evaluating effectiveness.
VIII. To maintain a clear identity, reach potential students, and increase public support.
ABILITY TO BENEFIT

Individuals who do not have high school diplomas or the equivalent, or who cannot meet other general admission requirements may be admitted if they are able to demonstrate "the ability to benefit" from college instruction. Interested persons should contact the Counselor, who will assist by reviewing the individual's background, providing an opportunity for assessment, and determining the appropriate entry level of instruction.

ACADEMIC APPEALS

Students have the right to appeal academic actions. A written request for appeal must be made to the Director not later than fifteen working days following notification of the action under review. The student requesting the review is entitled to address the Director directly if desired before the decision is rendered by the Director. Whenever possible, the Director's decision will be conveyed to the student in writing within five days of receipt of the student's request.

ACADEMIC PETITION

Any deviation from academic requirements and regulations must be approved by academic petition. A petition form, which requires the signature of appropriate college staff, may be obtained from the Registrar.

ACADEMIC REGULATIONS

Attendance:
Unexcused absences may result in a student receiving a failing grade. It is the responsibility of the student to establish to the instructor's satisfaction the validity of an excuse for absence and to work out with the instructor acceptable arrangements for making up missed work.

Full-time/Part-time Status:
A student who registers for 12 or more semester hours of credit will be classified as full-time.

Prerequisites:
Prior to enrollment, it is the student's responsibility to meet prerequisites listed with the course description. If the student has not done so, the faculty may initiate a drop/withdrawal for the course.

Study Loads:
Students normally may register for 19 semester hours of credit. Students who wish to enroll for additional credits must submit a petition, approved by the counselor for overload at registration.
Credit Compressibility Policy:
A minimum total of forty-five (45) hours of study in and out of class is required for one credit hour. For short courses of less than one semester, including weekend workshops, course hours may not be compressed into fewer than three days per credit, and no more than one credit may be earned per week per student. Alternative learning modes are subject to the instructional objectives and outcomes of comparable, traditionally taught courses, but contact hour standards may differ.

Transfer of Credit:
The college will accept transfer credits from other regionally accredited institutions when the grades of courses completed are "C" or better. Where possible, transfer credit will be equated with KoC courses. The college reserves the right to reject work of doubtful quality or to require an examination before credit is allowed.

Credit will be awarded for satisfactory completion of DANTES (USAFL) courses and for other documented educational experience as recommended in the Guide To The Evaluation Of Educational Experience In The Armed Service. A maximum of 15 military credits will be allowed towards an Associate Degree provided that such credit falls within the requirements of the degree. A duplication of credit will not be allowed when the Guide indicates a duplication in learning experience. College credit will not be allowed for General Educational Development tests. Students must formally apply for admission before transfer credit can be evaluated and must fulfill the graduation and residence requirements of the institution from which they expect to receive a degree, including those that may be required for a particular program.

ACADEMIC STANDING

Students are in satisfactory academic standing when they have a cumulative GPA of 2.00 or higher and a semester GPA of 2.00 or higher for the most recently completed semester. The GPA is computed on credits earned at Kodiak College, University of Alaska Anchorage only.

ADD/DROP PROCEDURES

To add or drop a class, students must complete an add/drop form, and pay the appropriate fee at the Business Office. The date of validation by the Business Office is considered the official date of withdrawal. Courses dropped before the end of the third week of the semester will not appear on the student's permanent record; thereafter, a mark of "W" will be entered.

Students wishing to add classes to their schedule may do so until the end of late registration by following the add/drop procedure. Additional information about the add/drop procedure may be obtained from the Registrar.
### AUDITORS

Auditors are students who enroll for informational instruction only. No credit is received for audited courses. The faculty member and student agree upon terms for auditing the course. Submission of papers for correction and grading and participation in laboratory experiences are at the discretion of the instructor. Auditors are required to register and pay appropriate tuition and fees.

### COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

Only students who are currently enrolled or those who have previously taken courses at the University of Alaska which resulted in an official transcript may be awarded CLEP credit. Credit for CLEP General Examinations shall be awarded according to the following:
English -- no credit is awarded
English Composition with Essay -- 3 credits ENGL 111 for 500 score
Mathematics -- 3 credits for 500 score
Natural Science -- 6 credits for 500 score
Humanities -- 6 credits for 500 score
Social Sciences/History -- 6 credits for 500 score

Most credits awarded through CLEP examinations are elective credits. Examinations may not be repeated earlier than six months. Certain courses, based on the nature of the courses, may be taken by examination. Interested students should inquire at the Counseling office.

DEFERRED TUITION PLAN

Tuition and fees are due and payable with registration. The student who is unable to pay full tuition at the time of registration may apply for a deferred payment note. This note is not to be confused with the concept that each payment covers a period of time of attendance in classes. The amount due on the note must be paid regardless of whether the student continues in attendance of classes or not. In case of discontinued attendance, the standard withdrawal and refund policy is in effect. Students registering for three or more credits will pay one-half of assessed tuition at registration with the balance due within 30 days.

FACULTY-INITIATED WITHDRAWAL

Regular attendance and active participation are expected in all classes. Students are responsible for classwork even if there are legitimate reasons for their absence. Unexcused absences may result in a student receiving a failing grade. Unreasonable refusal to accommodate a bona fide emergency absence may be appealable under the Academic Appeals Process.

A faculty member may initiate a drop/withdrawal for students who fail to meet individual course attendance requirements; however the faculty member is under no obligation to do so. At the beginning of the semester, faculty may begin to drop students who fail to attend class by the 7th calendar day of the semester.

FINANCIAL AID

Counseling and referrals are available to students in need of financial aid. Applications for local scholarships are available at the counseling office. Students are urged to apply for local aid at least one month prior to registration; late applicants will be considered for assistance if funds are still available.

Students who enroll at least half-time must complete a Financial Aid Form (FAF) or SingleFile form to be considered for any type of financial aid other than local scholarships. Forms are available from the Counselor and should be filed several months in advance.
Students enrolled less than half-time (fewer than six credits per semester) are not eligible for most financial aid. Half-time students are eligible for certain types of financial aid, including the Alaska Student Loan PELL Grant, Supplemental Education Opportunity Grants, Perkins Loans, Guaranteed Student Loans, BIA Benefits, and V.A. Benefits.

**GRANTS AND SCHOLARSHIPS**
Grants and scholarships are awarded primarily on the basis of financial need and do not require repayment.
- The PELL GRANT program makes funds available to eligible students attending postsecondary institutions.
- SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS are designed to provide assistance to students with acute need. These grants are available to students attending half-time or more.
- VETERANS ADMINISTRATION BENEFITS are available to certain individuals who have served in the Armed Forces. These monthly benefits vary depending on the number of dependents of the veteran and the number of classes taken. Veterans wishing to receive benefits should contact the Veterans Administration Office in Anchorage or the registrar.
- BUREAU OF INDIAN AFFAIRS grant applications are available from BIA offices and the Kodiak Area Native Association.

**LOANS**
PERKINS LOANS are available to qualified students. Loan repayment begins nine months after students complete their education, cease to attend the institution, or finish military obligation, service with the Peace Corps, or service in Volunteers in Service to America (VISTA). For those who become teachers in special fields, some forgiveness clauses apply.

THE ALASKA STUDENT LOAN is available to any full-time or half-time student who has been a resident of Alaska for the preceding two years, has a high school diploma or the equivalent and has been officially admitted to a certificate, associate degree, baccalaureate or graduate program. Undergraduate students may borrow up to $5,500 per year to pay for educational expenses at any accredited institution. Applications are available from the Counselor.

**ELIGIBILITY FOR CONTINUED AID**
To remain eligible for continued financial assistance, a student must maintain reasonable academic progress. Those awarded aid as full-time students taking a minimum of twelve (12) credits per semester, must earn an average of twelve (12) credits per semester with a 2.0 or better grade-point average to remain eligible. A three-quarter time student must complete nine (9) credits and a half-time student, six (6) credits. Failure to meet minimum academic progress will render one ineligible for further assistance. Please refer to the University of Alaska Anchorage catalog for the complete Financial Aid Policy of Satisfactory Academic Progress, pages 28-29.
GRADING POLICY

Academic Letter Grades
Only letter grades appear on the student's permanent academic record. These grades carry grade points and are used to calculate the student's GPA.

- A -- An honor grade; indicates comprehensive mastery of required work.
- B -- Indicates high level of performance in meeting course requirements.
- C -- Indicates satisfactory level of performance.
- D -- The lowest passing grade; may not be acceptable to satisfy requirements in certain majors and in graduate programs.
- F -- Indicates failure.

Non-Academic Grades
These grades do not carry grade points and are not used to calculate student GPAs. However, CR, NC, P, and NP grades may be used to determine academic progress.

- CR -- Indicates credit received for course.
- NC -- Indicates no credit received for course.
- DF -- Deferred; temporary grade which indicates course requirements cannot be completed by the end of the semester.
- I -- Incomplete; temporary grade which indicates additional coursework must be completed to receive final grade.
- P -- Indicates passing work.
- NP -- Indicates work that is not passing.

Other Designations
These designations are not grades and do not carry grade points.

- AU -- Audit; indicates enrollment for information only; no credit received.
- W -- Indicates withdrawal from a course.

Grade Point Computation
The grade-point average (GPA) is computed by dividing the total cumulative grade points by the total credits attempted. Letter grades are weighted as follows in compiling a grade-point average:

\[ \text{Grade Points} = \sum \text{Grade} \times \text{Credits} \]

The number of credits is multiplied by the letter value of the grade to give the grade points for each course. The sum of the grade points is then divided by the total credits attempted to arrive at the grade-point average.

All grades (original and any repeated courses) will be shown on the transcript, but only the last grade achieved for a course will be computed in the grade-point average for graduation certification.
CREDIT/NO-CREDIT OPTION
The credit/no-credit option encourages students to explore areas of interest. This option cannot be used for any course which is a requirement in the student’s major. A maximum of 15 credits earned by this option may be applied to a degree program. General Education Requirement (GER), school or college requirements and courses in a student’s major or minor are not allowed under this option.

For performance comparison only, a grade of CR (credit) is considered equivalent to a grade of C or higher. Through the end of week three of the semester, students may request the CR/NC grading option by submitting the necessary paperwork at the registration office.

GRADE CHANGES
Grades other than incomplete (I) or deferred (DF) are assumed to be final grades. A grade may not be changed unless a legitimate error has been made on the part of the faculty. Corrections must be made by the end of the semester following the one in which the grade was originally assigned.

INCOMPLETE GRADE
An I (Incomplete) is a temporary grade. It may be used at the faculty's discretion to indicate that although a student has not yet completed all of the required coursework, there is a possibility that the student may pass the course if and when all the requirements have been completed.

An Incomplete Grade Contract between the student and faculty will specify work to be completed and a timeframe. Coursework must be completed by a date specified in the contract, not to exceed one year. If the terms are not met, a failing grade may be assigned. If the coursework is not completed and the faculty member does not submit a change of grade, the I (Incomplete) will become a permanent grade.

PASS/NO PASS
Students in some courses are graded Pass/No Pass only. This grading system is established at the time the course is approved and must apply to the class as a whole. The faculty must clearly explain this fact to the students at the beginning of class. Pass/No Pass grading is not a student option.

For performance comparison only, a grade of P (Pass) is considered equivalent to a grade of C or higher in undergraduate courses and a grade of B or higher in graduate courses.
HONORS LIST

Students maintaining exceptional academic achievement are recognized after the fall and spring semesters on the Dean's List and Chancellor's List. To be eligible for the Dean's List, a student must be enrolled in twelve or more credits graded with academic letter grades and must have earned a GPA of at least 3.50 for the semester. To be eligible for the Chancellor's List, a student must be enrolled in twelve or more credits graded with academic letter grades and must have earned a GPA of 4.00 for the semester. Incomplete grades or deferred grades must be removed from the transcript prior to eligibility to the Chancellor's and Dean's lists.

