Failure to read the UAA Catalog does not excuse the student from the rules and procedures described in that document. The University reserves the right to change or withdraw courses; to change the fees, rules, and calendar for admission, registration, instruction, and graduation; and to change other regulations affecting the student body at any time.

Check the class listing online for updated information: uaonline.alaska.edu

The University of Alaska Anchorage has a strong institutional commitment to the principles of diversity and takes affirmative action to achieve that end. The University does not discriminate in its educational and employment programs and activities on the basis of race, color, religion, national origin, age, sex, veteran status, physical or mental disability, marital status, pregnancy or parenthood. Decisions affecting individuals shall be based on the individual's qualifications, abilities and performance, as appropriate.

The UAA Web site, www.uaa.alaska.edu, is the central place where students and future students may find all the information and forms they need to be successful. UAOnline, uaonline.alaska.edu, is the central access point for all student registration activity. Access UAOnline from the UAA home page.

For new students, a great place to begin is at the UAA home page, www.uaa.alaska.edu. From there, under Quick Links, choose **One Stop**. This leads to a page with links to everything from the **Admission Process**, where you may find the new student checklist, to **Degree Services**, where you'll find the graduation process. The UAA catalog, class listing, and most recent updates to the printed listing are available through this Web site: www.uaa.alaska.edu/records

REGISTRATION ON UAONLINE

UAOnline Priority Registration will be open to admitted certificate- and degree-seeking UAA students at 12:01am on Monday, **February 22**.

UAOnline Open Registration begins at 12:01am on **March 1**.

UAOnline registration will remain open 24 hours per day, seven days per week until close of registration. See the calendar for session dates. Expect occasional outages for system maintenance. Telephone assistance is available during regular business hours at (907) 786-1480, option 3.

Everyone who wants to take classes at UAA must be admitted to the University as either a certificate-seeking, degree-seeking, or non-degree-seeking student.

ADD/DROP PERIOD

See calendar for session deadlines. During this period, a faculty signature is required to register for a closed course and for courses requiring department/instructor approval, unless the course has not yet started according to the published start date of the course.

MULTIPLE REGISTRATIONS FOR SAME COURSE

For any given semester, a student may not be simultaneously registered in two or more sections of the same course that have the same or overlapping starting and ending dates. Students attempting to register for courses that are approved for multiple registrations should contact their academic department to request an override.

PAYMENT INFORMATION

Payment is due by the published payment deadline even if a bill is not received. There will be no University-initiated drop for non-payment.

Payment plans are available through Tuition Management Systems (TMS) at www.afford.com/UAA.

ELECTRONIC BILLING

An electronic bill will be generated on the 15th of each month and made available via UAOnline. An email reminder will be sent to your **UA-assigned email address** each time the bill is generated; a paper bill will not be mailed. A link on the UAOnline Statement and Payment History page will take you to the page where you can pay with a credit card or electronic check. To view your electronic bill, go to UAOnline and choose Student from the main menu, then Student Account, then Statement and Payment History.

FAILURE TO MEET FINANCIAL OBLIGATIONS

University policy requires a financial hold be placed on your record if you fail to meet your financial obligations. The hold will prevent any registration, transcript, or graduation activity.

Past due accounts will be sent to a collection agency. Interest, late fees, and/or collection costs will be added to your account. Past due debt may be reported to a local credit bureau. The University is authorized to garnish the State of Alaska PFDs for payment of past due accounts.

PREREQUISITES

Students are expected to check and meet all prerequisites before registering for classes. Students who do not meet the prerequisites will be administratively dropped from the class. Any fees resulting from this, or any late registration procedure, will be the responsibility of the students.

REGISTRATION BY PROXY

Students unable to register in person may have a proxy (someone else) register for them. Spouses, parents, and friends are required to have a signed authorization to register for another person, including secondary school students.

The student must provide the proxy with a signed Proxy for Registration Form or other signed authorization to do so. The proxy must submit the signed authorization and picture ID at the time of registration. An updated proxy form must be submitted each semester. The **Proxy for Registration** form is available at www.uaa.alaska.edu/admissions/forms.cfm

RESPONSIBILITY

The University holds students academically and financially responsible for their registration. Students who change their plans or become unable to attend must officially drop or withdraw from their courses within published deadlines in order to avoid a final grade of "F" for nonattendance. Courses must be dropped within the 100% refund period to avoid tuition assessment.

Deadlines will be prorated for trimester courses or courses with dates other than the traditional full semester length. Calculate course prorate dates at www.curric.uaa.alaska.edu/registration/prorate

SECONDARY SCHOOL STUDENT APPLICANTS

Secondary school applicants may be admitted on a semester-by-semester basis to non-degree-seeking status. Students may register on a space-available basis, as priority is given to certificate- and degree-seeking students. Guidelines and process may be found at http://curric.uaa.alaska.edu/admreg/Secondary_School_Enrollment.htm

WITHDRAWAL ONLINE

See calendar for session deadlines. Students may withdraw online. Course appears with a status of "W" on the transcript. Students cannot withdraw from a course after it has ended.

