What students are saying about UOnline:

.....

"I am a novice when it comes to computers, so I think it's safe to say if I can successfully find my way around this site, anyone can!"

"As a working mother, I appreciate the access to services that did not require a trip to the college."

"Everything was really simple! I am on here every day checking on things with financial aid."

"I like that you can access almost everything you need to know about UAA and other University of Alaska sites."

Failure to read the Class Schedule or the UAA Catalog does not excuse the student from the rules and procedures described in those documents. The University reserves the right to change or withdraw courses; to change the fees, rules, and calendar for admission, registration, instruction, and graduation; and to change other regulations affecting the student body at any time.

Check the course schedule online for updated information.

The University of Alaska Anchorage has a strong institutional commitment to the principles of diversity and takes affirmative action to achieve that end. The University does not discriminate in its educational and employment programs and activities on the basis of race, color, religion, national origin, age, sex, Vietnam era or disabled veteran status, physical or mental disability, changes in marital status, pregnancy or parenthood.

Our Center for Human Development at UAA offers

- 35 grant funded programs supporting people with disabilities in the community
- connection with disability agencies across Alaska
- UAA interdisciplinary internships

STEP 1: GET STARTED

ADMISSION - PIN - ADDRESS CHANGE - ADVISING

It is the student's responsibility to be aware of the dates and deadlines in this publication.

OPEN ENROLLMENT AND ADMISSION POLICY

Starting Fall 2004, everyone who wants to take classes at UAA must be admitted to the University as either a degree-seeking or non-degree-seeking student. If you have not taken classes since Summer semester 2004, please go to the Registration Link www.uaa.alaska.edu/admissions/wizard.cfm to become eligible for registration. All students who have taken classes since Summer semester 2004 may proceed directly to UAOnline: <http://uaonline.alaska.edu>.

UAA's open enrollment policy allows students to register for courses in which they have adequate background. To qualify for admission, a student must meet the following requirements:

- 1) Have earned a high school diploma or the equivalent (GED); or
- 2) Be 18 years of age or older and have participated in UAA's assessment and advisement process (see section below); or
- 3) Qualify under special University programs; and
- 4) Complete the registration process at www.uaa.alaska.edu/admissions/wizard.cfm.

Admission as a non-degree seeking student does not guarantee future admission to a degree program. Credits earned as a non-degree seeking student may be applied to degree programs only as specified in admission to the individual degree seeking programs.

PIN - PERSONAL IDENTIFICATION NUMBER

<http://uaonline.alaska.edu> (select Login to Secured Area, follow the prompts)

A PIN is the 6-digit personal password that will enable a student to register for courses, verify/update a mailing address, view account summary, pay account, view holds, print semester grade reports, and print unofficial transcripts. It is initially set as the month, day, and year of your birth, for example: April 1, 1977, enter 040177 (mm/dd/yy).

If your PIN has expired, follow the instructions provided on UAOnline and enter a new 6-digit PIN.

If your PIN is invalid, it is different than the numbers you are entering, try the Forgot PIN button.

If you cannot remember it, try the Forgot PIN button.

If your PIN is disabled, submit a written request for PIN reset to Enrollment Services along with a copy of your picture ID that includes your signature. The PIN will be reset to your date of birth. If the system says you do not have a PIN, contact the Help Line at 786-1480.

Protect the security of your PIN by keeping it private and changing it frequently.

*** APPLICATION DEADLINES ***

Application for Admission to Degree-Seeking Status for Fall 2005: July 1

Application for Graduation for Spring 2006: September 15

CHECK/CHANGE ADDRESS ON UAONLINE

It is important to keep your address of record up to date. Billings, refunds, and financial aid disbursements may be mailed to you. If your address has changed, you may update it online at <http://uaonline.alaska.edu>. Login to Secured Area, then select Personal Information, followed by Update Address and Phone.

ACADEMIC ADVISING

The goal of academic advising is to assist students in developing educational plans consistent with career/life goals and to provide them with the information and skills needed to pursue those goals. It not only involves telling students what they need to know, but also aims to enable them to discover things for themselves. Academic success is often greater when students and their advisor share a good working relationship. It is important to know who your advisor is and to seek advice often.

DEPARTMENTAL ADVISING

Admitted students with a declared major are assigned to a faculty advisor within the academic department offering the major. The advisor can guide the student on University policies and procedures, general and degree requirements, and career options.

ADVISING AND TESTING CENTER

Those admitted to UAA as baccalaureate students indicating an "undeclared" major, and students admitted to the Associate of Arts degree are assigned to the Advising and Testing Center. Students attending as non-degree seeking may also seek advisement through the Center.

Professional advisors provide multiple services for prospective and enrolled UAA students. Services include academic advising, testing and assessment, and career counseling. For further information, or to schedule an appointment with an advisor, go to the University Center, Room 112, or call (907) 786-4500. Center information may be found on the website at <http://advise.uaa.alaska.edu>, and general advising questions may be emailed to ayadvisetest@uaa.alaska.edu.

BACCALAUREATE STUDENTS: ADVICE FOR CHOOSING GENERAL EDUCATION REQUIREMENTS (GER) COURSES

Q: What are the differences between ENGL A211, A212, A213 and A214?

A: English A211: Academic Writing About Literature Provides instruction in writing based on close analysis of literature. Students are introduced to a variety of critical strategies current in the discipline; they use these approaches in writing about short stories and poems. Typical assignments include paraphrasing, close reading, theme statements, abstracts, and short analytical papers. A research paper is required, composed and documented in MLA style. The course is designed for English majors and other humanities majors.

English A212: Technical Writing Provides instruction in the composition of technical and business correspondence and reports. Typical assignments include memos, letters, proposals, graphics, and reports. An investigative report based on primary research is required, composed and documented in APA style. Taught in a computer classroom, the course is designed for students in business, engineering, and computer-related fields. Required for baccalaureate degrees in Business and Technology.

English A213: Writing in the Social and Natural Sciences Provides instruction in writing based on close analysis of readings in the social and natural sciences. Typical assignments include summary, annotated bibliography, literature review, and analysis of discipline-specific discourse codes in the student's major. A qualitative or quantitative research report is required, composed and documented in APA style. The course is designed for students in the social and natural sciences.

English A214: Persuasive Writing Provides instruction in methods of persuasive writing, drawing upon both classical and modern approaches to argument. Students will study principles of persuasion and practice a variety of modes of persuasive writing for different audiences and contexts. Typical assignments include a proposal for a policy change, a recommendation letter, and an analysis of the effectiveness of a text. A research paper is required using either MLA or APA documentation. This course is designed for students in education, justice, and other disciplines that require argumentation.

**Q: What courses can meet the 3-credit
Communication requirement?**

A: COMM A111 Fundamentals of Oral Communication
COMM A235 Small Group Communication
COMM A237 Interpersonal Communication
COMM A241 Public Speaking

*Important: Please refer to the UAA Catalog
for possible course prerequisites
and registration restrictions.*

**Q: What natural science courses are most

STEP 2: PLAN FOR SUCCESS

CHECKLIST

Please check the following before you start the new semester.