INTERNATIONAL STUDENTS

International students with Permanent Resident or Immigrant visas may enroll under the open enrollment option or through formal admission. Individuals wanting to apply for the International Student Form I-20A must be formally admitted to degree-seeking status. Students who wish to transfer college level course work from foreign institutions must submit official transcripts and English translations as well as an official statement of educational equivalency from a recommended international credentials evaluation service.

International students (F1) who wish to apply for the U. S. Department of Justice, Immigration, and Naturalization Services Certificate of Eligibility for Non-Immigrant Students (Form I-20A) must do the following:

1. Meet University admission requirements and be accepted to a program.
2. Submit an official TOEFL (Test of English as a Foreign Language) score of at least 450 or better.
3. Submit a statement of financial support for the anticipated period of study.
4. Provide official transcripts and a statement of educational equivalency from a recommended credentials evaluation service.

OPEN ENROLLMENT POLICY

Under Kodiak College's open enrollment policy, students are eligible to enroll for credit classes if they meet one of the following criteria:

a. Have earned a high school diploma or equivalent GED certificate; or
b. Are 18 years or older and have demonstrated ability to benefit (see below); or
   c. Are high school students approved to participate. Students must complete required forms prior to registration.
**REFUNDS**

Students who drop or withdraw from courses must complete an add/drop form at the Business Office. The date of drop/withdrawal as indicated on the official add/drop receipt determines eligibility for a refund. Refunds are not processed until after late registration. Refunds for semester-length courses will be made according to the following schedule:

- 100% refund of tuition and fees when a drop is made prior to the 8th calendar day of the semester or in the event that courses are cancelled by the college.
- 50% tuition refund when a drop is made from the 8th calendar day and prior to the 15th calendar day of the semester.
- No refund after the 15th calendar day of the semester.
- No refund of non-credit course and lab fees unless the class has been cancelled by the college.
- No refund if the student must withdraw as a result of disciplinary action.
- Refunds of less-than-semester length classes are prorated.

A student with extenuating circumstances who must drop after the refund period may apply for a refund by completing a Student Petition and submitting it to the College Director.

**REGISTRATION PROCEDURES**

Students must complete registration according to the prescribed procedures and pay tuition as determined by the University tuition schedule in order to attend classes and earn credit. Registration is held at the beginning of each regular session as published in the official college calendar. Registration for special programs, short courses, seminars and other classes that are not part of the regular academic calendar will be arranged prior to the beginning of such sessions.

**REPEATING COURSES**

Some courses may be repeated for additional credits if this option is stated in the course description. Previous courses and grades will remain on the student's transcript, but only the credits and last grade earned are applied toward graduation requirements and calculated in the cumulative GPA. To determine eligibility for graduation with honors, all credits and grades from repeated courses are included in GPA calculations.
RESIDENCY

For purposes of non-resident tuition, a resident is any person who has been physically present in Alaska for one year (except temporary absences with intent to return) and who declares intention to remain in Alaska indefinitely. However any person who, within one year, has declared himself/herself to be a resident of another state, voted in another state or has done any act inconsistent with Alaska residence shall be deemed a non-resident for purposes of non-resident tuition. An unemancipated person under age of 18 who has a parent or guardian who qualifies as an Alaskan resident, as defined above, shall be deemed a resident. Military personnel on active duty in the State of Alaska, and their dependents, will be considered as residents of the State of Alaska for purposes of determining tuition charges.

RETROACTIVE COURSE ADJUSTMENTS

Changes in course number level, grading basis, number of credits awarded, etc., will not be allowed retroactively and are not petitionable.

SENIOR CITIZEN TUITION WAIVER

The University of Alaska Board of Regents has approved a waiver of course tuition (excluding fees) for Alaska residents 60 years or older. Such students may enroll in any class offered by the University of Alaska for which they are properly qualified, except those classes where student work spaces may not be available.

STUDENT EXPENSES

A student's expenses depend upon a number of factors which should be considered carefully before planning a budget. Because student living arrangements and personal spending habits vary widely, there is no single figure that can be used to represent the cost of attending. The following estimated costs to a student for one instructional year are offered as a guide in budget planning.

Tuition and Fees:
These costs vary with the student's enrollment status -- full- or part-time and state of residency. See the section in this bulletin on "Tuition and Fees" for a listing of these charges.

Books and Supplies:
This usually ranges between $350 and $450 for a full-time student.
Housing:
Charges for rent, utilities, and other household expenses vary with the size of an apartment and the number of roommates sharing the total cost. For most students, housing averages from $4,000 to $4,500 per instructional year. No campus housing is available.

Food:
An allowance of between $1,500 and $2,000 is sufficient for most students. There is no food service on campus.

Transportation:
An allowance of $400 - $500, but the distance a student lives from campus and whether or not the student owns a car should be taken into consideration. For budgeting purposes, the student should also include fares between home and the campus between semesters, during holidays, or other times when a student may wish to travel.

Personal Expenses:
$900 to $1,000 for the instructional year should be sufficient to cover clothing, laundry, medical and dental expenses, recreation, personal supplies and other miscellaneous expenses.

TRANSCRIPTS

Official transcripts for University of Alaska coursework are available at a charge of $4 per copy. Requests must be in writing and bear the signature of the student whose record is requested. Send requests to: Student Records Office, University of Alaska Anchorage, 3211 Providence Drive, Anchorage, Alaska 99508. Official transcripts from other institutions and other supporting documents become the property of the University and are not reissued or copied for distribution.

TRANSFER OF GENERAL EDUCATION REQUIREMENT CREDITS WITHIN THE UNIVERSITY OF ALASKA SYSTEM

Credit for coursework successfully completed at one University of Alaska institution towards fulfillment of the general education requirements at that institution shall transfer towards fulfillment of the same categories at all other University of Alaska institutions. This applies even if there is no directly matching coursework at the institution to which the student transfers. In its catalog, each University of Alaska institution specifies the courses which meet the general education categories at that institution and which can thus be guaranteed to transfer.

Resident tuition is $58 per credit hour for upper-division courses and $116 per credit hour for graduate courses. Non-resident rate is $174 and $232 respectively for upper-division and graduate credits. The resident rate is applied to all students who enroll for no more than three credits.

Courses which require the use of special materials, supplies or services may have a material or lab fee in addition to the normal credit hour charge. Textbook costs are in addition to tuition and fees and may not be included in tuition deferred payment notes.

If tuition is to be paid by an agency or company, a purchase order must be submitted at the time of registration. The purchase order must indicate exactly what the agency will pay (tuition only, fees, and texts, etc.) and must include exact billing instructions. If a student anticipates payment by an agency but does not have the necessary purchase order, tuition must be paid with registration or by deferred billing. When the agency submits payment, the student will be refunded the amount that has been paid.

The College reserves the right to withhold transcripts, diplomas, or final grade reports from students who have not paid all financial obligations. If a student is delinquent in payment, registration may be denied. Registration of any student may be cancelled at any time for failure to meet installment contract payments or financial obligations. The registration process is not complete until all tuition, fees, and charges due have been paid.
NON-CREDIT COURSE FEES

Fees for non-credit and special interest courses vary. They are not considered as part of a student's consolidated academic fees. NOTE: Fees are payable in full at registration for all community service (non-credit) courses. Fees for these courses are non-refundable and are non-transferable to other courses unless the class is cancelled by the college.

OTHER FEES

Admission Application Fee (remit with application) ............... $35
Late Registration Fee ............................................... 5
Add/Drop Fee ......................................................... 2
Deferred Payment Service Charge ......................... 2
Credit-By-Examination (per credit) .................. 5
Student Activity Fees
   Full Time Students (12 or more credits) ............. 5
   Students Enrolled in 1 - 11 credits ................ 2

USE OF SOCIAL SECURITY NUMBERS

The social security number is used as the student identification number. Students who do not wish to use their social security numbers will be assigned nine-digit numbers.

WITHDRAWAL FROM COLLEGE

The student who finds it necessary to withdraw from college should immediately complete a withdrawal form and return it to the Business Office. The refund and grades are determined according to regulations printed in the bulletin and class schedule.

WORK STUDY PROGRAM

Kodiak College does not participate in the Federal College Work-Study Program. There is a limited amount of campus-based student employment available. A Kodiak College financial aid application is required for a student to be considered for this program. The student must be enrolled for at least six credit hours and may work a maximum of twenty hours per week.
ACCESS TO STUDENT RECORDS

The Family Education Rights and Privacy Act (FERPA) of 1974, Public Law 93-830, as amended, was designated to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with the FERPA Office (located on UAA campus) concerning alleged failures by the institution to comply with the Act.

No one outside the institution shall have access to, nor will the institution disclose any information from a student's education record without the written consent of the student except to personnel within the institution, to officials of other institutions in which a student seeks to enroll, to persons in compliance with a judicial order, and to persons in an emergency in order to protect the health or safety of the student or other persons, or as otherwise permitted under the Act. A complete copy of the University Policy on the application of FERPA is available in the UAA Legal Counsel's office.

BOOK STORE

The College Book Store is located in the Benny Benson Building. Textbooks may be purchased beginning one week prior to the start of the semester. Books in new condition may be returned within five school days after the start of class. A cash register receipt must be presented at the time of return. A refund will be issued by check within four weeks. It is suggested that textbooks not be purchased until it has been determined that the course has adequate enrollment.

In addition to textbooks, the Book Store stocks items such as pens, pencils, notebooks, pads, dictionaries, and other instructional items.

COUNSELING

Counseling services are available for enrolled or potential students throughout the instructional year. Appointments are recommended. The following services are offered:

- Answering questions related to degree requirements, transfer information and high school completion.
- Assisting students in their search for career information.
- Assessment testing.
- Monitoring, scoring and explaining tests, providing information to students regarding occupational interests, school aptitudes, abilities, and personal values.
- Assisting students who have been referred by college staff and community agencies.
- Making referrals to other professional agencies when necessary.
- Assisting faculty to understand and meet the specific needs of individual students.

LIBRARY

The Carolyn Floyd Library collection of over 20,000 volumes is housed in the Benny Benson Building on campus and is organized by the Library of Congress classification system. This includes an extensive reference section consisting of dictionaries, encyclopedias, indexes, bibliographies, selected series and maps, an Alaskana collection, and the valuable Koniag collection of rare, out-of-print books. In addition, the Library subscribes to 179 magazines and newspapers and InfoTrac, a computerized guide to periodical literature.

The entire collection is catalogued on the Western Library Network (WLN), a computer system which allows students to search for books in western states libraries by title, author, and subject. The computerized GNOSIS system allows students to search for books in the same manner but includes only University of Alaska libraries. Books that are located in other libraries may be requested through inter-library loans.

Free library check-out privileges are granted to students and faculty as well as to members of the community upon the completion of a registration card. Library hours are posted and may vary for each semester. Books may be checked out for two weeks and may be renewed. The college reserves the right to withhold the grades of students who do not return library materials.

MISCELLANEOUS INFORMATION

- Additional information, catalogs, and applications may be obtained by visiting or writing the College at 117 Benny Benson Drive, Kodiak, Alaska 99615, (907) 486-4161.

- Kodiak College is designated as a smoke-free environment. Smoking is not permitted in any of the buildings, owned, leased, rented, or under the control of the University of Alaska Anchorage, or in University vehicles.
STUDENT CODE OF CONDUCT

Included in the responsibilities of a student is an awareness of the standards of appropriate behavior. Students are expected to exercise self-discipline. In general, off-campus activities are viewed as their personal business. However, when a student violates local, state, or federal laws and at the same time violates the Code of Conduct, either on or off campus, the College reserves the option of initiating disciplinary action on its own. Disciplinary action may be initiated by the College and sanctions imposed against any student or student organization found guilty of committing, attempting to commit, or intentionally assisting in the commission of any of the following prohibited forms of conduct:

1. Disruption or Obstruction: Conduct which materially or substantially disrupts or obstructs the educational process of the college.

