Failure to read the UAA Catalog does not excuse the student from the rules and procedures described in that document. The university reserves the right to change or withdraw courses; to change the fees, rules, and calendar for admission, registration, instruction and graduation; and to change other regulations affecting the student body at any time.

Check the class schedule at uaonline.alaska.edu for updated information

The University of Alaska Anchorage has a strong institutional commitment to the principles of diversity and takes affirmative action to achieve that end. The University does not discriminate in its educational and employment programs and activities on the basis of race, color, religion, national origin, age, sex, veteran status, physical or mental disability, marital status, pregnancy, or parenthood. Decisions affecting individuals shall be based on the individual's qualifications, abilities and performance, as appropriate.

Getting Started

The UAA website, www.uaa.alaska.edu, is the central place where students and future students may find all the information and forms they need to be successful. UAOnline, uaonline.alaska.edu, is the central access point for all student registration activity. Access UAOnline from the UAA homepage.

For new students, a great place to begin is at the UAA homepage at www.uaa.alaska.edu. From there, under Quick Links, choose One Stop. This leads to the One Stop website, www.uaa.alaska.edu/onestop, which has links to everything from the admission process, where you may find the new student checklist, to Degree Services, where you'll find information on the graduation process. You can also find electronic versions of the UAA catalog and class listings.

Find course descriptions and more information on registration, deadlines and fees at uaonline.alaska.edu.

Registration on UAOnline

UAOnline priority registration for spring 2011 will be open to admitted certificate- and degree-seeking UAA students at 12:01 a.m. Monday, November 8.

UAOnline open registration begins at 12:01 a.m. Monday, November 15.

For step-by-step instructions on registering via UAOnline, see Page 8.

UAOnline registration will remain open 24 hours a day, seven days a week until the close of registration. See the calendar for session dates. Expect occasional outages for system maintenance. Telephone assistance is available during regular business hours at (907) 786-1480, option 3.

Add/Drop Period

See calendar for session deadlines. During this period, faculty approval is required to register for a closed course and for courses requiring department/instructor approval, unless the course has not yet started according to the published start date of the course.

Multiple Registrations for Same Course

For any given semester, a student may not be simultaneously registered in two or more sections of the same course that have the same or overlapping starting and ending

dates. Students attempting to register for courses that are approved for multiple registrations should contact their academic department to request an override.

Payment Information

Payment is due by the published payment deadline even if a bill is not received. There will be no university-initiated drop for non-payment.

Payment plans are available through Tuition Management Systems (TMS) at www.afford.com/UAA.

Everyone who wants to take classes at UAA must be admitted to the university as a certificate-seeking, degree-seeking or non-degree-seeking student

Electronic Billing

An electronic bill will be generated on the 15th of each month and made available via UAOnline. An email reminder will be sent to your UA-assigned email address each time the bill is generated; a paper bill will not be mailed. A link on the UAOnline Statement and Payment History page will take you to the page where you can pay with a credit card or electronic check.

To view your electronic bill, go to UAOnline and choose Student from the main menu, then Student Account, then Statement and Payment History.

Failure to Meet Financial Obligations

University policy requires a financial hold be placed on your record if you fail to meet your financial obligations. The hold will prevent any registration, transcript or graduation activity.

Past due accounts will be sent to a collection agency. Interest, late fees and/or collection costs will be added to your account. Past due debt may be reported to a local credit bureau. The university is authorized to garnish Alaska Permanent Fund dividends for payment of past due accounts.

Prerequisites

Students are expected to check and meet all prerequisites before registering

for classes. Students who do not meet the prerequisites may be administratively dropped from the class. Any fees resulting from this, or any late registration procedure, will be the responsibility of the student.

Registration by Proxy

Students unable to register in person may have a proxy (someone else) register for them. Spouses, parents and friends are required to have a signed authorization to register for another person, including secondary school students.

The student must provide the proxy with a signed Proxy for Registration Form or other signed authorization to do so. The proxy must submit the signed authorization and picture ID at the time of registration. An updated proxy form must be submitted each semester. The Proxy for Registration Form is available at www.uaa.alaska.edu/admissions/forms.cfm.

Responsibility

The university holds students academically and financially responsible for their registration. Students who change their plans or become unable to attend must officially drop or withdraw from their classes within published deadlines in order to avoid a final grade of F for nonattendance. Classes must be dropped within the 100 percent refund period to avoid tuition assessment. Deadline information is available at www.uaa.alaska.edu/records/registration/spring2011registrationdeadlines.cfm.

