Distance
Class Listing
Fall 2011

For the updated class schedule, course descriptions, information on fees, and to register for classes, go to UAOnline.alaska.edu
Distance Class Listing

UAA offers distance classes with delivery methods including Blackboard, eLive and audio conferencing. To register for distance classes, go to uanonline.alaska.edu. For additional information on a specific class, please contact the department or campus offering the class.

For general information on Anchorage Distance Education-supported classes, go to the Distance Education Services website at www.alaska.edu/distanceeducation.

A $38 distance fee applies to Anchorage classes supported through Distance Education Services. Other fees may apply; check the specific class listing on uanonline.alaska.edu for more information. Anchorage distance classes that are not supported through Distance Education Services are designated with a “D” in the section number. For information on these classes, contact the respective department or college. Other classes, including classes not supported through Distance Education and distance classes offered through other campuses, may charge different fees.

All Anchorage distance classes incorporate the course management system called Blackboard. All students enrolled in UAA distance classes are required to log in to Blackboard to retrieve course information. Details regarding Blackboard are below. More information is also available at www.uaa.alaska.edu/classes.

If you have questions about Anchorage distance classes, visit www.uaa.alaska.edu/distanceeducation, email distance@uaa.alaska.edu, or call (907) 786-4646, option 3, or toll-free at 1-877-633-3888 to speak with a representative.

Kenai, Kodiak and Mat-Su distance classes
Kenai, Kodiak and Mat-Su distance classes are open to UAA students. To view these colleges’ updated class schedules, go to uanonline.alaska.edu or go to www.kpc.alaska.edu for Kenai classes, www.kkc.alaska.edu for Kodiak classes, or www.matsu.alaska.edu for Mat-Su classes.

Blackboard

What is Blackboard?
Blackboard is an Internet-based course management system. Through Blackboard, students and faculty interact within a distance class. Students use Blackboard to gain access to course materials, assignments and other important items related to their distance class.

Where do I get my UA user name and password?
Go to www.uaa.alaska.edu/technology and click on the Identity & Password link.

Where is my Blackboard class located?
Blackboard has links from the UAA homepage and the Distance Education site at www.uaa.alaska.edu/distanceeducation, or go directly to www.uaa.alaska.edu/classes. Once you are enrolled in a class, you will visit this site often, so it’s a good idea to bookmark it on your computer. Each distance class you’re registered for will show up here on the first day of the semester. Not all classes you are enrolled in will show up on Blackboard, but all distance classes will be available here.

How do I make corrections to UAOnline or Blackboard?
Go to UAOnline if you need to update a mailing address or other personal information. For name changes, submit a form at One Stop Student Services in the University Center.

Equipment Requirements

Blackboard classes
Students registered for Anchorage distance classes must have access to a computer, word processing software and the Internet during the semester. For Blackboard classes, you will need:

- Windows XP, Vista 7, or Mac OS X 10.4, 10.5 or 10.6
- Modern web browser such as Firefox 3.5+, Internet Explorer 7+ or Safari 3.X+
- Java Runtime
- 1.2 GHz or faster CPU (e.g., Intel Pentium IV/Core Duo, Core 2 Duo, Core i3/5/7, etc.)
- 1 GB of RAM; 4 GB of RAM recommended
- DVD-ROM drive
- 1024 x 768 screen resolution
- 56 Kbps dial-up modem; 256 Kbs or faster cable/DSL modem recommended
- Word processing software (Microsoft Office)

Be sure to consult the syllabus of a specific class to learn more about the instructional format, policies, and hardware and software requirements.

Elluminate Live (eLive) classes*
Students participate over the Internet at scheduled times by running eLive, a web-conferencing software, on their computer. eLive is provided through your Blackboard account. If your class uses eLive, go to www.uaa.alaska.edu/elive for information and reference guides. For eLive classes, you will need:

- Blackboard requirements listed above
- Headset with a microphone

Audio conference classes*
Audio conference participants use a toll-free number and pass code to dial in to a common telephone line at a scheduled date and time. For audio conference classes, you will need:

- Blackboard requirements listed above
- Phone access

*ELive and audio conference classes have scheduled meeting times.

CIS - Computer Information & Office Systems

Offered through the Community & Technical College
University Center (UC), Room 130, 786-6426
www.uaa.alaska.edu/ctc/programs/cet/cios

There are no set class meeting dates/times for CIS self-directed courses and students complete the coursework at their own pace throughout the semester. Some classes may be completed at home, depending on software requirements.

Students enrolled in these courses start by entering the Blackboard site at www.uaa.alaska.edu/classes, reading the syllabus, and then completing any pre-course activities before starting the assignments. Tutorials for using Blackboard are under the Student Resources section of the website above.

Students can also receive assistance from the CIS lab staff and complete coursework in the University Center, Room 134; check the lab schedule for open lab hours. Self-directed courses must be completed during the semester in which they are taken.

Course fees may apply; refer to specific course listing on UAOnline.