2. Harassment: Physical, verbal abuse, or sexual harassment of another person, or conduct, including but not limited to hazing, which threatens or endangers the health and safety of others.

3. Hazing: Student organizations or individuals shall not engage in or condone any form of hazing. Hazing may include but is not limited to: a.) any action taken or situation intentionally created to subject another person to mental or physical discomfort, embarrassment or ridicule; b.) verbal or physical harassment or abuse; or c.) encouragement, facilitation or participation in public stunts, morally degrading or humiliating behavior or games on or off campus which interfere with academic performance or unreasonably create a hostile or offensive learning environment.

4. Intoxicants and Drugs: Possession, consumption, being perceptibly under the influence, or furnishing of alcoholic beverages on campus property or at supervised functions of student organizations except as provided by rules, policies, and procedures of the University of Alaska Anchorage. Possession, consumption, being perceptibly under the influence, or furnishing of any narcotic or dangerous drugs except when use or possession is lawfully prescribed by an authorized medical doctor or dentist.

5. Dangerous Chemicals and Devices: Unauthorized use, possession, or sale of firearms, explosives, dangerous chemicals, or other dangerous weapons on University property except as expressly authorized by campus procedures.

6. Other Forms of Misconduct: Forgery, alteration, or misuse of college documents, records, funds, or identification. Falsification of records or deliberate misrepresentation of facts on college forms and documents. Telephone misuse, theft, or malicious destruction, damage, or misuse of college or private property including computers. Unauthorized use of college funds, equipment, and supplies including but not limited to falsely representing oneself as an agent of the college, incurring debts or entering into contracts on behalf of the college.
7. Violation of College Regulations: Violating published University regulations, including those related to entry and use of college facilities, the rules in this section, and any other rules or regulations which may be enacted by the college. Failure to comply with the lawful directions of college personnel acting in the performance of their duties.

**ACADEMIC DISHONESTY**

Academic integrity is a basic principle which requires that students take credit only for ideas and efforts that are their own. Cheating is defined as the submission of materials in assignments, exams, or other academic work which is based on sources forbidden by the faculty member. Cheating shall include but is not limited to situations in which the student:

1. Refers during an academic evaluation to material sources not authorized by the faculty.
2. Utilizes devices during an academic evaluation not authorized by the faculty.
3. Provides assistance to another student or receives assistance from another student during an academic evaluation in a manner not authorized by the faculty.
4. Presents as one's own, the ideas or words of another person without customary and proper acknowledgment of sources.
5. Knowingly permits one's words to be submitted by another person without the faculty member's permission.
6. Acts as a substitute or utilizes a substitute in any academic evaluation.
7. Fabricates data in support of laboratory or field work.
8. Possesses, buys, sells, obtains or uses a copy of materials intended to be used as an instrument of academic evaluation in advance of its administration.
9. Alters grade records of his/her own or another student's work in a course or a component of a course.

In addition to any adverse academic action which may result from engaging in academically dishonest behavior, Kodiak College reserves the right to invoke the following sanctions:

1. Censure: Written Warning
2. Disciplinary Probation: Probationary status for a specified period of time.
3. Suspension: Student is forbidden to attend classes for the remainder of the semester, but permitted to register for the following semester.
4. Expulsion: Termination of student status.
5. Restitution: Reimbursement for damage to or misappropriation of property.
The following documents are available in the counseling office and are printed in the University of Alaska Anchorage catalog:

1. Statement of Student Rights, Freedoms, and Responsibilities
2. Drug Free Schools, a description of the program adopted by the University of Alaska Anchorage to prevent unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees.
3. Disciplinary Procedures, Sanctions (complete), Grievance Procedure

**VETERANS**

Kodiak College is an approved institution for the education and training of veterans and is responsible for compliance with Veterans Administration regulations. Veterans wanting to collect benefits under the G. I. Bill should contact the Veterans Administration Office in Anchorage or the registrar.

The veteran who signs the application for V. A. benefits promises to maintain satisfactory progress toward a given educational goal with a grade point average of 2.0 or greater. Any veteran not maintaining a semester grade point average or accumulated grade point average of 2.0 will be reported to the Veterans Administration, which may result in suspension of Veterans benefits.

To insure that the college maintains adequate records to show continued progress of each veteran, the college records will include the following:

1. A final grade in each course for each term.
2. A record of withdrawal from and/or non-pursuit of a course when such would result in a change of certification including effective date.

The College is responsible for promptly reporting any increase or decrease in the number of certified credit hours for which a veteran is enrolled. Overpayment to a veteran could result in the withholding of any further benefits until the overpayment is recovered by the V. A.
ADMISSION PROCEDURES TO DEGREE/CERTIFICATE PROGRAMS

To receive a degree from Kodiak College, a student must satisfy general University requirements and specific degree requirements. Students may enroll in any course for which they meet the requirements; however, to be admitted to a degree or certificate program, and before receiving a degree or certificate from Kodiak College, students must complete the following:
1. Submit a completed Application for Admission and $20 fee to the registrar.
2. Have official transcripts sent to the registration office from former colleges or universities.

GENERAL UNIVERSITY REQUIREMENTS

ASSOCIATE DEGREES: The minimum number of credits which must be earned, including those accepted by transfer, are sixty (60) semester credits for an associate degree.

At least 15 of the final 30 credit hours must be earned in residence. Resident credit is defined as credit earned in formal classroom instruction, independent study, research, and telecourses offered by the University of Alaska Anchorage. All other credits including transfer credit, non-traditional credit, correspondence study and credit by examination are defined as non-resident credits.

A cumulative grade-point average of 2.00 (C) must be attained in all work as well as in the major field.

A student enrolled in an associate degree program may elect to graduate under the requirements of the general catalog in effect during the year of graduation or in effect at the time of enrollment in the major, providing there has not been a time lapse of more than five years. If more than five years have lapsed, the student must meet the requirements in effect during the year of graduation.

A maximum of 15 semester credits of formal military service schools (including basic training) is allowed toward an associate degree provided that such credit falls within the requirements of the degree.

CERTIFICATES: Students may earn more than one certificate by completing all requirements for each additional program. The following requirements must also be met:
1. When completing the last half of the certificate, students must earn at least 50% of the credits in residence. For example, in a 30-credit certificate, at least 8 of the last 15 must be resident credits.
2. Students must earn a cumulative grade-point average of 2.00 (C).
GRADUATION REQUIREMENTS

Those wishing to graduate are responsible for becoming acquainted with and meeting all graduation requirements.

Declaration of Degree Intent:
Students who have completed 15 semester credit hours should declare intent to begin a degree program and be admitted to degree status.

Application Procedure:
Degree candidates must formally apply for graduation. The application for graduation must be filed with the registration office during the semester the student plans to graduate and no later than the application filing dates which appear in the college instructional calendar.

Applications for graduation filed after the deadline will be processed for graduation the following year.

Second Or Additional Associate Degree:
To be eligible for a second (or additional) associate degree (Associate of Applied Science only), a student must complete a minimum of 12 hours of credit beyond the first (or latest) associate degree (i.e., a student must have earned a minimum of 72 total credits in order to receive a second associate degree, after the completion of a 60-credit-hour first degree).

GRADUATION WITH HONORS

To graduate with honors, a student must first earn a cumulative GPA of 3.50 or higher in all college work attempted at KoC. Transfer students must complete a minimum of 15 resident credits with academic letter grades and must have a cumulative GPA of 3.50 or higher in all college work attempted at both KoC and at all other institutions attended in order to graduate with honors. Grades and credits earned from repeated courses are included in determining honors eligibility.

Honors are awarded with cumulative GPA’s as follows: Cum Laude 3.50 - 3.79, Magna Cum Laude 3.80 to 3.99, Summa Cum Laude 4.00.

CONFERRING OF DEGREES/CERTIFICATES

Kodiak College issues diplomas to degree and certificate candidates in May. All students who complete degree and certificate requirements during the instructional year are invited to participate in the annual commencement ceremony which follows the spring semester.
ADULT EDUCATION PROGRAM

The Kodiak Regional Adult Basic Education Program (ABE) includes non-credit, developmental instruction in basic skills (reading, writing, math, grammar); English As A Second Language classes; General Educational Development (G.E.D.) preparation and testing; and life skills classes (health, occupational, consumer, community resources). In addition to group or individualized lessons on an open entry/open exit basis, students receive counseling and also referrals to other service agencies.

The program operates at nine different sites. The urban program includes the Adult Learning Center on the college campus and Kodiak High School. Village programs are located in Akhiok, Karluk, Larsen Bay, Old Harbor, Ouzinkie, and Port Lions.

Primary funding for the Adult Basic Education program is provided through a grant from the State Department of Education. Adult Education classes and tutoring are open to the public free of charge.

ASSOCIATE DEGREE PROGRAM

ASSOCIATE OF ARTS DEGREE (AA) -- designed primarily for students who intend to continue their education in pursuit of a Bachelor's degree. As such, it provides a broad educational background.

ASSOCIATE OF APPLIED SCIENCE DEGREE (AAS) -- awarded in a specific career education or occupational field of study with emphasis on entry into a job market. The Associate of Applied Science Degree is offered in General Business and Office Management and Technology.

LINKING ASSOCIATE OF ARTS DEGREES TO BACCALAUREATE DEGREES

By carefully selecting courses, students interested in going on to University of Alaska Anchorage Bachelor's programs can meet many of their general education requirements (GER). These GER courses are noted in each Kodiak College semester course schedule. Students should see the Counselor regarding degree requirements for specific UAA programs.
### COURSE CLASSIFICATIONS

#### APPLIED STUDIES
- Accounting
- Agriculture
- Alaska Wilderness Studies
- Architectural and Engineering Technology
- Auto/Diesel Technology
- Aviation Technology
- Business Administration

</table>

Select 6 credits from one or a combination of the following: (6)

- Humanities
- Social Science
- Mathematics
- Natural Science

English courses used to satisfy general requirements must be different from the written communication requirements and have a course number higher than ENGL 111.

MAJOR REQUIREMENTS

1. Complete 13 credits:
   - OMT 115 (3)
   - OMT 120 (3)
   - OMT 121 (1)
   - OMT 170 (3)
   - OMT 278 (3)

2. Complete 6 credits:
   - OMT 101* (3)
   - OMT 102 (3)
   - OMT 101A* (1)
   - OMT 101B* (1)
   - OMT 101C* (1)
   - OMT 109 (1)
   - OMT 203 (3)
   - OMT 251 (1)
   * Credit will not be counted for both OMT 101 and OMT 101 A-B-C.

3. Complete 1-3 credits:
   - OMT 230A (1)
   - OMT 230B (1)
   - OMT 231 (3)
   - OMT 232 (3)

4. Complete 3 credits:
   - BCIS 100 (3)
   - BCIS 103 (3)
   - BCIS 110 (3)

5. Complete 1-3 credits:
   - OMT 242 (1)
   - OMT 243 (1)

6. Complete 3 credits:
   - OMT 220*(3)
   *If OMT 220 was taken to meet the Written Communication General Education Requirement, then complete three elective OMT credits of your choice.

7. Complete 3 credits:
   - OMT 118 (3)
   - OMT 170 (3)
   - ACCT 101 (3)
   - OMT 251 (1)
   - OMT 255 (3)
   - ACCT 201 (3)
   - OMT 256 (3)

8. Complete 3 credits:
   - OMT/BCIS 143 (1)
   - OMT 151 (1)
   - OMT 156 (1)

9. Complete 7-9 credits:
   - OMT 176 (1) or OMT 276 (3)
   - OMT 270 (3) or BA 231 (3)
   - BA 151 (3) or BA 166(3)

10. Complete 0-5 credits to total 60 cr.:
    - OMT 110 (1)
    - OMT 131 (3)
    - OMT 192 (1)

Total - 60 credits

   OMT 120 (3)
   OMT 170 (3)
   OMT 220 (3)
   OMT 278 (3)

2. Complete 5 - 6 credits:
   *OMT 101 (3)
   *OMT 101A (1)
   *OMT 101B (1)
   *OMT 101C (1)
   OMT 102 (3)
   OMT 203 (3)
   *Credit will not be counted for both OMT 101 and OMT 101 A-B-C.

