### **BASE AND POST ACCESS FOR CIVILIAN STUDENTS**

Classes on base and on post require special access permits. Attending classes offered at these locations is a privilege extended by the base and post to UAA students.

Students are reminded they are entering military installations during a time of war. Compliance with all directions of the Army Military Police and the Air Force Security Forces is required while on any installation.

Elmendorf Air Force Base and Fort Richardson require the following for vehicles driven on the installations:

1. Driver's license, current insurance card, current registration. These are the same items required by the State of Alaska to legally drive a vehicle.
2. **Classes on Fort Richardson:** To obtain a semester long pass, students must contact the UAA office at Fort Richardson prior to the start of semester to complete the base access form. These forms take up to 15 working days to process. **Call (907) 428-1228 for additional information.** Day passes are no longer available without a military sponsor.
3. **Classes on Elmendorf Air Force Base:** Students at Elmendorf Air Force Base are added to the base access list for the day the class starts. **Students must contact the EAFB UAA Office at 753-0204 and provide required information prior to the start of classes.** For the first class, stop at the Visitors Center at the Boniface Parkway Gate. Students will be issued a temporary pass. Additions to the access list take up to 10 working days hours for processing by USAF Security Forces. Base access is provided only to registered students. Students may not bring additional civilians on the base. If a student needs to obtain a ride to class on the base, or those holding appropriate military ID may escort them. Students holding foreign student visas must contact the Elmendorf Military Programs for specific base access procedures.
4. Base and Post access is granted only to attend classes at the base and post education centers.

### **ALL REGISTRATION DATES PERTAIN TO SEMESTER-LENGTH CLASSES.**

Visit [www.uaa.alaska.edu/records/registration/fall2010registrationdeadlines.cfm](http://www.uaa.alaska.edu/records/registration/fall2010registrationdeadlines.cfm) for more information.

Failure to read the UAA Catalog does not excuse the student from the rules and procedures described in that document. The University reserves the right to change or withdraw courses; to change the fees, rules, and calendar for admission, registration, instruction, and graduation; and to change other regulations affecting the student body at any time.

**Check the class listing online for updated information: [uaonline.alaska.edu](http://uaonline.alaska.edu)**

The University of Alaska Anchorage has a strong institutional commitment to the principles of diversity and takes affirmative action to achieve that end. The University does not discriminate in its educational and employment programs and activities on the basis of race, color, religion, national origin, age, sex, veteran status, physical or mental disability, marital status, pregnancy or parenthood. Decisions affecting individuals shall be based on the individual's qualifications, abilities and performance, as appropriate.

The UAA Web site, [www.uaa.alaska.edu](http://www.uaa.alaska.edu), is the central place where students and future students may find all the information and forms they need to be successful. UAOnline, [uaonline.alaska.edu](http://uaonline.alaska.edu), is the central access point for all student registration activity. Access UAOnline from the UAA home page.

For new students, a great place to begin is at the UAA home page, [www.uaa.alaska.edu](http://www.uaa.alaska.edu). From there, under Quick Links, choose **One Stop**. This leads to a page with links to everything from the **Admission Process**, where you may find the new student checklist, to **Degree Services**, where you'll find the graduation process. The UAA catalog, class listing, and most recent updates to the printed listing are available through this Web site: [www.uaa.alaska.edu/records](http://www.uaa.alaska.edu/records)

Find course descriptions and more information on registration, deadlines, and fees at [uaonline.alaska.edu](http://uaonline.alaska.edu)

### **REGISTRATION ON UAONLINE**

**UAOnline Priority Registration** will be open to admitted certificate- and degree-seeking UAA students at 12:01am on Monday, **April 5**.

**UAOnline Open Registration** begins at 12:01am **April 12**.

UAOnline registration will remain open 24 hours per day, seven days per week until close of registration. See the calendar for session dates. Expect occasional outages for system maintenance. Telephone assistance is available during regular business hours at (907) 786-1480, option 3.

**Everyone who wants to take classes at UAA must be admitted to the University as either a certificate-seeking, degree-seeking, or non-degree-seeking student.**

### **ADD/DROP PERIOD**

See calendar for session deadlines. During this period, faculty approval is required to register for a closed course and for courses requiring department/instructor approval, unless the course has not yet started according to the published start date of the course.

### **MULTIPLE REGISTRATIONS FOR SAME COURSE**

For any given semester, a student may not be simultaneously registered in two or more sections of the same course that have the same or overlapping starting and ending dates. Students attempting to register for courses that are approved for multiple registrations should contact their academic department to request an override.

### **PAYMENT INFORMATION**

Payment is due by the published payment deadline even if a bill is not received. There will be no University-initiated drop for non-payment.

Payment plans are available through Tuition Management Systems (TMS) at [www.afford.com/UAA](http://www.afford.com/UAA).