- ☐ Read all information in the front pages of this class schedule. It is the student's responsibility to be aware of the dates and deadlines in this publication.
- ☐ Apply for admission. Make sure you have registration access. If you are a new student, access may be obtained through the Registration link at www.uaa.alaska.edu/admissions/wizard.cfm.
- ☐ Meet with your major advisor or an advisor in the Advising and Testing Center for assistance in selecting your courses.
- ☐ Review any registration restrictions, prerequisites, and special notes that may be associated with the courses you select (for example, completion of Math or English Placement Test).
- ☐ Attend New Student Orientation if this is your first semester.
- ☐ Determine if the forms located at the back of this schedule need to be submitted:
 - Course Time Conflict Form
 - Proxy For Registration Form
 - Secondary School Student Enrollment Form
 - Tuition Payment Form
- ☐ Verify financial aid and check disbursement information. (See page 18 of this schedule for details.)
- ☐ Check <http://uaonline.alaska.edu>, and select the Class Schedule link for course offering updates. Be sure to check the start dates and locations of each course for which you register.
- ☐ Register for classes through UAOnline.
- ☐ Pay tuition and fees before published deadlines to avoid being dropped from your courses and charged a Cancelled Registration Fee (CRF). Students will be responsible for payment for courses.
- ☐ Purchase books and supplies at the Bookstore.
- ☐ Remember to officially drop or withdraw by the published deadlines if you decide at any time that you are unable to complete a course. Failure to do so will result in a grade of "F" for non-attendance and may affect your financial aid and grade point average (GPA).
- ☐ Be aware of class locations. The UAA campus is over a mile long and the University Center facility is 1.2 miles from the main campus. Seawolf Shuttles provide an easy way to move between buildings on the campus. However, it takes time to ride the shuttle and walk to your classroom. When enrolling for classes, allow extra time to reach widely separated buildings. University Center courses are designated with the location code of UC.

AT THE UNIVERSITY OF ALASKA ANCHORAGE, SAFETY IS EVERYBODY'S BUSINESS!

We care about your safety on campus. While relatively safe, our campus is not a sanctuary from crime or accidents which still occur no matter how hard we try to prevent them. You are encouraged to be responsible for your own safety and to bring safety concerns to the attention of UAA faculty or staff or contact the University Police Department at **786-1120** when you observe an unsafe environment. For your own safety, please try to take the time to locate the nearest exit and emergency telephone when you are in campus buildings.

REGISTRATION BY PROXY

Students unable to register in person may have a proxy register for them. The student must provide the proxy with a signed Proxy for Registration Form or other signed authorization to do so. The proxy must submit the signed authorization and picture ID at the time of registration. A **Proxy for Registration Form** is available in the back of this class schedule or from Enrollment Services. The proxy must follow the policies and calendar governing registration. Spouses, parents, and friends are required to have a signed authorization to register for another person, including secondary school students.

September 2: Payment for registrations between **April 4 - September 2**. Failure to pay by this date could result in students being dropped from their courses for non-payment and a \$50/\$100 CRF (Cancelled Registration Fee) being charged.

September 12: Payment for registrations from **September 3 - 12**. Failure to pay by this date could result in students being dropped from their courses for non-payment and a \$50/\$100 CRF (Cancelled Registration Fee) being charged.

- After **September 12** - UAA will not initiate drop for non-payment
- After **September 12** - students must withdraw themselves from courses they will not be completing. They will be charged for the tuition/fees and could receive a grade of "F" for non-attendance.

September 13 and later: For registrations on **September 13**, or later, payment is due the day of registration.

Secondary school applicants may be admitted on a semester-by-semester basis to non-degree seeking status.

1. Apply for admission as a non-degree-seeking student online at <http://uaaonline.alaska.edu>. At Application Type, select UAA Secondary School. Or, contact Enrollment Services or your community campus for assistance.

2. Print a copy of the Secondary School Student forms from the Registration Process and Required Forms link at http://curric.uaa.alaska.edu/admreg/Secondary_Student_Forms.pdf, or use the forms provided near the back of this schedule.

3. Complete the Student Information section of the *Secondary School Student Signature Form*. The form must be signed and dated by the student.

4. Obtain all signed approvals on the *Secondary School Student Signature Form* as specified on the registration process form in the back of this schedule.

5. Complete a *Proxy for Registration Form* if someone other than the student is processing the request. This should be signed by the student and parent/guardian. The form may be found near the back of this schedule.

6. Submit the *Secondary School Student Signature Form* to the UAA Enrollment Services Director or community campus director for review and final approval.

7. Register on a space available basis, as priority is given to degree-seeking students. Enrollment may not exceed seven (7) credits per semester; prerequisites must be met; courses must be at the 200-level or below.

For complete program information and requirements, please refer to the UAA course catalog, now available online at www.uaa.alaska.edu/enrollmentservices/catalogs_schedules.cfm.

The Family Educational Rights and Privacy Act (FERPA) and University policy prevent the university from giving out any information about a minor student to parents or guardians without the written consent of the student.

***The University of Alaska has established generated ID numbers and moved away from the practice of using social security numbers as default ID numbers. This project is in response to student and staff requests and will establish a practice that helps reduce the risk of identity theft and fraud for the UA community. The conversion of social security numbers to generated IDs was completed on June 6, 2004. (Please note: The University is still required to collect a valid social security number for tax, employment and federal financial aid purposes.)

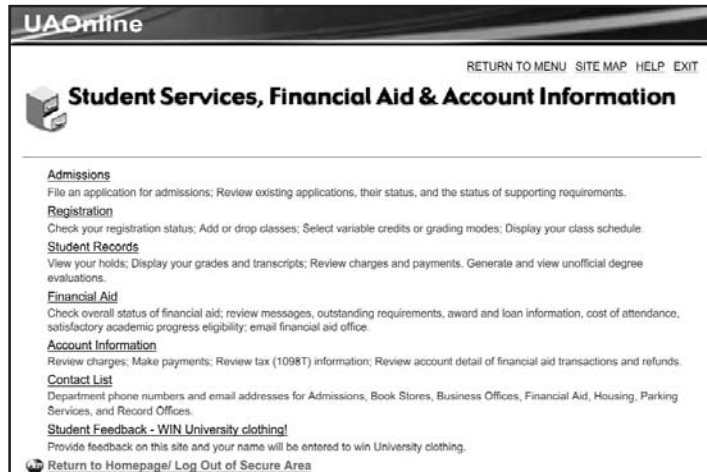

You can access your new ID number by choosing the Personal Information menu on this page and then selecting the New UA Identification Number item. It will also be on your ID card once the cards are reissued. Information regarding the project, FAQs and other information is available. Questions, suggestions or comments can be sent to sygenid@alaska.edu.

2% NETWORK CHARGE

A 2% Network Charge has been added to all tuition, non-resident surcharge and fees in lieu of tuition for credit and non-credit courses. For more information, refer to the next page, under "Fees."

ALASKA RESIDENCY

The University of Alaska policy on Resident and Non-Resident Tuition has been rewritten. The policy may be referenced in the current UAA Course Catalog, which is available online: www.uaa.alaska.edu/enrollmentservices/catalogs_schedules.cfm. The Residency form and Application for Non-Resident Surcharge Waiver may be found online at www.uaa.alaska.edu/admissions/forms.cfm. The deadline for requesting residency and submitting all required documentation is prior to the published first day of instruction. Residency is calculated based on the first day of classes for the semester for which residency is sought.

- Non-resident students who restrict their registration to no more than four credits each semester will be charged resident tuition.
- Non-resident students taking five credits or more are assessed non resident fees on all academic credits.