3. Complete 1- 3 credits:
   OMT 230A (1)
   OMT 231 (3)
   OMT 232 (3)

4. Complete 6 credits:
   BCIS 100 (3) or BCIS 100A (1)
   BCIS 100B (2) or BCIS 110 (3)
   OMT 255 (3)

5. Complete 3 credits:
   OMT 242 series (1)
   OMT 243 series (1)

6. Complete 0 - 3 credits:
   OMT 110 (1)
   OMT 121 (1)
   OMT/BCIS 143 (1)
   OMT 156 (1)
   OMT 251 (1)
   OMT 256 (3)
   BCIS 111 (1)
   BCIS 116 (1)
   BCIS 122 (1)
   BCIS 140 (1)

TOTAL: 30 credits
COURSE DESCRIPTIONS

The courses described on the following pages are listed alphabetically by discipline. College transfer credit courses, numbered 100 and above, are applicable to associate and baccalaureate degrees as they apply to the degree plan. Courses below 100 do not count for degree credit or transfer credit. Not all courses listed are offered every year.

SPECIAL TOPICS AND NON-CREDIT COURSES

Special topics courses and non-credit activities are developed in response to community needs. These are not described in the catalog. Students are advised to consult the schedule of classes each semester for descriptions of courses currently being offered.

COURSE NUMBERING SYSTEM

Each course offered is identified by a department designator and three-digit course number. The designator commonly abbreviates the name of a discipline or department (i.e., ENGL for English). The first number of the three-digit course number indicates the year in which the course is ordinarily taken (i.e., ENGL 111 for first-year students and ENGL 341 for third-year students). More specifically, course numbers have the following meaning:

- **050 - 099**: Courses applicable to vocational certificates, but not to A. A., A.A.S., baccalaureate, or master's degrees.
- **100 - 199**: Freshman-level, lower-division courses applicable to certificates, associate, and baccalaureate degrees.
- **200 - 299**: Sophomore-level, lower-division courses applicable to certificates, associate, and baccalaureate degrees.
- **300 - 399**: Junior-level, upper-division courses applicable to associate and baccalaureate degrees. May also apply to graduation requirements for some master's degrees with prior approval of the student's graduate study committee. May not be applied to both a baccalaureate and a master's degree.
- **400 - 499**: Senior-level, upper-division courses applicable to associate and baccalaureate degrees. May also apply to graduation requirements for some master's degrees with prior approval of the student's graduate study committee. May not be applied to both a baccalaureate and master's degree.
500 - 500 Professional development courses. Not applicable to any degree requirements (even by petition). Restriction to Pass/No Pass grading system. (For purposes of tuition, these are considered graduate-level.)

600 - 699 Graduate-level, upper-division courses applicable to master's

The following second and third digits of course numbers are used for specific types of courses:

<table>
<thead>
<tr>
<th>Course Number</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>92</td>
<td>Seminars and workshops</td>
</tr>
<tr>
<td>93*</td>
<td>Special topic courses to be offered once only</td>
</tr>
<tr>
<td>94*</td>
<td>Trial courses intended to become permanent; may only be offered one semester before requesting a permanent number</td>
</tr>

<td>Independent study</td>
</tr>
</tbody>
</table>

*Courses ending with 93 or 94 do not satisfy General Education Requirements.

Courses that satisfy General Education Requirements (GER) for Bachelor's degrees at the University of Alaska Anchorage are marked with an ✓.
ADULT BASIC EDUCATION

ABE 001  Non Credit

ADULT BASIC EDUCATION
Adult Basic Education is a program of individualized instruction in mathematics, English, and reading comprehension as well as English as a Second Language. This instruction also can prepare the student for the GED High School Equivalency tests. Upon successful completion of the GED tests, the student is granted a high school equivalency diploma from the Alaska State Department of Education.

ACCOUNTING

ACCT 101  3 CR
PRINCIPLES OF FINANCIAL ACCOUNTING I
First semester principles of accounting. Introduces concepts and procedures for financial accounting. Emphasis on accounting cycle, recording, summarizing, and interpreting accounting data through presentation of formal financial statements.
Prerequisite: MATH 055 with grade of C or better or equivalent Math Placement Test.
Special Note: ACCT 101 and ACCT 102 will satisfy requirement for ACCT 201. AAS accounting majors must take ACCT 101 and ACCT 102.

ACCT 102  3 CR
PRINCIPLES OF FINANCIAL ACCOUNTING II
Prerequisite: ACCT 101
Special Note: ACCT 101 and ACCT 102 will satisfy requirement for ACCT 201. AAS accounting majors must take ACCT 101 and ACCT 102.

ACCT 120  3 CR
BOOKKEEPING FOR BUSINESS I
Basic concepts and procedures of practical bookkeeping. Fundamental principles and practices necessary to record and report financial data in a service and merchandising business for manual systems and computerized systems.

ACCT 202  3 CR
PRINCIPLES OF MANAGERIAL ACCOUNTING
Studies the uses of accounting data internally by managers in directing the affairs of business and nonbusiness activities. Planning and control techniques include budgeting, product costing, break-even analysis, and relevant costing decision analysis.
Prerequisite: ACCT 101 and ACCT 102 or ACCT 201; plus BCIS 110 or equivalent.

ACCT 222  3 CR
INTRODUCTION TO COMPUTERS AND ACCOUNTING
Identifies necessary accounting controls in a computerized environment; illustrates conversion of manual to computerized accounting system; demonstrates processing of accounting data on a computer.
Prerequisite: ACCT 101 and ACCT 102, or ACCT 201; plus BCIS 110 or faculty permission.

ALASKA WILDERNESS STUDIES

AWS 107  1 CR
ROCK CLIMBING I
Condensed introduction to joys and challenges of rock climbing. Non-terrifying and fun! Covers equipment, knots, belaying, rappelling, and rock climbing techniques.
Prerequisite: Good physical condition to allow climbing in possible inclement weather.
Special Note: May be taken more than once for credit.
AWS 110  HIKING ALASKA  1 CR
Introduction to the trails of the local area. Basics of safe and enjoyable hiking with an emphasis on the region. Natural history, including climate, geology, ecology, culture, and resource issues of selected locales. Hikes up to 5 miles on varied terrain.

AWS 113  ALASKA MARINE SURVIVAL  1 - 3 CR
Preparation for serious survival situation on sea or coast. Survival aspects of cold water environment including safety and survival equipment, cold injuries, shelter, signaling, food procurement, and emergency flotation. All with a marine emphasis.
Special Note: May be repeated for credit.

AWS 123  BEGINNING SEA KAYAKING  1 CR
Introduces sea kayak paddle skills, basic rescue procedures, trip planning, equipment needs and options, and safety considerations. Held in classroom, pool, and on weekend field trips.

AWS 128  SCUBA DIVING  2 CR
Lectures on diving techniques and gear safety with emphasis on crisis situations, supplemented with work in pool and ocean environment. Diver's certificate given upon successful completion.
Special Note: May be taken more than once for credit.

ANTH 101  INTRODUCTION TO ANTHROPOLOGY  3 CR
Introduction to fundamentals of the four subfields of anthropology: archaeology, cultural anthropology, biological anthropology and anthropological linguistics. The course introduces basic ideas, methods and findings of anthropology.
Special Note: Recommended for majors and non-majors.

ANTH 200  NATIVES OF ALASKA  3 CR
Introduction to culture and history of Alaska Natives. Includes environmental settings, linguistic subdivisions, traditional sociocultural organization and subsistence patterns, contact with non-native groups, and contemporary issues.

ANTH 202  CULTURAL ANTHROPOLOGY  3 CR
Introduction to the methods, theories, and fundamental concepts for the study of cultural systems. Includes social relationships, economic organization, political systems, symbols and beliefs. Serves as foundation for more specialized courses in cultural anthropology.

ART 100  INTRODUCTION TO STUDIO ART ACTIVITIES  1 - 3 CR
Individual studio projects, lectures, and field trips to introduce possible areas for concentrated study. Recommended for students seeking initial exposure to arts such as design, printmaking, weaving, and sculpture.
Special Note: Does not satisfy BA in Art or BFA degree requirements.

ART 105  BEGINNING DRAWING  3 CR
Introduction to elements of drawing. Dry and wet media such as pencil, charcoal, and ink. Class and homework assignments in drawing objects, still lifes, perspective effects, and human forms.

ART 160  ART APPRECIATION  3 CR
Development of an appreciation of all the visual arts. Course emphasis is on the theories, practice, materials, and techniques of the visual arts.
Special Note: Course meets general degree requirement except for Art majors.

<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>ART 181A</td>
<td>3 CR</td>
<td>BEGINNING CALLIGRAPH</td>
<td>The art of lettering. Writing and practicing the Roman alphabet and formal Italic, emphasis on writing position, order of pen strokes, spacing, practice, suggestion, and exercises. Introduction to various tools, including pens, inks, papers, and watercolors. Students learn the following alphabet: Bookhand, Italic and/or Uncial and cover numbering, color usage and design. Special Note: Does not satisfy BA in Art or BFA degree requirements.</td>
</tr>
<tr>
<td>ART 181B</td>
<td>3 CR</td>
<td>INTERMEDIATE CALLIGRAPH</td>
<td>One new alphabet is introduced, with alphabet variations stressing development of individual styles, design, and use of color. Exercise in becoming proficient with letter forms. Prerequisite: ART 181A or faculty permission. Special Note: Does not satisfy BA in Art or BFA degree requirements.</td>
</tr>
<tr>
<td>ART 181C</td>
<td>3 CR</td>
<td>ADVANCED CALLIGRAPH</td>
<td>One new alphabet is introduced, with alphabet variations stressing development of individual styles, design, and use of color. Exercise in becoming proficient with letter forms. Prerequisite: ART 181B or faculty permission. Special Note: Does not satisfy BA in Art or BFA degree requirements.</td>
</tr>
<tr>
<td>ART 183A</td>
<td>3 CR</td>
<td>BEGINNING WOODCARVING</td>
<td>Introduction to the tools and basic methods used in woodcarving. Use of knives and gouges. Selection of patterns. Proper tool sharpening. Emphasis on relief carvings but also covers carving in the round and other areas of interest. Special Note: May be repeated once for credit.</td>
</tr>
<tr>
<td>ART 183B</td>
<td>3 CR</td>
<td>INTERMEDIATE WOODCARVING</td>
<td>Continuation of ART 183A using knives and gouges, selection of patterns, proper tool sharpening. Emphasis on carving in the round and relief carving. Prerequisite: ART 183A. Special Note: Does not satisfy BA in Art or BFA degree requirements.</td>
</tr>
<tr>
<td>ART 185B</td>
<td>1 CR</td>
<td>ALEUT BASKET WEAVING</td>
<td>A crafts involvement in the authentic, fine-twined basketwork of the Aleutian Islands. Special Note: Does not satisfy BA in Art or BFA degree requirements.</td>
</tr>
<tr>
<td>ART 187A</td>
<td>3 CR</td>
<td>OIL PAINTING FOR PLEASURE</td>
<td>Designed for beginning and intermediate painters. Emphasizes individual growth. Subject matter includes Alaskan scenes as well as other selections. Special Note: Does not satisfy BA in Art or BFA degree requirements.</td>
</tr>
<tr>
<td>ART 205</td>
<td>3 CR</td>
<td>INTERMEDIATE DRAWING</td>
<td>Drawing in class from live models. Emphasizes expanding visual awareness through drawing. Prerequisite: ART 105.</td>
</tr>
<tr>
<td>ART 213</td>
<td>3 CR</td>
<td>BEGINNING PAINTING</td>
<td>Introduction to basic materials and techniques in oil or acrylic painting. Emphasizes understanding form in space and light, and the interaction of form with color, value, and texture in paint. Prerequisite: The 18 credit lower division Art core is required for Art majors and recommended for others. Special Note: May be repeated once for credit.</td>
</tr>
<tr>
<td>ART 224</td>
<td>3 CR</td>
<td>BEGINNING PHOTOGRAPH</td>
<td>Cross-Listed: JPC 224 Basic principles including camera functions and the utilization of these functions for artistic expression through the processing and printing of black and white film.</td>
</tr>
</tbody>
</table>

38
ART 231 3 CR
WATERCOLOR PAINTING
Exploration of aquarelle techniques. Emphasizes composition as affected by color, value, stylistic considerations, and individual expression; exhibition procedures are included.
Prerequisite: The 18 credit lower division Art core is required for Art majors and recommended for others.
Special Note: May be repeated once for credit.

