Tuition

Tuition is determined by:

- the number of course credit hours,
- the level (e.g., 100-level, 200-level) of the course, and
- the student's residency status.

Students taking 4 or fewer credits are charged at the resident rate.

Tuition for Academic Year 2015-16

| Course Level | Resident | Nonresident |
|--|--|-------------------------------|
| Undergraduate lower division (course numbers 050-299) | \$183 per credit hour | \$649 per credit hour |
| Undergraduate upper division (course numbers 300-499) | \$221 per credit hour | \$687 per credit hour |
| Professional development (course numbers 500-599) | Tuition costs vary - contact the academic department or refer to specific course listing on UAOnline | Nonresident fees do not apply |
| Graduate (course numbers 600-699) | \$423 per credit hour | \$864 per credit hour |

Resident and Nonresident Tuition

A person eligible for resident tuition is a person who, at the end of the add/drop period for semester-length courses, is a U.S. citizen or eligible non-citizen who has been physically present in Alaska for two years and who declares the intention to remain in Alaska indefinitely. The University of Alaska policy on resident and nonresident tuition may be referenced in the current University of Alaska Board of Regents' Policy and University Regulation, Chapter 05.10 Tuition and Student Fees, at www.alaska.edu/bor/policy-regulations.

The Application for Resident Tuition Assessment may be found at www.uaa.alaska.edu/futurestudents/residency.cfm. The deadline for requesting residency and submitting all required documentation is before the add/drop deadline of the first semester in which residency is sought.

Nonresident students who restrict their registration to 4 or fewer credits each semester will be charged resident tuition. Nonresident students taking 5 or more credits are assessed nonresident fees on all academic credits.

Senior Citizen Tuition Waiver

UAA welcomes senior citizens to its classrooms and waives tuition for those eligible under Board of Regents policy R05.10.080. Regular tuition shall be waived for Alaska residents who are otherwise age eligible to receive full Social Security retirement benefits and who register on a space-available basis, that is, when courses can accommodate such students in addition to other enrolled students. Use of senior citizen waivers is governed accordingly:

- Senior citizens must register and present a completed tuition waiver with proof of age during the add/drop period, but not prior to the first day of class. Pre-registering, dropping, then re-registering for courses is not permitted with a tuition waiver.
- If a senior citizen elects to register before the add/drop period, they must pay full tuition and fees and the tuition waiver will not be accepted.
- Senior citizens must pay all additional course fees.
- The UAA Student Government and Student Media fees are waived.
- The UAA Student Life and Student Transportation fees are mandatory for all students taking 3 or more credits on the Anchorage campus.

Students should complete a Tuition Waiver Request, available [online](#) or at the University Center. Waiver forms should be completed and submitted, with proof of age eligibility, to the UAA Cashiering Office in the University Center.

Fees

Mandatory Student Fees

Mandatory student fees are charged to all students (including secondary school students) registering in 3 or more credits for courses held on the Anchorage campus, based on the total registration once the 3-credit on-campus criteria is met, with the exception of the Facilities and Technology fees, which are charged beginning at 1 credit. The Aviation Complex, King Career Center and University Center are considered on-campus facilities for purposes of fee assessment. Student fees are not refundable unless the student totally withdraws during the 100 percent refund period.

For fall and spring semesters, students may elect to pay certain student fees if they are registered in 1 to 5 credits, or 200 or more contact hours, in one semester. The Student Life Fee for students registered in fewer than 6 credits is set as a fixed rate.

For summer semester, students may elect to pay certain student fees if they are registered in 1 to 2 credits in one semester. The Student Life Fee for students registered in fewer than 3 credits is set as a fixed rate.

Student Health and Counseling Center services are not available to students registered in fewer than 6 academic credits.