### **ELECTRONIC BILLING**

An electronic bill will be generated on the 15th of each month and made available via UAOnline. An email reminder will be sent to your **UA-assigned email address** each time the bill is generated; a paper bill will not be mailed. A link on the UAOnline Statement and Payment History page will take you to the page where you can pay with a credit card or electronic check. To view your electronic bill, go to UAOnline and choose Student from the main menu, then Student Account, then Statement and Payment History.

### **FAILURE TO MEET FINANCIAL OBLIGATIONS**

University policy requires a financial hold be placed on your record if you fail to meet your financial obligations. The hold will prevent any registration, transcript, or graduation activity.

Past due accounts will be sent to a collection agency. Interest, late fees, and/or collection costs will be added to your account. Past due debt may be reported to a local credit bureau. The University is authorized to garnish the State of Alaska PFDs for payment of past due accounts.

### **PREREQUISITES**

Students are expected to check and meet all prerequisites before registering for classes. Students who do not meet the prerequisites may be administratively dropped from the class. Any fees resulting from this, or any late registration procedure, will be the responsibility of the students.

### **REGISTRATION BY PROXY**

Students unable to register in person may have a proxy (someone else) register for them. Spouses, parents, and friends are required to have a signed authorization to register for another person, including secondary school students.

The student must provide the proxy with a signed Proxy for Registration Form or other signed authorization to do so. The proxy must submit the signed authorization and picture ID at the time of registration. An updated proxy form must be submitted each semester. The **Proxy for Registration** form is available at [www.uaa.alaska.edu/admissions/forms.cfm](http://www.uaa.alaska.edu/admissions/forms.cfm)

### **RESPONSIBILITY**

The University holds students academically and financially responsible for their registration. Students who change their plans or become unable to attend must officially drop or withdraw from their courses within published deadlines in order to avoid a final grade of "F" for nonattendance. Courses must be dropped within the 100% refund period to avoid tuition assessment. Deadline information is available at

[www.uaa.alaska.edu/records/registration/fall2010registrationdeadlines.cfm](http://www.uaa.alaska.edu/records/registration/fall2010registrationdeadlines.cfm)

### **SECONDARY SCHOOL STUDENT APPLICANTS**

Secondary school applicants may be admitted on a semester-by-semester basis to non-degree-seeking status. Students may register on a space-available basis, as priority is given to certificate- and degree-seeking students. Guidelines and process may be found at [http://curric.uaa.alaska.edu/admreg/Secondary\\_School\\_Enrollment.htm](http://curric.uaa.alaska.edu/admreg/Secondary_School_Enrollment.htm)

### **WITHDRAWAL ONLINE**

See calendar for session deadlines. Students may withdraw online. Course appears with a status of "W" on the transcript. Students cannot withdraw from a course after it has ended.

# Plan for success

**Please check the following before you start the new semester.**

- It is the student's responsibility to be aware of dates and deadlines.
- Apply for admission. Admission to the University in a certificate, associate, or bachelor's degree program does not necessarily indicate you are ready for college-level coursework.
- Meet with your major advisor or an advisor in the Advising and Testing Center for assistance in selecting your courses.
- Review any registration restrictions, prerequisites, and special notes that may be associated with the courses you select (for example, completion of math or English placement test).
- Attend new student orientation if this is your first semester. [www.uaa.alaska.edu/orientation](http://www.uaa.alaska.edu/orientation)
- Verify financial aid and check disbursement information at [uaonline.alaska.edu](http://uaonline.alaska.edu)
- Check [uaonline.alaska.edu](http://uaonline.alaska.edu) and select the Class Schedule link for course offering updates. Be sure to check the start dates and locations of each course for which you register.
- Register for classes through [uaonline.alaska.edu](http://uaonline.alaska.edu)
- Pay tuition and fees before published deadlines to avoid being assessed late payment fees. You are responsible academically and financially for your registration activity. Unpaid accounts will be sent to a collection agency and/or collected via garnishment of State of Alaska Permanent Fund Dividends.
- Purchase books and supplies at the bookstore. [www.uaa.alaska.edu/bookstore](http://www.uaa.alaska.edu/bookstore)
- Remember to officially drop or withdraw by the published deadlines if you decide at any time that you are unable to complete a course. Failure to do so will result in a grade of "F" for non-attendance and may affect your financial aid and grade-point average (GPA).
- Be aware of class locations. The UAA campus is over a mile long and the University Center facility is 1.2 miles from the main campus. Seawolf Shuttles provide an easy way to move between buildings on the campus, including the University Center location. However, it takes time to ride the shuttle and walk to your classroom. When registering for classes, plan for extra time needed to reach widely separated buildings. See the Building Locations page in this schedule and refer to the campus map at [www.uaa.alaska.edu/maps](http://www.uaa.alaska.edu/maps) when planning your schedule. The shuttle schedule may be found at [edit.uaa.alaska.edu/fcs/maintenanceoperations/operations/shuttle.cfm](http://edit.uaa.alaska.edu/fcs/maintenanceoperations/operations/shuttle.cfm)
- Regularly check your UAA email accounts and UAOnline for changes or updates.