AVIATION TECHNOLOGY

AT 100 4 CR
PRIVATE PILOT GROUND SCHOOL
Preparation for FAA Private Pilot Exam. Includes aircraft and engine operation and limitations, aircraft flight instruments, navigation, navigation computers, national weather information, and dissemination services. FAA Regulations, FAA Airman's Information Manual, radio communications, and radio navigation.

AT 160 3 CR
AIRCRAFT INFORMATION, REGULATIONS, AND PROCEDURES
 Begins with historical background and government involvement in aviation maintenance. Includes policies and procedures of UAA and FAA approved Aviation Maintenance Technology program. Incorporates maintenance publications, maintenance forms and records, technician privileges and limitations, aircraft weight and balance, and aircraft ground operation and fuel servicing.

AT 162 4 CR
FUNDAMENTALS OF AIRCRAFT ELECTRONICS
 Begins with basic electrical concepts, definitions and laws and calculation and measurement of fundamental electrical circuit parameters.

Includes AC/DC circuits with resistive and reactive electrical components, schematic symbols and reading of electrical wiring diagrams.
Prerequisite: MATH 055 or equivalent

AT 162L 2 CR
FUNDAMENTALS OF AIRCRAFT ELECTRONICS LAB
Provides practical experience and projects to reinforce the student's learning in AT 162 which must be completed prior to or taken concurrently.
Prerequisite: MATH 055 or equivalent

BIOLOGY

BIOL 105 4 CR
FUNDAMENTALS OF BIOLOGY I
An introduction to the basic principles of biology as science; simple biological chemistry; cell biology; energy transformation; cellular reproduction; and genetics.
Prerequisite: High school biology or faculty permission.
Special Notes: One 3-hour lab per week. BIOL 105, 106 are core courses in biology and are prerequisites to further courses in the biological sciences. Required for BIOL 219.

BIOL 106 4 CR
FUNDAMENTALS OF BIOLOGY II
A continuation of an introduction to the basic principles of biology for the science major. Anatomy, physiology, and behavior of plants and lower kingdoms. Overview of ecology.
Prerequisite: BIOL 105 or faculty permission.
Special Notes: One 3-hour lab per week. BIOL 105 and 106 are core courses in biology and are prerequisites to further courses in the biological sciences. BIOL 105 and 106 are required for BIOL 219.
<table>
<thead>
<tr>
<th>Course Code</th>
<th>Credits</th>
<th>Title</th>
</tr>
</thead>
</table>
| BIOL 111    | 4 CR    | HUMAN ANATOMY AND PHYSIOLOGY I<sup>†</sup>  
An introduction to human structure and function. The integumentary, skeletal, muscular, nervous and endocrine systems are considered. Special Note: Accepted for biology major credit only by petition. Satisfies UAA general education and CAS natural science degree requirements for specified baccalaureate degree programs. One 3-hour lab per week. |
| BIOL 112    | 4 CR    | HUMAN ANATOMY AND PHYSIOLOGY II<sup>†</sup>  
A continuation of BIOL 111. The circulatory, respiratory, digestive, excretory, reproductive and immune systems are considered. Prerequisite: BIOL 111 or faculty permission. Special Note: Accepted for biology major credit only by petition. Satisfies UAA general education and CAS natural science degree requirements for specified baccalaureate degree programs. One 3-hour lab per week. |
| BIOL 124    | 1 - 4 CR| BIOTA OF ALASKA: SELECTED TOPICS  
Explores special features of birds, mammals, insects or plants. Can include life history, habitat, ecology, and behavior. Special Note: Community Service course |
| BIOL 150    | 4 CR    | INTRODUCTION TO MARINE BIOLOGY  
An elementary course in marine natural history with emphasis on intertidal invertebrates and algae. Other topics will include seabirds, marine mammals, fish, bottom organisms, and plankton. Special Note: Community service course. |
| BIOL 219    | 4 CR    | FUNDAMENTALS OF BIOLOGY III  
A continuation of an introduction to the principles of biology for science majors. Emphasis on the morphology, systematics, and physiology of animals. Overview of evolution. Prerequisite: BIOL 105, 106, and CHEM 105; or faculty permission. Special Note: Core course for biology majors. One 3-hour lab per week. |
| BIOL 223    | 4 CR    | INTRODUCTION TO FISHES  
Introduces anatomical physiology, classification and biology of fishes. Emphasizes the fishes of Alaska. Prerequisite: Basic biology or faculty permission. |
| BIOL 240    | 4 CR    | INTRODUCTORY MICROBIOLOGY FOR HEALTH SCIENCES  
General introductory microbiology and virology with emphasis on those areas relating to health sciences, including host parasite interactions, host defense mechanisms, and epidemiology. Special Note: Recommended for associate and baccalaureate health science programs. Laboratory exercises generally require students to return to the lab to record experimental results after 24 hours, throughout the semester. Accepted for biology major credit only by petition. Prerequisite: Concurrent enrollment in BIOL 112, or 8 hours in biology or chemistry, or faculty permission. |
BA 110 2 CR
DEVELOPMENT OF LOCAL TOURISM
Provides information about the Alaska visitor and the visitor industry. Local history, geography and tourist events will be included. A number of subjects will be covered starting with the state as a whole and quickly focusing on local visitor attractions and ideas for you to try. Grading Policy: Pass/No Pass.

BA 131 3 CR
PERSONAL FINANCE
Introduction to consumer financial issues. Surveys variety of topics, including personal income, home mortgages, credit laws, income tax, budgeting, insurance, estate planning, investments in stocks, bonds, insurance, and mutual funds, transportation, leisure and recreation costs, consumer fraud and laws protecting consumer.

BA 151 3 CR
INTRODUCTION TO BUSINESS
For students with relatively little business management experience. Understanding profit in business, issues of social responsibility and forms of business ownership. Roles of management in specialized fields of human resources, finance, production and marketing. Students explore opportunities and requirements in several business positions as well as assess personal interests and capabilities.

BA 165 3 CR
INTRODUCTION TO SMALL BUSINESS OWNERSHIP
Business organization; nature of major business functions; such as management, finance, accounting, marketing, personnel administration, the opportunities and requirements for professional business careers.

BA 166 3 CR
SMALL BUSINESS MANAGEMENT
Business planning as key to successful small business management. Examines practical aspects of management for starting/operating small businesses. Assists students in understanding personal finance, business regulations, marketing, production, and business finance.

BA 241 3 CR
BUSINESS LAW I
Cross-Listed: JUST 241
Introduces legal aspects of business activities. Emphasizes basic principles, institutions, and administration of law in contracts, employment, torts, property, agency, real estate, and insurance.

BA 242 3 CR
BUSINESS LAW II
Cross-Listed: JUST 242
Emphasizes basic principles, institutions, and administration of law in suretyships, partnerships, corporations, trusts, bankruptcy, negotiable instruments and sale of goods. Prerequisite: BA/JUST 241.

BA 260 3 CR
MARKETING PRACTICES
Designed to give students a real-world view of basic marketing principles and practices. Emphasizes planning strategy and application of marketing concepts. Examines nature of marketing and its environment, selecting target markets, and developing a market mix: product, price, promotion, and distribution. Prerequisite: BA 151 or faculty permission.
BUSINESS COMPUTER INFORMATION SYSTEMS

BCIS 100A 1 CR
INTRODUCTION TO COMPUTERS
Overview of computers and their applications. Small business and personal computers are emphasized.
Prerequisite: Keyboarding skill of at least 30 WPM recommended.

BCIS 100B 2 CR
INTRODUCTION TO MICROCOMPUTER APPLICATIONS
Overview of current popular software packages for small business and personal computers. Six to twelve hours of introduction to each of several applications including word processing, electronic spreadsheets, database software and graphics systems.
Prerequisite: Keyboarding skill of at least 30 WPM recommended.

BCIS 104 1 CR
CONTEMPORARY COMPUTER APPLICATIONS
Instruction and practice in use of IBM personal computers or Macintosh computers and newly-released software for office or personal use.
Prerequisite: BCIS 100A or equivalent proficiency.
Special Note: May be repeated, but a maximum of three credits only apply to degree programs.

BCIS 110 3 CR
COMPUTER CONCEPTS IN BUSINESS
An introduction to computer concepts from a user's perspective. Covers hardware, software, the information processing cycle, programming, and microcomputer software packages. Emphasis on solving business problems using LOTUS 1-2-3.
Prerequisite: Keyboarding skill of at least 30 WPM recommended.

BCIS 111 1 CR
INTRODUCTION TO LOTUS 1-2-3
Introduction to design and use of electronic spreadsheets. Covers the basic LOTUS 1-2-3 commands and functions needed to create, manipulate, and print spreadsheets.
Prerequisite: Keyboarding skill of at least 30 WPM recommended.

BCIS 111S 1 CR
INTRODUCTION TO LOTUS 1-2-3
Self-paced, independent study of BCIS 111 using individualized instruction materials with faculty assistance in the lab.
Prerequisite: Dept. permission.
Special Note: Approximately 45 hours required to complete course.

BCIS 112 1 CR
INTERMEDIATE LOTUS 1-2-3
Prerequisite: BCIS 111 or equivalent experience.

BCIS 114 1 CR
INTRODUCTION TO MS-DOS

BCIS 140 1 CR
ADVANCED MS-DOS
Continuation of BCIS 140. Teaches additional fundamentals of the operating system and the interaction of hardware and software of an IBM or IBM compatible personal computer (PC). Advanced MS-DOS topics are taught in order to give the student a base of knowledge to work from to completely utilize the PC environment.
This is a fast-paced technically oriented course.
Prerequisite: BCIS 111 or faculty permission.

BCIS 141 1 CR
ADVANCED MS-DOS
BCIS 143 1 CR
INTRODUCTION TO THE MACINTOSH
Cross Listed: OMT 143
A beginning-level, hands-on course designed for home and business use. Topics include desktop/file management, word processing, spreadsheets, databases, and graphics. Instruction is on Macintosh only.
Special Note: Take OMT 151/BCIS 151 for instruction of DOS machines.

BCIS 151 1 CR
COMPUTER LITERACY FOR OFFICE WORKERS
Cross-Listed: OMT 151
Designed for students with little or no computer knowledge or skill. Covers basic vocabulary, hardware and software components, and operating machines. Requires little or no computer knowledge or skills. Includes hands-on experience. Instruction is on DOS machines only.
Special Notes: Take OMT 143 for instruction on the Macintosh.

BCIS 155 3 CR
USING THE CT COMPUTER
Basic overview of user related utilities and system functions available on the Convergent Technologies computer. Applications include the CT system word processor, a spreadsheet (Multiplan), and a database system (IQL). Prerequisite: Keyboarding skill of at least 30 WPM recommended.