Secondary School Student Applicants

Secondary school applicants may be admitted on a semester-by-semester basis to non-degree-seeking status. Students may register on a space-available basis, as priority is given to certificate- and degree-seeking students. Guidelines and process may be found at curric.uaa.alaska.edu/admreg/Secondary_School_Enrollment.htm.

Withdrawal Online

See calendar for session deadlines. Students may withdraw online. Course appears with a status of W on the transcript. Students cannot withdraw from a course after it has ended.

One Stop Student Services

At One Stop Student Services, we invite your comments and suggestions to make our services and website the best they can be.

Plan for Success

New semester checklist

- ☐ It is the student's responsibility to **be aware of dates and deadlines**.
- ☐ **Apply for admission.** Admission to the university in a certificate, associate's or bachelor's degree program does not necessarily indicate you are ready for college-level coursework.
- ☐ **Meet with your major advisor** for assistance in selecting your courses. See www.uaa.alaska.edu/advising-testing or Page 6 for advising contacts.
- ☐ **Review any registration restrictions, prerequisites and special notes** that may be associated with the courses you select (for example, completion of math or English placement tests).
- ☐ **Attend new student orientation** if this is your first semester. For more information, go to www.uaa.alaska.edu/orientation.
- ☐ **Verify financial aid** and check disbursement information at uaonline.alaska.edu.
- ☐ **Check for updated course offerings** by going to the Class Schedule link on uaonline.alaska.edu. Be sure to check the start dates of each class for which you register.
- ☐ **Be aware of class locations.** The UAA campus is over a mile long and the University Center building is 1.2 miles from the main campus. The Seawolf Shuttle provides an easy way to move between buildings on campus, including the University Center. However, it takes time to ride the shuttle and walk to your classroom. When registering for classes, plan for extra time needed to reach widely separated buildings. See the Building Locations information on Page 14 and refer to the campus map at www.uaa.alaska.edu/map when planning your schedule. The shuttle schedule may be found at www.uaa.alaska.edu/fcs/maintenanceoperations/operations/shuttle.cfm.
- ☐ **Register for classes** through uaonline.alaska.edu.
- ☐ **Pay tuition and fees** before published deadlines to avoid being assessed late payment fees. You are responsible academically and financially for your registration activity. Unpaid accounts will be sent to a collection agency and/or collected via garnishment of Alaska Permanent Fund dividends.
- ☐ **Purchase books and supplies** at the bookstore. More information is at www.uaa.alaska.edu/bookstore.
- ☐ **Remember to officially drop or withdraw by the published deadlines** if you determine that you are unable to complete a course. Failure to do so will result in a grade of F for non-attendance and may affect your financial aid and grade point average (GPA).
- ☐ **Regularly check your UAA email and UAOnline accounts** for changes or updates.

Base and Post Access for Civilian Students

Classes on Elmendorf Air Force Base and Fort Richardson require special access permits. Attending classes offered at these locations is a privilege extended by the base and post to UAA students. Students are reminded they are entering military installations during a time of war. Compliance with all directions of the Army Military Police and the Air Force Security Forces is required while on any installation.

Elmendorf Air Force Base and Fort Richardson require the following:

1. Students must have a driver's license, current insurance card and current registration to drive a vehicle on the installations. These are the same items required to legally drive a vehicle in Alaska.
2. **Classes on Fort Richardson:** To obtain a semester-long pass, students must contact the UAA office at Fort Richardson prior to the start of semester to complete the base access form. These forms take up to 15 working days to process. Call (907) 428-1228

for additional information. Day passes are no longer available without a military sponsor.

3. **Classes on Elmendorf Air Force Base:** Students at Elmendorf are added to the base access list for the day the class starts. Students must call the Elmendorf UAA office at (907) 753-0204 and provide required information prior to the start of classes. For the first class, stop at the Visitors Center at the Boniface Parkway Gate. Students will be issued a temporary pass. Additions to the access list take up to 10 working days for processing by USAF Security Forces. Base access is provided only to registered students. Students may not bring additional civilians on the base. If a student needs to obtain a ride to class on the base, those holding appropriate military ID may escort them. Students holding foreign student visas must contact the Elmendorf Military Programs for specific base access procedures.

4. Base and post access is granted only to attend classes at the base and post education centers.

Wolfcard

To receive your initial student ID, register for classes and then bring a photo ID to the Wolfcard Office in the University Center.

Existing Wolfcards are automatically updated, so there is no need to visit the Wolfcard Office in later semesters.

For more information, go to www.uaa.alaska.edu/wolfcard.