Alaska Residents 60 years or older may register for most classes and have tuition waived after they have been admitted to the University. Registration is on a space available basis only. Use of senior citizen tuition waivers is governed accordingly. *Note: The Student Government Fee and Student Media Fee are waived for senior citizens. The Student Life Fees are mandatory for all students taking three (3) or more credits on the Anchorage campus.*

SENIOR CITIZENS

1. Tuition is not waived for non-credit or CEU courses. Senior citizens must pay all additional course fees. To waive tuition, senior citizens must register and present a completed tuition waiver with proof of age during the late registration period, beginning **August 26**. Tuition waivers are available at late registration or from Accounting Services and Enrollment Services.
2. Registration using a senior citizen tuition waiver for payment is permitted only during late registration (no late fee will be assessed when senior citizens register during this time with a senior citizen tuition waiver).
3. Senior citizens may elect to register before the late registration period; however, they must pay full tuition and fees (use of a senior citizen tuition waiver will not be accepted). Senior citizens electing to register and pay full tuition are subject to all payment deadlines. Refunds will NOT be available to senior citizens who drop courses and then re-register into the same courses using a tuition waiver during late registration.

STEP 4: CALCULATE EXPENSES

FEES - MANDATORY STUDENT FEES BREAKDOWN

FEES

Fees are charges students must pay either in addition to or in place of tuition.

2% Network Charge

The purpose of the Network Charge is to cover rapidly rising costs, especially in the maintenance and enhancement of our university-wide technology infrastructure. The 2 percent network charge will be applied on a course by course basis to tuition, non-resident surcharges if applicable, and fees in lieu of tuition, for credit and non-credit courses. Courses with applicable fees in lieu of tuition less than the lower division credit hour tuition rate (\$109 for Academic Year 2005-2006) will be exempt from the charge. All calculated fees will be rounded to the nearest dollar. Because of the threshold, the minimum network charge per course will be \$2.

Add/Drop Processing Fee

This \$5 fee is charged for each course (CRN) added or dropped.

Administrative Fee

An administrative fee may be charged instead of tuition. This fee amount is listed in the course description section of this schedule.

Cancelled Registration Fee (CRF)

The CRF is only charged to those students who register for a course, do not formally drop, and do not meet the registration payment deadlines.

- If students are dropped from their courses and charged a CRF, they will be required to pay the CRF before they are allowed to register again.
- The fee is charged per registration, not per course.
- The CRF for students taking six or fewer credits is \$50. For students taking more than six credits, the CRF is \$100.
- Students who pay for or drop their courses prior to the published payment deadline will NOT be required to pay the CRF.

Continuous Registration Fee (Graduate Students)

The Continuous Registration Fee is \$244 per semester.

Distance Fee

A \$38 distance fee is charged for each Distance Education course (offered through Educational Media Services). Call 786-6177 for additional information about Distance Education courses.

Lab and Materials Fee

Lab and materials fees are additional charges to cover the costs of lab supplies. Refer to the Special Fees area located within each course description. These fees are not refundable unless you drop during the 100% refund period.

Late Registration Fee

\$50 fee charged to new registrations during the Late Registration period.

Parking Fee

Fee paid to use parking lots on campus during fall and spring semesters. Students may buy parking decals at

www.thepermitstore.com. For more information, call the Parking Office at 786-1119.

Special Fee

Special fees are assessed to pay for travel, equipment, or facilities out of the ordinary.

Student Fees

Mandatory fees charged to all students (including secondary school students) registering in three credits or more held on the Anchorage campus*. This assessment will be based on the total registration once the three credit on-campus criteria is met. The Student Fees are not refundable unless the student totally withdraws during the 100% refund period.

Students may elect to pay certain Student Fees if they are registered in one to five academic credits, or 200 or more contact hours, in one semester. Student Life Fees for students registered in fewer than six credits are set at a fixed rate. Contact the Issue Cage in the Wells Fargo Sports Complex for information about an Athletics/Sports Complex Fee, and contact Student Activities in the Student Union Building regarding a Student Activity Fee. Access to the Student Health Center is not available to students registered in fewer than six academic credits.

*The Aviation Technology Center, King Career Center, University Center, and Wendler Junior High are considered on-campus facilities for purposes of fee assessment.

Technology Fee

Mandatory fee to provide up-to-date equipment, software, maintenance, training, and support for student use. The fee is \$5 per credit hour to a maximum of \$60.

<u>Student Registered For:</u>	<u>3 to 5 credits</u>	<u>6 to 12+ credits</u> (fees capped at 12 credits)
Student Government Fee \$1/Credit	\$3 min /\$5 max	\$ 6 min / \$ 12 max
Student Concert Program Fee	\$5	\$ 5
Student Media Fee	\$11	\$ 11
Student Life Fee \$12/Credit		<u>\$ 72 min / \$144 max</u>
Subtotal Student Fees*	\$19 min /\$21 max	\$ 94 min / \$172 max
Technology Fee \$5/Credit	<u>\$15 min /\$25 max</u>	<u>\$ 30 min / \$ 60 max</u>
Total Mandatory Student Fees	\$34 min /\$46 max	\$124min / \$232 max

* Student Fees are effective fall and spring semesters.

Student Government Fee: \$1 per credit hour for students registered in 3 or more credits. Maximum charge \$12. Student Government Fee allocation: student advocacy for academic, student and legislative affairs, USUAA activities, Board of Cultural Activities, Club Council, legal services, and operating expenses.

Student Concert Program: \$5 - major concerts and speakers' series.

Student Media Fee: \$11 - KRUA 88.1 FM student radio station (\$5.25); The Northern Light student newspaper (\$5.75).

Student Life Fee: \$12 per credit hour for students registered in 6 or more credits. Maximum charge \$144. Student Life Fee allocations:

- Student Activities: \$1.50 - free or reduced admission to comedy shows, musicians, dances, food events, Student Union Gallery, multicultural events, and the Student Activities Calendar
- Student Health Center: \$4.50 - free or reduced costs for physical exams. Lab services, PAPs, TB screening, family planning, diagnosis and treatment of illnesses, etc.
- Athletics/Sports Complex: \$6 - free or reduced admission to athletic events, use of Wells Fargo Sports Complex facilities, pool, ice rink, weight room, racquetball courts, gymnasium, etc.

Technology Fee: Mandatory \$5 per credit hour for students registered in one or more credits, maximum charge \$60.

Access to these services is available with a valid Wolfcard (UAA student ID card).

To receive initial student ID, register and then bring photo ID to the Wolfcard Office in the University Center. Existing Wolfcards are automatically updated--no need to visit the Wolfcard Office.

- **Pay in person** at the Accounting Cashier window in the University Center. The window is open Monday-Friday, 9:00am-5:00pm; except Fridays **September 2 and 9**, when the window closes at **4:00pm**.
- **Fax** if unable to process payment on UOnline. Fax your credit card authorization to 786-6060 using the Tuition Payment Form found in this class schedule. Keep your confirmation form which shows the date/time of transmission.
- **Drop off** your check or credit card authorization with a Tuition Payment Form in the drop box at the University Center. Do not leave cash in the drop box. Drop box payments must be received on or prior to the published payment deadline.

PAYMENT OPTIONS

GENERAL PAYMENT INFORMATION

All methods of payment must be received by the payment deadline, including faxes and drop box payments. Payment is due by the published payment deadline even if a bill is not received. Registration bills will not be generated after **August 24**. Students with new registrations or changes may access UOnline to get their account balance; or they may call a Registration Cashier at 786-1458 to find out the amount owed.