CHEMISTRY

CHEM 055 4 CR
CONTEMPORARY CHEMISTRY
Introductory course for students with little or no chemistry background. Covers units of measurement, matter, atoms, periodic table, nomenclature, equations, oxidation-reduction, solutions, calculations, and problem solving. Prerequisite: MATH 055 or equivalent.

CHEM 103 4 CR
SURVEY OF CHEMISTRY
Introductory course for health science majors. Covers units of measurement, periodic table, chemical equations, atomic and molecular structure, chemical bonding, radioactivity, oxidation-reduction, reactions, solutions, acids, bases, and buffers. Introduction to organic chemistry including units covering alkanes, alkenes, alkynes, aromatic compounds, alcohols, phenols, ethers, and halides. Prerequisite: MATH 055 or equivalent, high school chemistry of CHEM 055.

COMPUTER SCIENCE

CS 105 3 CR
FORTRAN PROGRAMMING
Training and practice in writing programs in the FORTRAN language. Emphasis on problem solving with a computer: analysis, flowcharting, testing/debugging, and documentation. Prerequisite: MATH 107 or MATH 270 or faculty permission.

CS 106 3 CR
BASIC PROGRAMMING
Practice and use of the algorithmic approach to logical reasoning using graphic display of algorithms in flowchart form and coding instructions in the BASIC language. Prerequisite: Two years of high school algebra or equivalent with a grade of C or better.
CS 107  3 CR
PASCAL PROGRAMMING  
Training and practice in writing programs in the Pascal language. Emphasis on problem solving with a computer: analysis, flowcharting, testing/debugging, and documentation.
Prerequisite: MATH 107 or MATH 270 or faculty permission.
Special Note: A student may apply no more than 3 credits from CS 107 and CS 201 toward graduation requirements for a baccalaureate degree.

CS 207  3 CR
C PROGRAMMING  
Training and practice in writing programs in the C programming language.
Prerequisite: CS 107, CS 201 or CS 105 or faculty permission.

DIETETICS & NUTRITION

DN 140  2 CR
INTRODUCTION TO NUTRITION  
Fundamentals in science and practice of nutrition. Includes interrelationships of essential nutrients, requirements throughout life cycle, and recommendations for healthy diets. Particular application for nursing, dental, and dietetics students.

DN 203  3 CR
NORMAL NUTRITION  
Cross-Listed: HS 203
Study of nutrition in the life cycle including food sources and requirements of nutrients; physiological and metabolic aspects of nutrient function; food choices, selection and contemporary issues of concern to health professionals and consumers. Prerequisite: BIOL 111 and 112 or CHEM 103 and 104 or faculty permission (courses may be taken concurrently).

ECONOMICS

ECON 101  3 CR
INTRODUCTION TO CURRENT ECONOMIC PROBLEMS (TOPICS VARY)  
A one semester course designed primarily for the student who plans no further work in economics. Utilizes a less rigorous approach than is customary in traditional economics courses and focuses on current economic problems.

ECON 201  3 CR
PRINCIPLES OF MACROECONOMICS  
Introduction to economics; analysis and theory of national income; money and banking; public finance and taxation; and international trade. Primary concentration on the capitalist system and the U.S. economy.
Prerequisite: Knowledge of basic algebra recommended.

ECON 202  3 CR
PRINCIPLES OF MICROECONOMICS  
Theory of prices and markets; industrial organization; public policy; income distribution; and contemporary problems of labor and business.
Prerequisite: ECON 201.

EDUCATION

ED 180  1 CR
BEGINNING SIGN LANGUAGE  
Introductory training in manual communication methods used in the United States. Students will learn how to carry on basic communication with deaf persons via manual mode. Credit will be awarded upon demonstration of mastery of the materials.
ED 181 1 CR
INTERMEDIATE SIGN LANGUAGE
Continued instruction in manual communication methods. Students will become fluent in the most commonly used methods of communicating with deaf persons. Credit will be awarded only upon demonstration of successful mastery of the competencies required in the course. Prerequisite: ED 180.

ED 210 2 CR
AMERICAN SCHOOLS
Examines the sociopolitical environment and various client groups served by the nation’s school system, including a brief overview of the historical development of the nation’s schools. Looks at the diverse characteristics of the emerging population of students who now constitute the nation’s “student body,” the working environment of a teacher, and the emerging definition of excellent teaching practices.

ED 211 1 CR
OBSERVATION OF LEARNING
Teaches prospective educators, parents and other interested students how to observe a learning setting, including observer access and etiquette, and how to identify critical aspects of learner and teacher behavior. Special Notes: Individualized, self-paced, open entry/exit course. All pre-education majors must pass this course in order to take other courses in education. Students attend an orientation session, then hours by appointment. May be repeated as many times as necessary to pass. Grading Policy: Pass/No Pass.

ED 212 2 CR
HUMAN DEVELOPMENT AND LEARNING
Overview of human development, pre-natal to aging, as this impacts learning. Theories of learning, and how learning is studied. Learning style and how it is identified. Characteristics of diversity in learners, as this evolves through development. Prerequisite: ED 211.

EMT 119 4 CR
EMERGENCY MEDICAL TECHNICIAN I
For persons who want to be able to do more for victims of accidents and illnesses. Improves the quality of emergency care provided and is useful for anyone desiring emergency medical training beyond advanced first aid. Provides the necessary level of training to become a state or nationally registered EMT, which is optional. Certificate awarded upon successful completion of course as well as additional testing for those wishing to become a state and/or national registered EMT. Students become proficient in patient assessment, treatment of bleeding and shock, applying splints, recognition of medical emergencies and other basic life support procedures. Prerequisite: Concurrent enrollment in EMT120.

EMT 120 2 CR
EMT FIELD OBSERVATION AND PRACTICE
Practicum course based upon experience in hospitals, emergency rooms, and/or ambulances. Prerequisite: Concurrent enrollment in EMT 119.

ETT 110 4 CR
EMERGENCY TRAUMA TECHNICIAN
Alaska state certified basic emergency medical course beyond advanced first aid. The course emphasizes prevention, assessment, and care of injury and illness commonly encountered in both urban and rural settings.
ENGL 067 1 - 3 CR
GRAMMAR FUNDAMENTALS

ENGL 078 1 - 3 CR
READING FUNDAMENTALS
Basic reading course covering word-attack skills, vocabulary, and comprehension. Individualized instruction based on student's present skill level. Prerequisite: Appropriate score on Reading Placement Test. Grading Policy: Pass/No Pass.

ENGL 100A 1 CR
CLASSROOM SUCCESS SKILLS
Introduction in basic study skills such as note taking, reading for information, and preparing for tests. Also covers coping with college stress and locating learning resources. Grading Policy: Pass/No Pass.

ENGL 101A 1 - 3 CR
VOCABULARY SKILL BUILDING
Increases student's vocabulary through use of different approaches. Includes word recognition drills, practice exercises, and study of word roots, prefixes, and origins.

ENGL 101B 1 - 3 CR
SPELLING SKILL BUILDING
For students needing intensive practice in this skill. Includes phonics, spelling rules, proofreading, practice drills, and use of dictionary.

ENGL 101C 1 - 3 CR
GRAMMAR SKILL BUILDING
Instruction in correct grammatical usage. Includes word choice, parts of speech, agreement of sentence elements, and application in writing.

ENGL 101D 1 - 3 CR
SENTENCE SKILL BUILDING
Instruction in writing effective sentences. Includes parallel structure, coordination, subordination, and precise word choice.

ENGL 101E 1 - 3 CR
REFRESHER WRITING SKILLS
Renews and expands basic writing skills for students interested in general self-improvement. Writing tasks assigned according to individual ability and interest.

ENGL 105 1 - 3 CR
READING STRATEGIES
Open-entry course covering comprehension, vocabulary, and textbook strategies. Encourages wide reading and development of skills necessary for success in freshman courses. Designed to fit with ENGL 106. Prerequisite: Appropriate score on Reading Placement Test.

ENGL 106 3 CR
BASIC COMPOSITION I
Instruction in skills necessary to produce clear written English. Emphasis on standard grammar, sentence structure, punctuation, and single-paragraph compositions. Introduction to use of writing resources. Prerequisite: Appropriate score on English Placement Test.
ENGL 108 3 CR
BASIC COMPOSITION II
Practice in using different forms of paragraph development for specific purposes. Combining paragraphs into short essays. Includes intensive practice in formal punctuation. Prerequisite: ENGL 106 or appropriate score on English Placement Test.

ENGL 111 3 CR
METHODS OF WRITTEN COMMUNICATION
Instruction in composition of expository essays with emphasis on different techniques for organization and development. Documented paper required. Prerequisite: Appropriate score on English Placement Test, SAT Test of Standard Written English, or ACT English Usage Test.

ENGL 121 3 CR
INTRODUCTION TO LITERATURE
Course for non-majors. Introduction to analysis and appreciation of fiction, drama, and poetry. Emphasis on reading and discussion.

ENGL 201 3 CR
MASTERPIECES OF WORLD LITERATURE I
Introductory course for majors and non-majors. Emphasizes understanding literature, forming critical vocabulary, and developing literary judgment. Selected masterpieces from ancient times through the Renaissance. Prerequisite: ENGL 111.

ENGL 202 3 CR
MASTERPIECES OF WORLD LITERATURE II
Introductory course for majors and non-majors. Emphasizes understanding literature, forming critical vocabulary, and developing literary judgment. Selected masterpieces from the Renaissance to the present. Prerequisite: ENGL 111.

ENGL 207 3 CR
AMERICAN PRIZEWINNERS
Interpretation and discussion of selections by American writers who have been honored nationally or internationally.

ENGL 211 3 CR
INTERMEDIATE EXPOSITION WITH READINGS IN LITERATURE
Instruction in writing based on close analysis of literature. Develops a broad range of expository writing skills. Research paper required. Prerequisite: ENGL 111.

ENGL 212 3 CR
TECHNICAL WRITING
Instruction in composition of technical correspondence, informal and formal reports. Develops a broad range of college and career writing skills. Investigative report required. Prerequisite: ENGL 111.

ENGL 213 3 CR
INTERMEDIATE EXPOSITION WITH READINGS IN NONFICTION
Instruction in writing based on close analysis of nonfiction expository prose. Develops a broad range of college and career writing skills. Research paper required. Prerequisite: ENGL 111.

ENGL 235 3 CR
THE ILIAD
Reading and review course covering the 24 books of Homer's Iliad. Emphasis on key myths, mythological figures, and development of oral literature into written form.

ENGL 260A 3 CR
INTRODUCTION TO CREATIVE WRITING
Introduction to two or more types of creative writing and close analysis of each student's work.
ENGL 261  3 CR  ART/LITERARY MAGAZINE PRODUCTION
Students edit and prepare manuscripts for publication, layout magazine pages for the printer, and learn about other aspects of magazine production. Students solicit, evaluate and select material appropriate for a literary magazine: short stories, poetry, essays, artwork, etc. Also covers publicity, marketing and distribution of the finished publication.

FISHERIES TECHNOLOGY

ADT 105  3 CR  BEGINNING DIESEL ENGINES
Fundamentals of basic diesel operation. Includes troubleshooting and preventive maintenance.

FT 100  1 CR  GILLNET HANGING AND REPAIR
Theory and practice of gillnet hanging and repair, specifically applied to Alaska salmon and herring gillnet fisheries, including special techniques. Work on your own net.

FT 101  2 CR  ALASKA TRAWL & MID WATER NETS
Overall view of trawl fisheries and nets in Alaskan waters, net designs, terminology, with emphasis on how to build and repair bottom and midwater nets.

FT 102  1 CR  NET MENDING

FT 103  1 CR  OUTBOARD MAINTENANCE AND REPAIR
Preventive maintenance and troubleshooting of basic outboard motors. Special Note: Student supplies used outboard motor.