Alaska Residency

A person eligible for resident tuition is a person who, at the end of the add/drop period for regular semester-length courses, is a United States citizen or eligible noncitizen that has been physically present in Alaska for two years and who declares the intention to remain in Alaska indefinitely. The University of Alaska policy on resident and nonresident tuition may be referenced in the current University of Alaska Board of Regents' Policy and University Regulation, Chapter 05.10 Tuition and Student Fees, at www.alaska.edu/bor/policy-regulations. The Residency Form and Application for

Nonresident Surcharge Waiver may be found at www.uaa.alaska.edu/admissions/forms.cfm. The deadline for requesting residency and submitting all required documentation is prior to the published last day of the add/drop period for regular semester-length classes of the first semester in which residency is sought.

- Nonresident students who restrict their registration to no more than 4 credits each semester will be charged resident tuition. Nonresident students taking 5 credits or more are assessed nonresident fees on all academic credits.

Senior Citizens

Board of Regents' Policy 05.10.08.B: "Regular tuition shall be waived for Alaska residents who are otherwise age eligible to receive full Social Security retirement benefits, who register on a space available basis; that is, when courses can accommodate such students in addition to other enrolled students." Transitional provision: "Individuals who were eligible for senior citizen tuition waivers on Sept. 21, 2005, under the previous policy shall continue to be eligible for the waiver."

- Senior citizens must pay all additional course fees. To waive tuition, senior citizens must register and present a completed tuition waiver with proof of age.
- Registration using a senior citizen tuition waiver for payment is permitted only after instruction begins and must be completed by the add deadline.
- Senior citizens may register before instruction begins;

however, they must pay full tuition and fees (use of senior citizen tuition waiver will not be accepted). Senior citizens electing to register and pay tuition are subject to all payment deadlines. Refunds will NOT be available to senior citizens who drop courses and then re-register in the same courses using a tuition waiver.

Tuition waivers for eligible senior citizens are available from Accounting Services, or online at www.uaa.alaska.edu/admissions/forms.cfm.

Note: The Student Government Fee and Student Media Fee are waived for senior citizens. The Student Life Fees and Transportation Fee are mandatory for all students taking 3 or more credits on the Anchorage campus. The Student Health and Counseling Fee is mandatory for all students taking 6 or more credits, with 3 credits on the Anchorage campus.

Mandatory Student Fees

Fees are charges students must pay either in addition to or in place of tuition.

Mandatory student fees are charged to all students (including second-year school students) registering in 3 or more credits for courses held on the Anchorage campus*, based on the total registration once the 3-credit on-campus criteria is met. The student fees are not refundable unless the student totally withdraws during the 100 percent refund period.

Students may elect to pay certain student fees if they are registered in 1 to 5 academic credits, or 200 or more contact hours, in one semester. Student Life Fees for students registered in fewer than 6 credits are set at a fixed rate. Contact the Issue Cage in the Wells Fargo Sports Complex for information about the Athletics/Sports Complex Fee; contact Student Activities in the Student Union regarding the Student Activity Fee. Student Health and Counseling Center services are not available to students registered in fewer than 6 academic credits.

Base Fees

Base fees vary and are shown on the UAOnline detailed class information pages. To view fees for a given class, go to uaonline.alaska.edu to the class schedule and click on the CRN.

Two Percent Network Charge: The 2 percent network charge is to cover rapidly rising costs, especially in the maintenance and enhancement of our university-wide technology infrastructure. This will be applied on a course-by-course basis to tuition, nonresident surcharges if applicable, and fees in lieu of tuition, for credit and noncredit courses. Courses with applicable fees charged in lieu of tuition less than the lower division credit hour tuition rate (\$147 for Academic Year 2010-2011) will be exempt from the charge. All calculated fees will be rounded to the nearest dollar. The minimum network charge per

course will be \$3.

Administrative Fee: An administrative fee may be charged instead of tuition.

Distance Fee: A \$38 distance fee is charged for each distance education course (offered through Educational Media Services). Call (907) 786-6177 for additional information about distance courses.

Lab and Materials Fees: These additional charges cover the costs of lab supplies. Refer to the specific class listing on UAOnline for more information on lab and material fees. These fees are not refundable unless you drop during the 100 percent refund period.

Special Fees: Special fees are assessed to pay for travel, equipment or facilities out of the ordinary.

Other Fees

The following fees are applicable in specific circumstances and may not apply to everyone.

Continuous Registration Fee (graduate students): The continuous registration fee is \$338 per semester.