## Alaska Residency

A person eligible for resident tuition is a person who, at the end of the add/drop period for regular semester-length courses, is a United States citizen or eligible non-citizen that has been physically present in Alaska for two years and who declares the intention to remain in Alaska indefinitely. The University of Alaska policy on resident and non-resident tuition may be referenced in the current University of Alaska Board of Regents Policy and Regulations, Chapter 05.10 Tuition and Student Fees, at [www.alaska.edu/bor/policy-regulations](http://www.alaska.edu/bor/policy-regulations). The Residency form and Application for Non-Resident Surcharge Waiver may be found online at [www.uaa.alaska.edu/admissions/forms.cfm](http://www.uaa.alaska.edu/admissions/forms.cfm). The deadline for requesting residency and submitting all required documentation is prior to the published last day of the add/drop period for regular semester-length classes of the first semester in which residency is sought.

- Non-resident students who restrict their registration to no more than 4 credits each semester will be charged resident tuition. Non-resident students taking 5 credits or more are assessed non-resident fees on all academic credits.

## Senior Citizens

Board of Regents' Policy 05.10.08.B: "Regular tuition shall be waived for Alaska residents who are otherwise age eligible to receive full Social Security retirement benefits, who register on a space available basis; that is, when courses can accommodate such students in addition to other enrolled students." Transitional provision: "Individuals who were eligible for senior citizen tuition waivers on September 21, 2005 under the previous policy shall continue to be eligible for the waiver."

- Senior citizens must pay all additional course fees. To waive tuition, senior citizens must register and present a completed tuition waiver with proof of age.
- Registration using a senior citizen tuition waiver for payment is permitted only after instruction begins and must be completed by the add deadline.
- Senior citizens may elect to register before instruction begins; however, they must pay full tuition and fees (use of senior citizen tuition waiver will not be accepted). Senior citizens electing to register and pay tuition are subject to all payment deadlines. Refunds will NOT be available to senior citizens who drop courses and then re-register in the same courses using a tuition waiver.

Tuition waivers for eligible senior citizens are available from Accounting Services, or online:

[www.uaa.alaska.edu/admissions/forms.cfm](http://www.uaa.alaska.edu/admissions/forms.cfm)

Note: The Student Government Fee and Student Media Fee are waived for senior citizens. The Student Life Fees and Transportation Fee are mandatory for all students taking 3 or more credits on the Anchorage campus. The Student Health and Counseling Fee is mandatory for all students taking 6 or more credits, with 3 credits on the Anchorage campus.

## Fees are charges students must pay either in addition to or in place of tuition.

Base fees vary and are shown on the UAOnline detailed class information pages. To view fees for a given course, go to [uaonline.alaska.edu](http://uaonline.alaska.edu) to the class schedule listing and click on the CRN.

**2% Network Charge** The 2% network charge is to cover rapidly rising costs, especially in the maintenance and enhancement of our university-wide technology infrastructure. This will be applied on a course-by-course basis to tuition, non-resident surcharges if applicable, and fees in lieu of tuition, for credit and noncredit courses. Courses with applicable fees charged in lieu of tuition less than the lower division credit hour tuition rate (\$147 for Academic Year 2010-2011) will be exempt from the charge. All calculated fees will be rounded to the nearest dollar. The minimum network charge per course will be \$3.

**Administrative Fee** An administrative fee may be charged instead of tuition.

**Distance Fee** A \$38 distance fee is charged for each Distance Education course (offered through Educational Media Services). Call (907) 786-6177 for additional information about distance courses.

**Lab and Materials Fees** These additional charges cover the costs of lab supplies. Refer to the specific course listing on UAOnline for more information on lab and material fees. These fees are not refundable unless you drop during the 100% refund period.

**Special Fees** Special fees are assessed to pay for travel, equipment, or facilities out of the ordinary.

Mandatory Student Fees are charged to all students (including secondary school students) registering in 3 credits or more for courses held on the Anchorage campus\*, based on the total registration once the 3-credit on-campus criteria is met. The Student Fees are not refundable unless the student totally withdraws during the 100% refund period.

Students may elect to pay certain Student Fees if they are registered in 1-5 academic credits, or 200 or more contact hours, in one semester. Student Life Fees for students registered in fewer than 6 credits are set at a fixed rate. Contact the Issue Cage in the Wells Fargo Sports Complex for information about the Athletics/Sports Complex Fee, and contact Student Activities in the Student Union regarding the Student Activity Fee. Student Health and Counseling Center services are not available to students registered in fewer than 6 academic credits.