FT 113  3 CR  COASTAL PILOTING AND NAVIGATION
Development of navigation techniques and familiarity with local water. Includes chart reading, compass, piloting, aids to navigation, and rules of the road.

FOOD SERVICE TECHNOLOGY

FST 104  2 CR  SANITATION
Thorough study of importance of sanitation in food service. Microbiology, equipment facilities, laws/codes, housekeeping methods, washing dishes and utensils, and handling wastes. A NIFI certification test is available at the end of the course.

GEOGRAPHY

GEOG 103  3 CR  WORLD ECONOMIC GEOGRAPHY
Study of world economic activities. Physical and cultural bases, spatial growth and distribution patterns, and their significance in interregional and international development.

GEOG 109  3 CR  FUNDAMENTALS OF METEOROLOGY
Cross-Listed: PHYS 109
Introductory course in meteorology for non-specialists
Prerequisite: High school math skills.

HETC 120  1 CR
LEARN TO SEW
Basic principles of sewing and simple clothing construction. Includes use of sewing machine, selection of fabrics and patterns, and simple construction techniques. Students must provide own sewing equipment (except sewing machine) and all patterns and fabrics for class projects.

HETC 124  1 - 3 CR
SEWING TOPICS
Flexible workshops offering variety of specialized clothing and textile skill techniques. Prerequisite: HETC 121 or 122 or basic sewing skills. Special Note: May be repeated any number of times, but a maximum of 6 credits applicable toward degree requirements

HUMANITIES

HUM 211  3 CR
INTRODUCTION TO HUMANITIES I
Integrated exploration of fundamental principles of literature, music, philosophy, and visual arts. Prerequisite: ENGL 111.

HUM 212  3 CR
INTRODUCTION TO HUMANITIES II
A study of a given historical period or periods with reference to art, literature, philosophy, and music. Prerequisite: ENGL 111.

HUMAN SERVICES

HUMS 106  3 CR
INTRODUCTION TO SOCIAL WELFARE
Cross-listed: SOC/SWK 106
Analyzes social inequality and American social welfare system. Traces historical development of government response to social inequality. Explores historical and persisting dilemmas—ethical, political, social and economic—explicit and implicit in social welfare provisioning. Assists in understanding of social welfare problems and their solutions. Prerequisite: SOC 101.

HUMS 122  3 CR
SUBSTANCE ABUSE AS A CONTEMPORARY PROBLEM
Examines cultural values and norms, and social attitudes toward alcohol and drug abuse. Impact of abuse on personal functioning and interpersonal relations.

HUMS 131  3 CR
INTRODUCTION TO THE FAMILY TEACHING MODEL
Theory, techniques, and practices of the family teaching model for social skills training in family and group settings. Grading Policy: Pass/No Pass.

HUMS 150  3 CR
MARRIAGE, DIVORCE AND INTIMATE RELATIONSHIPS IN THE 90'S
Exploration of behaviors, values, attitudes and consequences of contemporary patterns of marriage, divorce and intimate relationships from the perspectives of American culture, ethnic groups and students. Issues examined include values and attitudes toward family, sex roles, sexuality, marriage and divorce; six traditional and contemporary relationship options; dynamics of intimate relationships; and relationships in the future.

HUMS 153  3 CR
HUMAN RELATIONS
Cross-Listed: PSY 153
A survey of human relations to include communication, problem solving, interaction, relationship, choice and change skills.

<tr>
<td>MATH 054</td>
<td>PRE-ALGEBRA</td>
<td>3 CR</td>
<td>Basic concepts of pre-algebra mathematics. Includes arithmetic operations and applications, whole numbers, fractions, decimals, ratio and proportion, percent, area and volume, exponents, radicals, signed numbers, and solution of simple equations. Special Note: Equivalent to MATH 050. Credit will not be given for both MATH 050 and MATH 054. Math Placement Test not required.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>MATH 055</td>
<td>ELEMENTARY ALGEBRA</td>
<td>3 CR</td>
<td>Beginning algebra course. Includes operations with signed numbers and polynomials, factoring, exponents, radicals, algebraic fractions, solution of linear equations, systems of equations, linear inequalities, and quadratic equations. Basic graphing. Prerequisite: MATH 054 with grade of C or higher or Math Placement Test</td>
<td></td>
<td></td>
</tr>
<tr>
<td>MATH 065</td>
<td>PLANE GEOMETRY</td>
<td>3 CR</td>
<td>Fundamental concepts of plane geometry. Methods of proof, elementary logic, congruent triangles, parallel lines, angle relationships, ratio, proportion, similarity, regular polygons, circles, and constructions. Prerequisite: MATH 055 or 060 with grade of C or higher or Math Placement Test.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>MATH 102</td>
<td>BUSINESS MATH</td>
<td>3 CR</td>
<td>Designed for students with a modest mathematical background who wish to develop skills in applied business mathematics and financial matters. Topics include simple and compound interest, notes, present value, trade and cash discounts, markup/markdown, payrolls, depreciation, casualty insurance, sales and property tax, installment buying and business statistics.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>MATH 103</td>
<td>CONCEPTS OF MATHEMATICS</td>
<td>3 CR</td>
<td>A cultural sequence for students with limited background in mathematical thought and history. Emphasizes mathematical reasoning rather than formal manipulation. Exposes non-math students to diversity of topics in mathematics and teaches deductive reasoning. Topics chosen from arithmetic, geometry, number theory, topology, algebra, and analysis.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>MATH 105</td>
<td>INTERMEDIATE ALGEBRA</td>
<td>3 CR</td>
<td>Presumes solid foundation in elementary algebra. Includes sets, properties of real numbers, exponents and radicals, solution of first and second degree equations and inequalities. Also covers word problems, fundamental operations with polynomials, factoring, special products, rational expressions, functions, conic sections, Cartesian graphing of first and second degree equations and inequalities, systems of equations, and introduction to logarithmic and exponential functions. Prerequisite: MATH 055 or 060 with grade of C or higher or Math Placement Test.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>MATH 107</td>
<td>COLLEGE ALGEBRA</td>
<td>4 CR</td>
<td>Review and extension of topics from MATH 105. Covers logarithmic and exponential functions, binomial theorem, graphs and equations of conic sections, solution of equations greater than second degree, mathematical induction, combinatorics and probability, function theory, inverses, inequalities, determinants, matrices and systems of equations, sequences and series. Prerequisite: MATH 105 or two years of high school algebra with grade of C or higher or Math Placement Test. Special Note: Students may apply no more than seven credits from any combination of MATH 106, 107 and 108 toward the graduation requirements for any baccalaureate degree.</td>

</table>
MUS 124  3 CR
HISTORY OF JAZZ
History and development of jazz from its early heritage to the present, emphasizing representative styles and individual or group contributors. Recordings, guest artists, and possible field trips enhance regular classroom activities.

OFFICE MANAGEMENT AND TECHNOLOGY

OMT 082  3 CR
CLERICAL ACCOUNTING I
Includes elements of accounting, accounting equation, and analysis of all business transactions.

OMT 083  3 CR
CLERICAL ACCOUNTING II
Introduces subsystems and procedures for handling cash receipts, cash payments, purchases, sales, personnel and payroll (new), and general accounting as well as the complete accounting cycle of a merchandising business. Prerequisite: OMT 082.

OMT 084  2 CR
CLERICAL ACCOUNTING III
Procedures for handling uncollectible, accounts, depreciation, inventory, and credit card sales is covered. How computers are used to provide information for decision making is described in non-technical language. Prerequisite: OMT 083.

OMT 101  3 CR
KEYBOARDING: ELEMENTARY
Basic keyboarding skills emphasizing correct techniques and development of speed and accuracy. Introduces centering, personal and business letters, envelopes, tables, and manuscripts. Requires no previous typing training. Special Note: Regular and open-entry classes available.

OMT 101A  1 CR
KEYBOARDING A
Introductory keyboarding covering techniques and mechanics of learning to type by touch.

OMT 101B  1 CR
KEYBOARDING B
Introduces centering, letters, and envelopes, and emphasizes speed and accuracy development. Prerequisite: OMT 101A.

OMT 101C  1 CR
KEYBOARDING C
Introduces tables and reports and emphasizes speed and accuracy development. Prerequisite: OMT 101B.

OMT 102  3 CR
INTERMEDIATE KEYBOARDING APPLICATIONS
Applies keyboarding skills to special letters, tabulations, manuscripts, business forms, and other office applications. Develops speed and accuracy. Prerequisite: OMT 101 or equivalent and OMT 242F or equivalent.

OMT 109  1 CR
KEYBOARDING SKILLBUILDING
Keyboarding drills to improve speed and/or accuracy on straight copy. Prerequisite: OMT 101A. Grading Policy: Pass/No Pass. Special Note: May be repeated up to three times with only one credit in each semester. Open-entry, individualized course.

OMT 110  1 CR
CALCULATORS
Basic operation of electronic calculators with application in solving business problems. Special Note: Open-entry, individualized course.

<td>RECORDS MANAGEMENT</td>
<td>Presents principles used in management of information and records. Covers controls related to creation, use, maintenance, protection, retrieval, and disposition of records. Includes application of microforms and forms control.</td>
</tr>
<tr>
<td>OMT 278</td>
<td>3 CR</td>
<td>INTERPERSONAL SKILLS IN ORGANIZATIONS</td>
<td>Orientation to human problems encountered and personal adjustments needed to succeed in business careers.</td>
</tr>
</tbody>
</table>
OMT 295  1-6 CR
OFFICE INTERNSHIP
Places students in business offices related to their educational programs and occupational objectives. Includes seminar with faculty coordinator.
Prerequisite: Twelve credit hours in OMT and faculty permission.
Special Note: Open-entry, individualized course.

PARALEGAL STUDIES
PARL 101  3 CR
INTRODUCTION TO LAW
Introduces legal processes in democratic society. Includes skills for conducting basic legal research.

PARL 215  3 CR
PARALEGAL STUDIES
Foundation course for legal studies area. Explores role, responsibilities, and ethics of paralegal activities and relationship of paralegals to lawyers. Study of paralegal responsibilities including statute and regulation formats, litigation, insurance, probate and real estate. Covers interviewing, investigation, writing and application of social science techniques to paralegal problems.

PARL 238  3 CR
CIVIL PROCEDURE
Introduction to procedural concepts of civil litigation with an emphasis on jurisdiction, venue, service of process, parties, pleading and discovery, trial processes, appellate review, and the common law doctrine of res judicata. Types of pleadings in civil actions, including complaints, answer and reply, joinder of parties and claims, class actions, discovery, motion practice, trial, and appeal. Prerequisite: PARL 101.

PHILOSOPHY
PHIL 101  3 CR
INTRODUCTION TO LOGIC
Analyzes argumentation and informal fallacies; introduces deductive logic, and examines inductive evidence in scientific and practical reasoning.

PHIL 201  3 CR
INTRODUCTION TO PHILOSOPHY
Introduces works of influential thinkers, both ancient and modern, in the Western philosophical tradition. Emphasizes central problems of knowledge, reality, and good and evil.

PHYSICAL EDUCATION AND RECREATION
PER 113  1 CR
SHAPE UP WITH WEIGHTS
Warm-up with stretching and jogging. Strengthens and conditions major muscle groups using free weights and nautilus equipment. Covers cardiovascular exercise and basic nutritional information.
Special Note: May be repeated for credit.

PER 114  1 CR
BEGINNING WEIGHT TRAINING
Improves strength, physical conditioning, and general sports performance through correct use of nautilus equipment, free weights and use of body weight and resistance.
Special Note: May be repeated for credit.

PER 115  1 CR
YOGA
Participation in Kundalina Yoga. Includes physical exercise, breathing techniques and practice in concentration and deep relaxation.
Special Note: May be repeated for credit.
PER 118  1 CR
AEROBICS
Exercise to music for cardiovascular, flexibility, and strength improvement.
Special Note: May be repeated for credit.