Agency-sponsored students are responsible for ensuring that the necessary authorization forms have been submitted to the UAA accounting office by the payment deadline.

Receipts for payments received in the mail or by fax will be mailed out within a week of receiving payment.

STEP 5: PAY TUITION

ACCOUNT BALANCE - FINANCIAL OBLIGATIONS - TUITION WAIVERS - TMS

ACCOUNT BALANCE ON UAONLINE

Account balances may be accessed and paid through UAOnline (Visa, MasterCard, or check only). Access your account on UAOnline: <http://uaonline.alaska.edu>

FINANCIAL OBLIGATIONS

If you register for courses, the University holds you financially responsible for that registration. There will NOT be a University initiated drop for non-payment for students registering after **September 12**. If you do not plan to attend, you must drop your courses within the 100% refund period to avoid assessment of tuition and fees. Please be aware of the separate refund policy that applies to non-credit courses. Past due accounts will be sent to a collection agency and assessed collection costs.

FAILURE TO MEET FINANCIAL OBLIGATIONS

University policy requires a financial hold be placed on your record if you fail to meet your financial obligations. This hold will prevent any enrollment, transcript, or graduation activity.

Past due accounts will be sent to a collection agency. Interest, late fees, and/or collection costs will be added to a student's account. The past due debt will be reported to a local credit bureau.

TUITION WAIVERS

Students and employees with tuition waivers must submit waiver forms and pay any additional fees by the applicable payment deadline.

REFUND POLICY - REFUND SCHEDULE

REFUND POLICY FOR TUITION AND FEES

Students are responsible for thoroughly reading the class schedule and being aware of the published refund deadlines for their particular courses.

If you need to drop a course, you may:

1. Drop using UAOnline during the published periods.
2. Process an Add/Drop Form during the published Add/Drop period.
3. Write a letter to:
Registration Supervisor
UAA Enrollment Services
P.O. Box 141629
Anchorage, AK 99514-1629

or, fax a letter to the Registration Supervisor at (907) 786-1097.

If you mail or fax your letter, be sure to include your printed name, social security number or student ID, address, telephone, exact courses being dropped, your signature and date. If you do not officially drop your courses, you may receive a failing grade and be financially obligated for the courses.

A \$5.00 drop fee per course is charged beginning the first day of the semester and must be submitted at the time of processing.

The official date used to determine a refund is the date the Add/Drop Form or other written notification is received in the Registration Office. Refunds are not based on the date of student's last class attendance. Refund processing is automatic for students who officially drop courses before published refund deadlines.

Refund processing begins

September 13, 2005, and takes six weeks. If students have paid by credit card, the card will be credited. If students have paid by cash or check, a refund check will be mailed to the student's address of record.

Refunds will not be issued for amounts of less than \$5.

*For general information,
please call 786-1566
for a recorded message.*

REFUND SCHEDULE

FOR CANCELLED COURSES

If a course is cancelled, another course of equal credit and level may be added at no additional tuition cost. Students must pay any additional fees. Students will not have to pay an add fee. If a replacement course is not added, the Accounting Office will automatically process a refund.

FOR EXPEDITION, FIELD OR TRAVEL COURSES

Five or more consecutive field days: 100% refund (excluding any non refundable deposits) if students drop at least 45 calendar days before the course begins. No refund after this time unless a replacement student is found.

FOR STUDENTS WITH FINANCIAL AID

Refunds are applied first to the programs from which you receive assistance, up to the amount you were awarded. Any funds remaining after the aid programs are reimbursed will be returned to you.

FOR REFUND REPLACEMENT CHECKS

In the event a replacement check is needed, there will be a \$15 fee charged for all checks reissued due to a stop pay request by the student.

FOR SHORT COURSES OR WORKSHOPS

Refunds for short sessions are prorated and individually determined by the Accounting Office.

FOR WITHDRAWN COURSES

No tuition and fee refund or exchange will be allowed if students withdraw after the drop deadline.

EDUCATIONAL MEDIA SERVICES

DISTANCE EDUCATION - BLACKBOARD

EDUCATIONAL MEDIA SERVICES

Telecourses will be broadcast on channel 7 (KAKM) and/or the UAA station (cable channel 15). See the website at www.uaa.alaska.edu/distanceeducation for a complete broadcast schedule. Web courses will be delivered online using a course management system called Blackboard. Students can login to Blackboard from the main UAA home page at www.uaa.alaska.edu by using their student username as their USERNAME and their 8-digit student identification number as their PASSWORD. All distance education course listings appear on the distance education website.

A typical distance education course may require a student to consult a syllabus, read corresponding textbook chapters, view related television programs, and/or participate in online activities. Students communicate with the instructor by telephone, email, mail, discussion groups, and audio conferences. Class work is generally done off campus, however, there may be some occasions that require students to come to campus.

Educational Media Services and Distance Educational Services are located in GHH 101.

907-786-6177 Fax: 907-786-4485 distance@uaa.alaska.edu

All distance education students are required to retrieve their syllabus from Blackboard at the beginning of each new semester.

What is Blackboard?

Blackboard is an Internet-based course management system. Through Blackboard, students and faculty interact within a web course. Students use Blackboard to gain access to the course materials, assignments, and other important items related to their distance course. If you enroll in a distance course, Blackboard is the tool that you will use to do most of your coursework.

Where do I get my Blackboard username and password?

If you are enrolled in a distance education course, you will receive a letter via the mail about one week prior to the beginning of the semester. This letter will give you your student username and password, and will provide you with instruction on how to log in to Blackboard. Also, the letter will instruct you how to access your distance education student information packet and student proctor information form. These are important documents for every distance education student.

Where is my Blackboard course located?

You can access Blackboard from the main UAA site at www.uaa.alaska.edu by selecting the Blackboard link. To log in to Blackboard, enter your student username and your email account password (student identification number). Once inside of Blackboard, you will find all the courses that you are enrolled in listed under the "My Courses" heading.

How do I make corrections to UAOnline or Blackboard?

If there appears to be a discrepancy between your information on UAOnline (<http://uaonline.alaska.edu>) and Blackboard (www.uaa.alaska.edu/distanceeducation), remember that what is on UAOnline represents your official record at UAA. For corrections to UAOnline, contact Enrollment Services (786-1480); and for corrections to Blackboard, contact the IT Call Center (786-4646, opt.1).

FINANCIAL AID

FINANCIAL AID STATUS BY UAONLINE

Most information related to student financial aid may be accessed through UAOnline:

<http://uaonline.alaska.edu>

UAA's Student Financial Aid Office (SFAO) assists students and prospective students in applying for aid programs. State and Federal governments, the University, and many private organizations offer grants, scholarships, loans, and employment opportunities to students who demonstrate need for such assistance. Types and amount of aid vary according to guidelines, student needs, and availability of funds. Students wishing to apply for the Alaska Supplemental Educational Loan must complete a FAFSA.

The SFAO recommends that students complete their Free Application for Federal Student Aid (FAFSA) before **May 2** for **Fall 2005**. Other applications and required paperwork should be submitted to the SFAO by **August 1, 2005**. Paperwork submitted after this deadline will cause delays in the receipt of aid and may miss the tuition payment deadline.