Late Payment Fees: A \$125 fee will be assessed on all accounts which are not paid by the payment deadline. An additional \$175 fee will be assessed on all accounts still outstanding and not paid by 5 p.m. March 21. Students who pay for or drop their courses prior to the published payment deadline will NOT be required to pay the fee.

Parking Fee: Fee paid to use parking lots on campus each semester. Students may buy parking decals at www.thepermitstore.com. For more information, call the Parking Office at (907) 786-1119.

UAA is Changing Loan Programs

This summer UAA transitioned to a new student loan program. In the past, we have participated in the Federal Family Education Loan Program in which student loans are made by banks and other financial institutions. Starting with spring 2010, we began the transition from the Federal Family Education Loan Program (FFELP) to the Federal Direct Student Loan Program (DL).

Q: Why is the university changing its loan process?

A: Volatility in the credit markets and reductions in lender subsidies have caused many lenders to stop offering borrower benefits and reduce their level of customer service. Several major lenders have made changes to their program that caused a delay in students receiving funds or other inconveniences. Some have dropped out of FFELP altogether, sometimes without notice. The Direct Loan program is not impacted by changes in the economy. We believe that this program will offer students and parents a more streamlined, stable and predictable borrowing experience.

The United States Congress has also indicated they plan to complete legislation that will end FFELP. With this decision pending, the university decided to begin an immediate transition to allow a smooth and timely switch.

Q: Is there a difference between the programs?

A: In both programs students borrow Federal Stafford Loans and PLUS loans under the same terms. The loan limits are the same and the interest rates are the same. The only difference is that borrowers no longer need to choose a lender. Under the DL program there is only one lender, the U.S. Department of Education.

Q: I am a student loan borrower, what do I need to do?

A: All borrowers will need to complete a Master Promissory Note (MPN) for the Federal Direct Loan program at www.dlenote.ed.gov. You will also need to complete new entrance counseling at www.dl.ed.gov.

Of course, a critical step in the process is to complete your 2010-11 Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov.

CHEM - Chemistry

Offered through the College of Arts and Sciences
ConocoPhillips Integrated Sciences Building (CPSB), Room 101,
786-1238
chem.uaa.alaska.edu

All students planning to register for any Chemistry course at or above CHEM A103 are required to bring written proof to the first class meeting of the semester of having met the prerequisites for that course as listed in the current UAA Catalog. This proof may be a transcript, grade slip or letter from a faculty member, and must be given to the instructor for examination.

Students who do not have this proof may be administratively dropped immediately at the discretion of the faculty.

Most Chemistry courses require a lab with a lecture. You MUST enroll in both.

Due to University Safety and Hazardous Communications requirements, attendance is mandatory for all Chemistry laboratory courses the first week.

Any student not attending the first scheduled meeting for CHEM A103, A104, A105, A106 and A323 labs will be administratively dropped and any student on a waiting list will be added.

Any fees resulting from this, or any late registration procedure, will be the responsibility of the student.

Course fees may apply; refer to specific course listing on UAOnline.

Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.									
	All students enrolling in PEP courses are required to complete an Acknowledgement of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

PER - Physical Education & Recreation

*Offered through the Community & Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
www.uaa.alaska.edu/ctc/programs/hper*

Many PER courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PER courses are required to complete an Acknowledgment of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

MINORS: Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students under 16 years of age cannot enroll.

Course fees may apply; refer to specific course listing on UAOnline.

Blackboard

What is Blackboard?

Blackboard is an Internet-based course management system. Through Blackboard, students and faculty interact within a distance class. Students use Blackboard to gain access to the course materials, assignments and other important items related to their distance class.

Where do I get my UA user name and password?

Go to www.uaa.alaska.edu/technology and

click on the Identity & Password link.

Where is my Blackboard class located?

Blackboard has links from the UAA home page and the Distance Education site at www.uaa.alaska.edu/distanceeducation.

The direct link is www.uaa.alaska.edu/classes. Once you are enrolled in a course you will visit this site often, so it's a good idea to bookmark it on your computer. Each distance class you're registered for will show up here on the first day of the semester.

Not all courses you are enrolled in will show up on Blackboard, though all distance classes will be available here.

How do I make corrections to UAOnline or Blackboard?

Go to UAOnline if you need to update a mailing address or other personal information. For name changes, submit a form at the One Stop Student Services in the University Center.

PEP - Physical Education Professional

Offered through the Community and Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
www.uaa.alaska.edu/ctc/programs/hper

Many PEP courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PEP courses are required to complete an Acknowledgement of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

MINORS: Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students under 16 years of age cannot enroll.