PER 119  1 - 3 CR
BEGINNING KARATE
Introduces main techniques of karate. Covers three main aspects: individual training, applied training with opponent, and auxiliary exercises to increase skills.
Special Note: May be repeated for credit.

PER 123  1 CR
BEGINNING BOWLING
Fundamentals for the beginner. Covers bowling technique, posture and position, and scoring.
Special Note: May be repeated for credit.

PER 219  1 - 3 CR
INTERMEDIATE KARATE
Continuation of PER 119. Covers basic review, injury, prevention, philosophy, introduction to various schools and styles, and conditioning. Emphasis on refinement of basic moves, offensive and defensive strategies, and acquisition of intermediate moves and techniques.
Prerequisite: PER 119 or equivalent skills.
Special Note: May be repeated for credit.

PER 223  1 CR
INTERMEDIATE BOWLING
Provides bowling instruction to the person who knows basic techniques and wishes to further develop skills.
Prerequisite: PER 123 or equivalent skills.
Special Note: May be repeated for credit.

POLITICAL SCIENCE
PS 101  3 CR
INTRODUCTION TO AMERICAN GOVERNMENT
An introduction to the historical and constitutional foundations of American government; the political activities of parties, groups, and the media; public decision-making by the executive, Congress, and the courts; and current economic, environmental, social, and foreign issues and policies.

PSYCHOLOGY
PSY 111  3 CR
GENERAL PSYCHOLOGY
Introduces psychology through presentation of outstanding research and theories. Includes physiological, developmental, abnormal, perception, motivation, learning, and personality.

PSY 112  1 CR
PSYCHOLOGY SHORT COURSES
Presents topics in general psychology. Specific topics to be announced.
Special Note: May be repeated for a maximum of 3 credits.

PSY 130  1 CR
CRISIS LINE/SHELTER ADVOCACY
Basic listening skills and crisis intervention techniques. Overview of domestic violence, adult and child sexual assault, legal alternatives, and community resources.
<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
<th>Title</th>
<th>Description</th>
<th>Prerequisites</th>
</tr>
</thead>
<tbody>
<tr>
<td>PSY 135</td>
<td>1 CR</td>
<td>DOMESTIC VIOLENCE AND SEXUAL ASSAULT ADVOCACY TRAINING</td>
<td>In-depth review of fundamentals of domestic violence and sexual assault advocacy with specific emphasis on law enforcement, legal, medical, and social services. Focuses on regulation and program standards, dynamics of advocacy case work, development of techniques of effective interaction with clients, and working knowledge of community resources.</td>
<td></td>
</tr>
<tr>
<td>PSY 150</td>
<td>3 CR</td>
<td>HUMAN DEVELOPMENT</td>
<td>Reviews aspects of human development and changes which occur during a person's lifetime. Covers prenatal period, infancy, early and middle childhood, adolescence, and early, middle, and late adulthood.</td>
<td></td>
</tr>
<tr>
<td>PSY 153</td>
<td>3 CR</td>
<td>HUMAN RELATIONS</td>
<td>Cross-Listed: HUMS 153 A survey of human relations to include communication, problem solving, interaction, relationship, choice and change skills.</td>
<td></td>
</tr>
<tr>
<td>PSY 265</td>
<td>3 CR</td>
<td>PSYCHOLOGY OF ABNORMAL BEHAVIOR</td>
<td>Identifies continuum from normality through everyday upsets and emotional crisis to extremely deviant behavior. Current DSM nomenclature is used. Prerequisite: PSY 111 or faculty permission.</td>
<td></td>
</tr>
<tr>
<td>RUSS 102E</td>
<td>3 CR</td>
<td>ELEMENTARY RUSSIAN II</td>
<td>Students learn rudiments of Russian grammar while continuing to build vocabulary and conversational skills. Use of Soviet newspapers, magazines and atlases to enhance reading skills. Prerequisite: RUSS 101E or equivalent.</td>
<td></td>
</tr>
<tr>
<td>SOC 101</td>
<td>3 CR</td>
<td>INTRODUCTION TO SOCIOLOGY</td>
<td>Introduction to science of humans as social animals, emphasizing social processes which give rise to and shape human's language, experiences, perception, meaning, and behavior. Multiple frameworks used in understanding and predicting human behavior.</td>
<td></td>
</tr>
<tr>
<td>SOC 201</td>
<td>3 CR</td>
<td>SOCIAL PROBLEMS AND SOLUTIONS</td>
<td>Survey of some of today's major social problems such as criminal and violent behavior, corporate crime, sexual deviations, health problems, poverty, discrimination, urban decay, and environmental pollution. Examines how social issues become social problems, the causes of problems, and the dynamics involved in arriving at policies and solutions.</td>
<td></td>
</tr>
</tbody>
</table>
SOC 222 3 CR
SMALL AND RURAL COMMUNITIES
Overview of organization, viability, change and problems of small communities and villages in rural areas; their relations to larger and regional systems; and factors which affect their future as autonomous units.

SOC 242 3 CR
AN INTRODUCTION TO MARRIAGE, FAMILY AND INTIMATE RELATIONSHIPS
Introduction to sociological study of contemporary patterns relating to marriage, family and other intimate relationships. Also explores impact of gender roles, ethnicity and racial background on beliefs, values, attitudes and behaviors. Prerequisite: A social science course recommended.

SOCIAL WORK

SWK 106 3 CR
INTRODUCTION TO SOCIAL WELFARE
Cross-Listed: HUMS/SOC 106
Analyzes social inequality and the American social welfare system. Traces historical development of government response to social inequality. Explores historical and persisting dilemmas—ethical, political, social and economic—explicit and implicit in social welfare provisioning. Assists in understanding of social welfare problems and their solutions.
Prerequisite: SOC 101.

SPANISH

SPAN 101E 3 CR
ELEMENTARY SPANISH I
Foundations of Spanish: alphabet, proper pronunciation, basic vocabulary and sentence structure. Grammar covers articles, gender of nouns, adjectives, pronouns, and regular/irregular verb patterns through preterite tenses. Emphasizes speaking and understanding Spanish through frequent classroom practice and lab exercises.

SPAN 102E 3 CR
ELEMENTARY SPANISH II
Foundations of oral and written Spanish: continuation of basic Spanish vocabulary and grammar. Imperfect, future and conditional tenses, including their compound forms, will be studied along with other verbal patterns. Prerequisite: SPAN 101E or equivalent.

SPAN 201E 3 CR
INTERMEDIATE SPANISH I
Reviews fundamental structures of Spanish grammar and vocabulary. Gives special attention to command forms and present and past subjunctive. Familiarizes students with sound and usage of the language by taking dictation, reading and writing short compositions. Enhances conversation through thematic vocabularies and idiomatic expressions. Prerequisite: SPAN 102E or equivalent.

SPAN 202E 3 CR
INTERMEDIATE SPANISH II
Continuation of SPAN 201E. Includes review of grammar and new vocabulary and expressions. Emphasizes reading and writing of short compositions or essays. Articles from magazines and newspapers on issues of current interest will be analyzed and discussed to expand ability of students to read, write and speak fluently. Prerequisite: SPAN 201E or equivalent.

SPEECH

SPCH 111 3 CR
FUNDAMENTALS OF ORAL COMMUNICATION
Talking with greater ease and listening more effectively in individual and group situations. Improvement in organizing ideas and exchanging thoughts, opinions, information and data. Practice in understanding and using language and the informative speaking process. Students practice speaking and listening skills by participating in group activities and by giving individual speeches.
THEATRE

THR 101 1 - 3 CR
THEATRE PRACTICUM: PERFORMANCE
Participation in main stage productions as an actor, director, or assistant director.

THR 201 1 - 3 CR
THEATRE PRACTICUM: TECHNICAL
Participation in main stage productions as member of technical staff. Credit for scene crew, light crew, props, costume crew, make-up crew, stage management, and publicity.

VOCATIONAL SKILLS

VS 100 2 CR
BEGINNING WOODWORKING
Basics of sound wood design, stock selection, hand and machine tools, cutting and shaping, fastening, surface preparation, stains and finishes.

VS 150 2 CR
INTERMEDIATE WOODWORKING
Advanced use of hand and power tools including the wood lathe. Students will build a variety of assigned projects.
Prerequisite: VS 100

VS 200 2 CR
ADVANCED WOODWORKING
Advanced version of VS 100 with emphasis on complex assembly techniques. Covers care and use of machines in building items made from wood.
Prerequisite: VS 100 or experience in the field

VS 201 3 CR
TRADITIONAL KAYAK CONSTRUCTION
Build your own traditional Kodiak or Greenland style kayak. Instruction includes Konig kayak history and lore. Each class member will build their own sea kayak frame.
Prerequisite: VS 100 or equivalent

WELDING TECHNOLOGY

WELD 115 2 CR
BASIC SHIELDED METAL ARC WELDING
Beginning course designed to teach basics in welding steel, using the shielded metal arc welding (SMAW) process. TV-tape lessons and demonstrations consist of a series of intensive, highly structured skill building exercises in stick welding. Covers four basic joints in all four positions. Also includes brief exposure to cutting techniques with stick, shear, arc/air and oxyacetylene torch.
FACULTY, STAFF AND BOARDS

FULL-TIME FACULTY

BANE, GILBERT - 1988 - Science/Fisheries
California State University, 1954, B.S.; Cornell University, 1961, M.S.;
Cornell University, 1963, PhD.

BEVANS, RICHARD - 1990 - Business Administration/Computers
Pacific Lutheran University, 1980, B.A; Indiana University, 1982, M.A.

BROCKMAN, SUSAN - 1979 - Mathematics/Music
Colorado State University, 1964, B.S.; University of Alaska, 1968, M.S;
Pacific Lutheran University, 1976, M.A.

CLEARY, BRIAN J. - 1991 - Computers
California State University, 1979, B.A.; California State University, 1981, M.A.;
University of Oregon, 1984, M.S.

HATFIELD, CHARLOTTE - 1975 - Librarian/Media
Oregon College, 1969, B.S.; Oregon College, 1974, M.S.

JAMIN, CHRISTINE - 1981 - Counseling/Adult Education
College of St. Rose, 1968, B.A.; Oregon State University, 1981, M.E.

STEVENS, GARY - 1975 - Speech/Theatre/History
University of Oregon, 1984, PhD.

WARNER, IRVING - 1985 - English/Writing
University of Alaska, Fairbanks, 1972, B.A.; University of Maine, Orono, 1983, M.A.

WISCHER, KATHLEEN - 1988 - Office Management & Technology
Western Michigan University, 1968, B.S.

STAFF

Kenneth Boyer .............. Custodian
Barbara Cristaldi ........ Administrative Ass't
Violeta Doctolero .......... Book Store
Fae Gaines .................. Registrar
Carol Hagel ................ College Director
Karen Hamer ............... Accounting
Benjamin Justiniano ....... Custodian
Steven Kreber .............. Channel 11
Elaine Loomis ............. Single Parent Project
Patricia Mahoney ........... Personnel
John Mahoney .............. Program Coordinator
Patsy Malutin ............. Receptionist
Jane Petrich ............... Village Outreach
Stuart Roberts ............. Business Manager
D. Michael Treston .......... Maintenance
PART-TIME FACULTY
Approximately 60 part-time instructors teach courses each semester.

VILLAGE INSTRUCTORS
Instructors are hired for the villages of Akhiok, Karluk, Larsen Bay, Old Harbor, Ouzinkie, and Port Lions.

KODIAK COLLEGE ADVISORY COUNCIL

Jeff Stephan  Linda Freed  Cmdr. Brad Troth
Doneen Tweten  Margaret Hall  Ginny Shank
Jack Hill  Suzanne Hancock  Judy Fulp
James Peotter  Anna Moran  Kathy Roberts
John Witteveen  Michael Myers  Carol Hagel, ex-officio