Students whose aid will not arrive by **September 2** must pay or make payment arrangements by the payment deadline, **September 2**. Refer to the section on Tuition Management Services payment plans in this publication.

Note: Any amounts due to the University will be deducted from funding sources prior to issuing a net check to the student. For Federal financial aid, an authorization must be on file for any non-institutional, incidental or prior year charges for it to be automatically deducted. If this form is not on file, it will slow the processing of your aid when it arrives. The Financial Aid Authorization form may be obtained at **www.uaa.alaska.edu/financialaid**, and faxed to the disbursement office at 786-1301.

A link to the Dept. of Education, along with many scholarship tips, forms, and policies may be found at

www.uaa.alaska.edu/financialaid

For more information, please refer to the UAA Course Catalog, or call the UAA Student Financial Aid Office at 786-1586.

GENERAL INFORMATION & DEADLINES

REQUIREMENTS

In order to receive financial aid, students must:

1. Have a high school diploma or its equivalent.
2. Demonstrate financial need for Federal assistance as determined by the FAFSA form.
3. Have maintained satisfactory academic progress.
4. Be admitted to a transcribed degree or certificate program.
5. Be registered and attending for the appropriate number of credits before aid can be disbursed. If students are enrolled in late starting courses, aid may not be disbursed until the first day of late starting courses.
 - a. Full-Time: 12 or more credits for undergraduate students and 9 or more graduate credits for graduate students.
 - b. Half-Time: 6 or more credits for undergraduate students and 6 or more graduate credits for graduate students.
 - c. Graduate students taking 400 level undergraduate course work must have verification from the Registrar's Office that the undergraduate course work will apply toward the graduate degree (100, 200, & 300 level courses are not applicable to graduate degrees).
6. Submit a revision request to the Financial Aid office after registering for classes (**Summer aid recipients only**).

FINANCIAL AID FOR VETERANS

Veterans of the U.S. Military and their eligible dependents may qualify for certain educational benefits. Contact the UAA Office of Student Financial Aid at (907) 786-1586, opt. 4, or visit the website:

www.uaa.alaska.edu/financialaid

SATISFACTORY ACADEMIC PROGRESS

To remain in good standing for Federal assistance, students must complete the number of credits for the level they attempt. In addition, they must maintain a minimum grade point average (GPA) of 2.00 for undergraduates and 3.0 for graduates. Students who do not maintain satisfactory academic progress have the right to appeal to the UAA Office of Student Financial Aid. Students who have deferred their tuition and fees, and who have not maintained academic progress must either resolve their academic standing, make payment in full, or drop from all courses by **September 2, 2005**. **To read the policy, please refer to the UAA course catalog.**

Financial Aid crediting of PELL, SEOG, Stafford Loans, Foundation Scholarships, UA Scholars Scholarships, Alaska Alternative Loans, and Academic and Graduate Tuition Waivers to student accounts will begin on **August 19** for the **Fall, 2005** semester. Final grant and scholarship calculation for each term will be made at the end of the 100% refund period.

Students whose aid has not arrived prior to the payment deadline will be required to pay by the deadline. Payments plans are available. See the section on Tuition Management Services (TMS).

Disbursement checks will be mailed to the student's mailing address of record beginning **August 23**. No stop payment actions for checks lost in the mail will be processed prior to ten working days from the date of the mailing. Be sure to keep your University mailing address current. You may update your address on UAOnline. Financial Aid students who wish to pay tuition and fees with a credit card prior to financial aid being processed, must pay before **August 19**. Once financial aid has been credited to the account, we will only process a credit card payment for any balance due.

Remember, any change in registration status can impact student financial aid.

Incomplete grades, audits, withdrawals, or grades of "F" or "NC" may adversely impact loan or award eligibility. Students should talk with a UAA Financial Aid Advisor before changing course loads.

PAYMENTS & CHECK DISBURSEMENT

TERMS AND DEFINITIONS

ARR Course meeting time or location is arranged between the student and instructor.

AUDIT To take a course for general information only. No credit received. Tuition and/or fees are the same as taking the course for credit. Course appears with a status of "AU" on your transcript.

BLOCKED COURSES Distinct courses that are grouped together for registration purposes but that are offered at different times and locations. Students must register for the entire block.

CONCURRENT ENROLLMENT Student required to register for and attend both courses in the same semester.

CONTINUING EDUCATION UNIT (CEU) COURSES Numbered AC001-AC049, CEU courses are offered for career development. One CEU is given for each 10 hours of instruction. CEUs are not transferable to credits. They have no regular tuition but do have other special fees. These courses do not meet degree requirements. Certificates of completion are available for students who have satisfactorily completed the requirements of a CEU course.

CONTINUOUS REGISTRATION (GRADUATE STUDENTS) Continuous registration is expected every fall and spring semester, from admission through graduation until all degree requirements are completed. Students have the option of registering for at least one graduate credit applicable to their degree; or, students can register and pay for Continuous Registration Fee that will allow them to remain active in their degree program without registering for any courses. Students are expected to register and pay the Continuous Registration Fee for the summer semester if they use university facilities or consult with faculty during the summer. Please contact the individual graduate program for departmental policies concerning continuous registration.

COREQUISITE Student is required to register for and attend both courses in the same semester.

COURSE REPEATS Some courses may be repeated for additional credits if that option is stated in the course description. All courses may be repeated for student GPA improvement. Repeat courses are not automatically calculated as a repeat in the student's GPA. It is the student's responsibility to notify Enrollment Services of course repeat activity affecting GPA calculation.

CREDIT/NO CREDIT GRADING This is a grading option which may be changed prior to the add deadline for that course. See your advisor and read the CR/NC section of the UAA Catalog before you choose this option.

CROSS-LISTED COURSES Identical courses approved under separate subject codes. For example, ART/JPC A324 is cross-listed in Art and in Journalism and Public Communications. Students may register under either prefix but not both.

DIRECTED STUDY A Directed Study course is a permanent catalog course delivered on an individual basis when the course is not offered that semester. All forms must be submitted to Registration. There is a one working day processing period for Directed Study courses. The student must then register for the course.

DROP To drop a course, beginning week 1, through week 2 of the semester. Deadlines to drop courses less than semester length are prorated. Courses do not appear on your transcript. Cannot drop a course after it has ended.

FACULTY SIGNATURE Some courses include "Faculty Permission" as a registration restriction. Students must obtain faculty signature prior to registration.

GUIDED STUDY The Guided Study Math Program incorporates flexible competency-based learning in a developmental setting. For example, the student must get 80% on each chapter test before moving onto the next chapter. The tests are not timed, may be repeated without penalty and are taken in the Math Learning Center when each student is ready (guidelines established by the instructor). The curriculum is the same as that offered in lecture-based classes. Students are required to attend class at the scheduled times. The purpose of the Math Lab is to provide tutoring, various other resources, and testing.

INCOMPLETE GRADE An "I" (Incomplete) is a temporary grade. It is used to indicate that a student has made satisfactory progress in the majority of the work in a course, but for unavoidable absences or other conditions beyond the control of the student, has not been able to complete the course. The Incomplete Grade Contract, a signed contract form between the student and the faculty member that stipulates the assignment(s) required to finish the course, is required and must be completed for each "I" grade assigned and is to be maintained in the department or dean's office. Course work must be completed by a date specified in the contract, not to exceed one year. Upon completion of the required course work, the faculty member must submit a change of grade form to Enrollment Services. If course work is not completed within one year or if the terms specified on the Incomplete Contract are not met, the student may be assigned a failing grade (F or NP, depending on the grading basis of the course). If course work is not completed within one year and the faculty member does

not submit a change of grade at that time, the "I" will become a permanent grade and it will be necessary for the student to re-register to obtain credit for the course.