\*The Aviation Technology Center, King Career Center, University Center, and Wendler Junior High are considered on-campus facilities for purposes of fee assessment.

## UAA is Changing Loan Programs

This summer we are in a transition to a new student loan program. In the past, we have participated in the Federal Family Education Loan Program in which student loans are made by banks and other financial institutions. Starting with Spring 2010, we began the transition from the Federal Family Education Loan Program (FFELP) to the **Federal Direct Student Loan Program (DL)**.

### **\*Why is the University changing its loan process?\***

Volatility in the credit markets and reductions in lender subsidies have caused many lenders to stop offering borrower benefits and reduce their level of customer service. Several major lenders have made changes to their program that caused a delay in students receiving funds or other inconveniences. Some have dropped out of the FFELP program altogether, sometimes without notice. The Direct Loan program is not impacted by changes in the economy. We believe that this program will offer students and parents a more streamlined, stable, and predictable borrowing experience.

The Congress of the United States has also indicated they plan to complete legislation that will end the FFELP. With this decision pending, the University decided to begin an immediate transition to allow a smooth and timely switch.

### **\*Is there a difference between the programs?\***

In both programs students borrow Federal Stafford Loans and PLUS loans under the same terms. The loan limits are the same and the interest rates are the same. The only difference is that borrowers no longer need to choose a lender. Under the DL there is only one lender, the US Department of Education.

### **\*I am a student loan borrower, what do I need to do?\***

All borrowers will need to complete a Master Promissory Note (MPN) for the Federal Direct Loan program at [www.dlenote.ed.gov](http://www.dlenote.ed.gov). You will also need to complete new entrance counseling at [www.dl.ed.gov](http://www.dl.ed.gov).

Of course a critical step in the process is to complete your **2010-11 Free Application for Federal Student Aid (FAFSA)** at [www.fafsa.gov](http://www.fafsa.gov).

### CHEM - CHEMISTRY

*Offered through the College of Arts and Sciences  
ConocoPhillips Integrated Sciences Building (CPSB), Room 101,  
786-1238  
<http://chem.uaa.alaska.edu>*

All students planning to register for any CHEM course at or above CHEM A103 are required to bring written proof to the first class meeting of the semester of having met the prerequisites for that course as listed in the current UAA catalog. This proof may be a transcript, grade slip or letter from a faculty member, and must be given to the instructor for examination.

Students who do not have this proof may be administratively dropped immediately at the discretion of the faculty.

Most CHEM courses require a lab with a lecture. You must enroll in both.

Due to University Safety and Hazardous Communications requirements, attendance is mandatory for all CHEM laboratory courses the first week.

Any student not attending the first scheduled meeting for CHEM A103, A104, A105, A106, and A323 labs will be administratively dropped and any student on a waiting list will be added. Any fees resulting from this, or any late registration procedure, will be the responsibility of the student.

Course fees may apply; refer to specific course listing on UAOnline.

**PEP - PHYSICAL EDUCATION PROFESSIONAL**

*Offered through the Community and Technical College  
Eugene Short Hall (ESH), Room 125, 786-4083  
www.uaa.alaska.edu/ctc/hper*

Many PEP courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PEP courses are required to complete an Acknowledgement of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

**MINORS:** Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students younger than 16 cannot enroll.

Course fees may apply; refer to specific course listing on UAOnline.

**PER - PHYSICAL EDUCATION & RECREATION**

*Offered through the Community & Technical College  
Eugene Short Hall (ESH), Room 125, 786-4083  
www.uaa.alaska.edu/ctc/hper*

Many PER courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PER courses are required to complete an Acknowledgment of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

**MINORS:** Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students younger than 16 cannot enroll.

Course fees may apply; refer to specific course listing on UAOnline.

Eugene Short Hall (ESH), Room 125, 786-4083  
[www.uaa.alaska.edu/ctc/hper](http://www.uaa.alaska.edu/ctc/hper)

Many PER courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PER courses are required to complete an Acknowledgment of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

**MINORS:** Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students younger than 16 cannot enroll.

Course fees may apply; refer to specific course listing on UAOnline.

Blackboard has links from the UAA home page and the Distance Education site, [www.uaa.alaska.edu/distanceeducation](http://www.uaa.alaska.edu/distanceeducation). The direct link is [www.uaa.alaska.edu/classes](http://www.uaa.alaska.edu/classes). Once you are enrolled in a course you will visit this site often, so it's a good idea to bookmark it on your computer. Distance classes for each semester are located here. Each distance class will show up on the first day of the semester for which you register. Not all courses you are enrolled in will show up on Blackboard, though all distance classes will be available here.
