## Tuition

Tuition is determined by:

- the number of course credit hours,
- the level (e.g., 100-level, 200-level) of the course, and
- the student's residency status.

Students taking 4 or fewer credits are charged at the resident rate.

### **Tuition for Academic Year 2014-15**

Course Level	Resident	Nonresident
Undergraduate lower division (course numbers 050-299)	\$174 per credit hour	\$618 per credit hour
Undergraduate upper division (course numbers 300-499)	\$210 per credit hour	\$654 per credit hour
Professional development (course numbers 500-599)	Tuition costs vary - contact the academic department or refer to specific course listing on UAOnline	Nonresident fees do not apply
Graduate (course numbers 600 - 699)	\$403 per credit hour	\$823 per credit hour

### **Resident and Nonresident Tuition**

A person eligible for resident tuition is a person who, at the end of the add/drop period for semester-length courses, is a U.S. citizen or eligible non-citizen who has been physically present in Alaska for two years and who declares the intention to remain in Alaska indefinitely. The University of Alaska policy on resident and nonresident tuition may be referenced in the current University of Alaska Board of Regents' Policy and University Regulation, Chapter 05.10 Tuition and Student Fees, at [www.alaska.edu/bor/policy-regulations](http://www.alaska.edu/bor/policy-regulations).

The Application for Resident Tuition Assessment may be found at [www.uaa.alaska.edu/futurestudents/residency.cfm](http://www.uaa.alaska.edu/futurestudents/residency.cfm). The deadline for requesting residency and submitting all required documentation is before the add/drop deadline of the first semester in which residency is sought.

Nonresident students who restrict their registration to 4 or fewer credits each semester will be charged resident tuition. Nonresident students taking 5 or more credits are assessed nonresident fees on all academic credits.

### **Senior Citizen Tuition Waiver**

UAA welcomes senior citizens to its classrooms and waives tuition for those eligible under Board of Regents policy R05.10.080. To qualify, students must be age eligible to receive full Social Security retirement benefits. Individuals who were eligible for senior citizen tuition waivers on Sept. 21, 2005, under the previous policy, shall continue to be eligible for a waiver. The Student Government, Student Media and Student Activities fees are waived for senior citizens receiving a tuition waiver. Other course fees, such as an art class supply fee, are not waived.

Students should complete a Tuition Waiver Request, available at the University Center or [www.alaska.edu/files/benefits/2013-Sr-tuition-waiver-form.pdf](http://www.alaska.edu/files/benefits/2013-Sr-tuition-waiver-form.pdf). Waiver forms should be completed and submitted, with proof of age eligibility, to the UAA Cashiering Office in the University Center.

Senior citizens using a tuition waiver can register on or after the first day of class and on a space-available basis. Waivers will not apply if the student has registered prior to the first day of class.

Senior citizens electing to pay full tuition and fees may register before instruction begins; however use of a senior citizen tuition waiver will not be accepted. Senior citizens electing to pay tuition and fees are subject to all payment deadlines. Refunds will not be available to senior citizens who drop courses and then re-register in the same course using a tuition waiver.

## Fees

### **Mandatory Student Fees**

Mandatory student fees are charged to all students (including secondary school students) registering in 3 or more credits for courses held on the Anchorage campus, based on the total registration once the 3-credit on-campus criteria is met, with the exception of the Facilities and Technology fees, which are charged beginning at 1 credit. The Aviation Complex, King Career Center and University Center are considered on-campus facilities for purposes of fee assessment. Student fees are not refundable unless the student totally withdraws during the 100 percent refund period.

For summer semester, students may elect to pay certain student fees if they are registered in 1 to 2 credits in one semester. The Student Life Fee for students registered in fewer than 3 credits is set as a fixed rate.

Contact the Issue Cage in the Wells Fargo Sports Complex (or Alaska Airlines Center for summer 2015 semester) for information about the Athletics/Sports Complex Fee; contact Student Activities in the Student Union regarding the Student Activity Fee.

Student Health and Counseling Center services are not available to students registered in fewer than 6 academic credits.