INDEPENDENT STUDY An Independent Study course consists of topics or problems chosen by the student with the approval of the department concerned, with the supervision of an instructor, and final approval by the dean. These courses are not a duplication of a permanent catalog course and must differ significantly from a catalog course. All supporting documentation needs to be maintained by the student. All forms must be submitted to Registration. There is a one working day processing period for Independent Studies. The student must then register for the course.

NON-CREDIT COURSE A non-credit course is offered as a special interest course for quality continuing education and leisure time instruction. Numbered A001-A049, non-credit courses do not meet degree requirements. They have no regular tuition fees but do have other special fees. These fees are listed in the course description area in this class schedule.

OVERLOAD Registration for more than 19 credits requires an approved Request for Credit Overload Form. Admitted degree-seeking students must complete the form and obtain their advisor's signature and the signature of the Dean. Non-degree-seeking students only need an advisor's signature. Submit the completed Request for Overload Form, located in the back of this schedule, prior to or at Registration.

PREREQUISITE A course or condition that is required prior to registering for and attending the course.

PRORATE To divide or assess proportionally, monies or deadlines according to the published length of the course.

PROXY REGISTRATION Students unable to register in person may have a proxy register for them. The student must provide the proxy with a signed Proxy for Registration Form or other signed authorization to do so. The proxy must submit the signed authorization and picture ID at the time of registration. A Proxy for Registration Form is available in the back of this class schedule or from Enrollment Services. The proxy must follow the policies and calendar governing registration. Spouses, parents, and friends are required to have a signed authorization to register for another person, including secondary school students.

SELF-SUPPORT COURSE A self-support course is supported by participant fees and is calculated and refunded separately from regular tuition. Tuition waivers cannot be used.

STACKED COURSES Occasionally two or more courses are scheduled in the same classroom at the same time. These are referred to as stacked courses. Catalog descriptions of these courses include the statement "Stacked with." The semester class schedule will indicate if a course is being offered in stacked format and list which course(s) are being stacked. Students register for only one course.

TBA To Be Announced. Information not available at printing deadline. Contact departments or access the Web for the latest information on room locations and faculty assignments, at <http://uaonline.alaska.edu>, Class Schedule option.

TOTAL WITHDRAWAL To withdraw from all coursework in a semester. Student initiated. Cannot withdraw from a course after it has ended.

VARIABLE CREDIT Example: 1-6 CR. Course may be taken for 1 through 6 credits with prior approval of the faculty member. Example: 2/4. Course may be taken for either 2 or 4 credits. Student specifies the number of credits during registration.

WITHDRAWAL To withdraw from a course beginning week 3, through week 12 of the semester. Deadlines to withdraw from courses less than semester length are prorated. Course withdrawal begins the day following the drop deadline. Course appears with a status of "W" on your transcript. Cannot withdraw from a course after it has ended.

**ALASKA OUTDOOR AND EXPERIENTIAL EDUCATION -
AOEE**

*Offered through the Community & Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
<http://ctc.uaa.alaska.edu>*

Most courses with the AOEE prefix are introductory and follow rigorous, academic curriculum; non-credit offerings are recreational in nature and can be found under the prefix AOEN.

Most classes are held outdoors. Students may be required to perform activities in extremely inclement weather; i.e., rain, sleet, snow, wind or sub-zero temperatures. Additionally, there is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities.

All students enrolling in classes with the AOEE prefix are required to complete an Acknowledgment of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class will be dropped from the course.

MINORS: Sixteen- and seventeen-year-old students must receive chair approval before they are allowed to enroll in these courses. Students under sixteen years of age cannot enroll.

CHEMISTRY - CHEM

*Offered through the College of Arts and Sciences
Engineering Building (ENGR), Room 333D, 786-1238
<http://chem.uaa.alaska.edu>*

All students planning to register for any chemistry course at or above CHEM 105 are required to bring written proof to the first class meeting in the semester of having met the prerequisites for that course as listed in the current UAA Catalog. This proof may be a transcript, grade slip, or letter from a faculty member, and must be given to the instructor for examination.

Students who do not have this proof may be administratively dropped immediately at the discretion of the faculty.

Most Chemistry courses require a lab with a lecture.
You **MUST** enroll in both.

Due to University Safety and Hazardous Communications requirements, attendance is mandatory for all Chemistry laboratory courses the first week.

Any student not attending the first scheduled meeting for CHEM A055, A103, A104, A105, and A106 labs will be administratively dropped and any student of a waiting list will be added.

Any fees resulting from this drop/add procedure or any late registration procedure will be the responsibility of the student.

ENGLISH - ENGL

*Offered through the College of Arts and Sciences
Professional Studies Building (PSB), Room 212, 786-4355
<http://english.uaa.alaska.edu>*

English composition (ENGL) and Preparatory English (PRPE) courses require verification of appropriate placement. Students entering ENGL A109 must have either a grade of C or better in PRPE 086 or appropriate scores on the placement test. Students entering ENGL A111 must have one of the following: a grade of C or better in ENGL A109 or PRPE A108; an ACT English score of 22 or higher; a SAT Verbal score of 530 or higher; or appropriate scores on the placement test. Placement testing is available through Advising and Testing (786-4500) and also through the Elmendorf and Fort Richardson Centers. Placement forms are issued upon completion of the placement test.

Preparatory English courses are found under PRPE in this schedule. Information about PRPE courses is available from College Preparatory and Developmental Studies, BMH 121, 786-6856.

PROOF OF PREREQUISITE WILL BE REQUIRED AT FIRST CLASS SESSION.

ENGL A490	Selected Topics in English Environments of Imagination: Examining 'Nature' in Text	3.0 CR
We will examine the discursive construct of 'nature' in a variety of textual forms from science writing to poetry, governmental policy to cinematic representation, and image to travel text. Drawing on students' interests in literary and/or rhetorical theories, the class will explore the discursive efforts and cultural effects of various discursive attempts to control, celebrate, describe, or represent the 'natural' through symbolic means. In this exploration, we will analyze the political power and responsibility of 'naming the environment' in oral, textual, and image-based cultures. Students will write an academic essay and compose illustrative texts using 'new media' as appropriate to their English major track or other academic interests. Prerequisite: ENGL A201 and ENGL A202. HNRS A192	Honors Seminar: Enduring Books	3.0 CR
Jane Addams' Twenty Years at Hull-House		
Jane Addams' Twenty Years at Hull-House billed as an autobiography, Twenty Years at Hull-House is as much about the Settlement House movement as about Addams herself. Using this and related texts about the Settlements and the Progressive Era, the course will explore ideas of social justice and the balance between social and individual responsibility - as they applied in Addams' day and as they apply a century later.		
Registration Restrictions: Enrollment limited to students admitted to UAA Honors Program, and also open to students in a UAA departmental honors program who have permission to enroll from the UAA Honors Program Director.

Cervantes' 'Don Quixote'		
Using the metaphor of the journey as a point of departure, the course will read Cervantes' masterpiece to initiate a general reflection on the complexity of reality and its impact on the individual self. The course will focus on the personal self as it intersects different planes of a rapidly changing reality and the cultural forces it confronts as it journeys through life searching for a haven in which to seek shelter from the chaos and from which to understand its social surroundings.		
Registration Restrictions: Enrollment limited to students admitted to UAA Honors Program, and also open to students in a UAA departmental honors program who have permission to enroll from the UAA Honors Program Director.

HNRS A192 Honors Seminar: Enduring Books 3.0 CR
Stephen Hawking's 'A Brief History of Time'
 How did the Universe originate? What is the nature of space and time? What are black holes? Is time travel possible? These are questions that, in the last fifty years, have moved from speculation and science fiction to rigorous studies in science. Intended for nonscientists, this course will explore these questions and more. The overall theme of the course is to understand the nature of the Universe and our place in it. Alan Lightman's 'Einstein's Dreams' and Edwin Abbott's 'Flatland' will be used as supplementary texts.
 Registration Restrictions: Enrollment limited to students admitted to UAA Honors Program, and also open to students in a UAA departmental honors program who have permission to enroll from the UAA Honors Program Director.

HNRS A490 Senior Honors Seminar 6.0 CR
The New Scientific Revolution
 A two-semester long interdisciplinary Honors seminar which will examine the impact and influence of science on the future of mankind. Topics will range from the incredibly small to the incredibly large, including genetics, nanotechnology and robotics, chaos, the mind, the oceans, matter and the universe itself. Students will develop an integrative perspective leading to an enhanced understanding of the world of the future and their role in it. Registration Restrictions: Enrollment limited to students admitted to UAA Honors Program, and also open to students in a UAA departmental honors program who have permission to enroll from the UAA Honors Program Director. Completion of all lower-division and junior-level honors requirements.
 Course Attributes: UAA GER Integrated Capstone
 Special Note: The course extends over both fall and spring semesters earning six hours credit thereby satisfying the three hour GER Integrative Capstone Course requirement. A passing grade is dependent on successful completion of the year-long course.
 Special Note: This class will occasionally meet on Thursday evenings for outside speakers.

Music - MUS

*Offered through the College of Arts and Sciences
Fine Arts Building (ARTS), Room 302, 786-1595
<http://music.uaa.alaska.edu>*

MUS A161 - A462 Private Music Lessons

Private music lessons are offered on the following instruments: Brass, Guitar, Harpsichord, Organ, Percussion, Piano, Strings and Woodwinds. Private Voice lessons are also available.

Important Registration Information: Students must make arrangements before registering by going to the Music Department Office located in the Fine Arts Building Room 302 (786-1595). Students must obtain a private music lesson form from the Music Office before they will be allowed to proceed with the registration process outlined in the Class Schedule. Students will receive a course reference number to use to register for private music lessons after filling out the private lessons form.

Private Music Lesson Fees

1 CREDIT: Students enroll for a half hour lesson a week for 15 weeks.

Lower-Division Credits:

Special Lab Fee of \$200 plus the cost of one lower-division credit.

(A161, A162, A163, A164, A261, A262, A263, A264)

Upper-Division Credits:

Special Lab Fee of \$200 plus the cost of one upper-division credit. (A361, A362, A363, A364, A461, A462)

2 CREDITS: Students enroll for a full hour lesson a week for 15 weeks.

Lower-Division Credits:

Special Lab Fee of \$400 plus the cost of two lower-division credits.

(A161, A162, A163, A164, A261, A262, A263, A264)

Upper-Division Credits:

Special Lab Fee of \$400 plus the cost of two upper-division credits.

(A361, A362, A363, A364, A461, A462)

(Private Organ Lessons are available at: 1 Credit = 1/2 hour lesson a week for 15 weeks - \$215 plus the cost of one lower-division credit, or \$215 plus the cost of one upper-division credit. 2 credits = 1 hour lesson a week for 15 weeks - \$430 plus the cost of two lower-division credits, or \$430 plus the cost of two upper-division credits. The higher fee is due to the expense of maintaining the organ).

Free practice time is available to private lesson students on a first come first serve basis. To sign up, go to the third floor of the Fine Arts Building and reserve space on the posted schedules on the practice room doors.

REGISTRATION RECEIPT IS REQUIRED AT FIRST LESSON.

Distance Education Courses Fall 2005

Welcome to Distance Education at UAA

UAA offers four different types of distance education courses:

- Web based: courses taught on the Internet
- Telecourse: courses taught via broadcast television
- Tapes-at-home: courses taught via videotapes
- Audio conference: courses taught via audio conference

The key to the right shows basic skills, services, and hardware students **must have** in order to enroll in one of these four types of course. The key also associates each type of course with a specific icon.

Note that all distance education students — even if not enrolled in a web-based course — may need to access the internet to view important course material.

Visit our website:

www.uaa.alaska.edu/distanceeducation

For additional information on distance education course requirements, technical support, or for general questions call our office at (907) 786-6177 or email us at distance@uaa.alaska.edu. When you sign up for a distance education course, you will receive a student information letter in the mail.

SECONDARY SCHOOL STUDENT ENROLLMENT POLICY FORM

STUDENT AND PARENT/GUARDIAN AGREEMENT

The registration process at UAA requires all secondary school student applicants and their parents/guardians to complete a *Secondary School Student and Parent/Guardian Statement of Understanding*. Signing the agreement signifies understanding of, and agreement with/to all of the following:

1. University work is much more rigorous and much less guided than secondary education course work;
2. The courses taken will establish an **official transcript** that will follow the student throughout the student's college and/or university career;
3. Adult themes and diverse perspectives are essential to University materials and discourse;
4. A secondary school student who registers in University courses is responsible for maintaining at least a "C" (2.00 on a 4.00 scale) cumulative high school grade point average in order to register for college level credit;
5. The University will not act in a parental or supervisory role;
6. A parent or guardian may not attend a course in which their secondary school student is registered unless and until the parent or guardian is also officially registered for the course;
7. A secondary school student who registers in University courses is fully responsible for complying with all policies and procedures of the University. This includes being aware of and adhering to the University Student Code of Conduct.
8. **A permanent University disciplinary record is established for all students who are found responsible for violating the Code of Conduct.**

UNIVERSITY DETERMINATION

The University reserves the right to deny or discontinue the enrollment of a student in a course or courses if the University determines that the student lacks the maturity, the legal or intellectual ability or the academic preparedness to participate on an equal footing with other students, or if it is otherwise not in the legitimate interest of the University for the student to participate. Factors that may be considered in such a determination include, but are not limited to, the following:

1. Whether the parents (including guardians) of the student support the student's enrollment in the course;
2. Whether, in the judgment of the faculty member, the student
 - a. possesses the intellectual and academic resources to participate meaningfully on an equal footing with other students,
 - b. has the emotional maturity to absorb and appreciate the significance of material covered in the course,
 - c. has the potential to behave appropriately so as to not disrupt the class or distract the faculty member or other students in the course,
 - d. is independent and will not require undue care, attention, or monitoring by the faculty member, and
 - e. possesses the physical ability to perform physical functions in the course without undue risk;
3. Whether the course involves high risk activities for which the University requires a release of claims of all students, in light of the fact that such a release is not enforceable as to a student under the age of 18; and
4. Whether the student can lawfully participate in the course.

SECONDARY SCHOOL STUDENT ENROLLMENT REGISTRATION PROCESS

To complete the registration process, secondary school students must:

- ☐ Submit *Secondary Student Admission Application form* at www.uaonline.alaska.edu through Enrollment Services, or at community campuses.
- ☐ Pick up *Secondary School Student Enrollment forms* online, in the back of the course schedule, at Enrollment Services, or at the community campuses;
- ☐ Complete Student Information section of the *Secondary School Student Signature Form*. Form must be signed and dated by student.
- ☐ Obtain signed approval on the *Secondary School Student Signature Form* of Parent and/or Guardian. Parent and/or Guardian signature denotes agreement and understanding of the *Student and Parent/Guardian Agreement*.
- ☐ Obtain signed approvals on the *Secondary School Student Signature Form* from the local area School District designees. The designees will assess the student's social and academic maturity and readiness for success and safety in the courses requested. If the student is home schooled, the home-school organization director will serve as the local area School District designee;
- ☐ Obtain signed approval on the *Secondary School Student Signature Form* of the course instructor. The course instructor's approval is based on the instructor's judgment that the student meets factors 1 through 4 in the *University Determination* section of this policy. Course instructors may require copies of high school transcripts and SAT, ACT, or an approved test to determine appropriate course placement. Faculty signatures only indicate permission to register and attend; this is not a guarantee of admittance into a closed (full) course.
- ☐ Complete a *Proxy for Registration Form* if someone other than the student is processing the request. This needs to be signed by the student and parent/guardian;
- ☐ Submit above stated forms to the UAA Enrollment Services director or community campus director for review and final approval. The campus designee will review the student packet for completeness and assess the student's social and academic maturity and readiness for success and safety in the courses requested;
- ☐ Register on a space available basis, as priority is given to degree seeking students. Enrollment guidelines for qualified secondary school students are as follows:
 - Enrollment may not exceed seven credits per semester;
 - Prerequisites for the courses requested must be met;
 - Courses must be at the 200 level or lower (exceptions must be approved by the course instructor, department chair, and Dean, Director, or designee);
- ☐ Pay all tuition, course, and student fees;
- ☐ Adhere to UAA policies and procedures found in the catalog and student handbook;
- ☐ Attain a grade of at least "C" (2.00 on a 4.00 scale) from each UAA course to receive permission to register for future semesters; and
- ☐ Meet other program requirements established for secondary school students at the community campuses.

CAMPUS SAFETY & EMERGENCY PROCEDURES

www.uaa.alaska.edu/students/campussafety.cfm

This web site serves as UAA's central access point for campus safety information. From this site, web links take you to more information about personal safety, the campus safety report, safety escorts, and the University Police Department. For more information, please contact the University Police Department at **786-1120**.

CAMPUS SECURITY REPORT

The Campus Security Report contains UAA's campus crime statistics for the three most current years; campus security measures; crime reporting and alert procedures; crime prevention strategies and educational programs; the sexual offenses policy, complaint procedures, and disciplinary actions for violations of alcohol and other drug policies. The report is available online at **www.uaa.alaska.edu/safety**, or contact the Office of Student Affairs by calling 786-1214, or visiting Student Union 204.

CAMPUS SEX CRIMES PREVENTION ACT

The Campus Sex Crimes Prevention Act is a federal law that provides for the tracking of convicted sex offenders enrolled at or employed by institutions of higher education. The Act's intent is to extend the protections of sex offender registries to college campuses. Sex offenders who already must register with the State of Alaska, as required by state law, must provide notice to the State that they are employed, carry on vocation at, or are a student at the University of Alaska Anchorage. Members of the campus community may obtain information concerning registered sex offenders from the Alaska Department of Public Safety through the following web site: **www.dps.state.ak.us/nSorcr/asp**.

DRUG FREE SCHOOLS REPORT

The Drug Free Schools Report contains UAA's alcohol and other drug policies and behavioral expectations for students and employees; disciplinary actions for violations of these policies; resources available for assistance with alcohol and other drug issues. This report contains physiological effects, risks, and criminal penalties associated with alcohol and other drug use. The report is available at **www.uaa.alaska.edu/students/campussafety.cfm**, or contact the Office of Student Affairs by calling 786-1214, or visiting Student Union 204.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

UAA provides information on its policies regarding who has legal access to students' educational records, procedures to inspect and challenge the contents of a student's educational records, complaint procedures for alleged violations of FERPA policies. Please refer to the UAA Course Catalog or the Fact Finder student handbook for the policy text and a link to the University of Alaska Board of Regents' Policy and University Regulation (09.04.00) regarding education records.

NOTIFICATION OF CIVIL RIGHTS COMPLIANCE

In compliance with the Executive Order 11246; Title II of the Education Amendments of 1976; Title VI of the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972; Title IX Regulation Implementing Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; Office of Civil Rights Vocational Educational Guidelines; and all other Federal, State, School rules, laws, regulations, and policies, the University of Alaska Anchorage and extended campuses shall not discriminate on the basis of sex, age, race, color, national origin, religion, or disability in its educational programs or activities.

It is the intent of the University of Alaska Anchorage and extended campuses to comply with both the letter and spirit of the law in making certain discrimination does not exist in its policies, regulations, and operations. Grievance procedures for Title IX and Section 504 have been established for students and employees who feel discrimination has been shown by University of Alaska Anchorage and extended campuses.

Specific complaints of alleged discrimination under Title IX (gender) and Section 504 (disability) should be referred to:
Title IX/Section 504 Coordinator
Office of Campus Diversity and Compliance, UAA
3211 Providence Drive
Anchorage, Alaska 99508
(907) 786-4788

Title IX complaints may also be filed with the Office of Civil Rights:
Office of Civil Rights, Region X
U.S. Department of Education
2901 Third Avenue, M/S 106
Seattle, Washington 98121
(206) 442-1635

Students attending the University of Alaska Anchorage and community campuses may participate in education programs and activities, including, but not limited to health, physical education, and vocational and technical education, regardless of race, color, religion, national origin, age, sex, Vietnam era or disabled veteran status, physical or mental disability, changes in marital status, pregnancy or parenthood.

STUDENT DISPUTE/COMPLAINT RESOLUTION

UAA procedures for resolving student complaints or concerns may be found in the UAA Fact Finder student handbook and the UAA Course Catalog. Copies of the student handbook may be found at various locations around campus or in the Office of Student Affairs, Student Union 204, or online at **www.uaa.alaska.edu/studentaffairs/Fact-Finder.cfm**.

STUDENTS' RIGHT-TO-KNOW

UAA provides general consumer information such as tuition costs and fees, timelines, procedures to officially withdraw, refund schedules, financial assistance programs; eligibility and application process. This information may be found either in the course catalog or the semester class schedules, or you may request it from UAA Enrollment Services in the University Center, by calling 786-1480. Student completion and graduate rates; transfer-out rates; and retention rates are available from UAA Office of Institutional Planning, Research, and Assessment by calling 786-1483.

VOTER REGISTRATION

Students can register to vote via the Internet at **www.elections.state.ak.us**. On-campus voter registration is available in the USUAA office, Student Union 201, and at the Office of Student Affairs, Student Union 204. Voter registration for UAA students experiencing disabilities is available at Disability Support Services, Business Education Building 105. Their telephone number is 786-4530 or 786-4536 TTY. For additional information online about voter registration at the Anchorage campus, please visit **www.uaa.alaska.edu/voterinfo**.

For more information on student rights, freedoms, and responsibilities, refer to the UAA Course Catalog and the Fact Finder Student Handbook.