At One Stop Student Services, we invite your comments and suggestions to make our services and website the best they can be.

Plan for success

Please check the following before you start the new semester.

- It is the student's responsibility to be aware of dates and deadlines.
- Apply for admission. Admission to the University in a certificate, associate, or bachelor's degree program does not necessarily indicate you are ready for college-level coursework.
- Meet with your major advisor or an advisor in the Advising and Testing Center for assistance in selecting your courses.
- Review any registration restrictions, prerequisites, and special notes that may be associated with the courses you select (for example, completion of math or English placement test).
- Attend new student orientation if this is your first semester. www.uaa.alaska.edu/orientation
- Verify financial aid and check disbursement information at uaonline.alaska.edu
- Check uaonline.alaska.edu and select the Class Schedule link for course offering updates. Be sure to check the start dates and locations of each course for which you register.
- Register for classes through uaonline.alaska.edu
- Pay tuition and fees before published deadlines to avoid being assessed late payment fees. You are responsible academically and financially for your registration activity. Unpaid accounts will be sent to a collection agency and/or collected via garnishment of State of Alaska Permanent Fund Dividends.
- Purchase books and supplies at the bookstore. www.uaa.alaska.edu/bookstore
- Remember to officially drop or withdraw by the published deadlines if you decide at any time that you are unable to complete a course. Failure to do so will result in a grade of "F" for non-attendance and may affect your financial aid and grade-point average (GPA).
- Be aware of class locations. The UAA campus is over a mile long and the University Center facility is 1.2 miles from the main campus. Seawolf Shuttles provide an easy way to move between buildings on the campus, including the University Center location. However, it takes time to ride the shuttle and walk to your classroom. When registering for classes, plan for extra time needed to reach widely separated buildings. See the Building Locations page in this schedule and refer to the campus map at www.uaa.alaska.edu/maps when planning your schedule. The shuttle schedule may be found at edit.uaa.alaska.edu/fcs/maintenanceoperations/operations/shuttle.cfm
- Regularly check your UAA email accounts and UAOnline for changes or updates.

Alaska Residency

A person eligible for resident tuition is a person who, at the end of the add/drop period for regular semester-length courses, is a United States citizen or eligible non-citizen that has been physically present in Alaska for 2 years and who declares the intention to remain in Alaska indefinitely. The University of Alaska policy on resident and non-resident tuition may be referenced in the current University of Alaska Board of Regents Policy and Regulations, Chapter 05.10 Tuition and Student Fees, at www.alaska.edu/bor/policy-regulations. The Residency form and Application for Non-Resident Surcharge Waiver may be found online at www.uaa.alaska.edu/admissions/forms.cfm. The deadline for requesting residency and submitting all required documentation is prior to the published last day of the add/drop period for regular semester-length classes of the first semester in which residency is sought.

- Non-resident students who restrict their registration to no more than 4 credits each semester will be charged resident tuition. Non-resident students taking 5 credits or more are assessed non-resident fees on all academic credits.

Senior Citizens

Board of Regents' Policy 05.10.08.B: "Regular tuition shall be waived for Alaska residents who are otherwise age eligible to receive full Social Security retirement benefits, who register on a space available basis; that is, when courses can accommodate such students in addition to other enrolled students." Transitional provision: "Individuals who were eligible for senior citizen tuition waivers on September 21, 2005 under the previous policy shall continue to be eligible for the waiver."

- Senior citizens must pay all additional course fees. To waive tuition, senior citizens must register and present a completed tuition waiver with proof of age.
- Registration using a senior citizen tuition waiver for payment is permitted only after instruction begins and must be completed by the add deadline.
- Senior citizens may elect to register before instruction begins; however, they must pay full tuition and fees (use of senior citizen tuition waiver will not be accepted). Senior citizens electing to register and pay tuition are subject to all payment deadlines. Refunds will NOT be available to senior citizens who drop courses and then re-register in the same courses using a tuition waiver.

Tuition waivers for eligible senior citizens are available from Accounting Services, or online:

www.uaa.alaska.edu/admissions/forms.cfm.

Note: The Student Government Fee and Student Media Fee are waived for senior citizens. The Student Life Fees and Transportation Fee are mandatory for all students taking 3 or more credits on the Anchorage campus. The Student Health and Counseling Fee is mandatory for all students taking 6 or more credits, with 3 credits on the Anchorage campus.

Fees are charges students must pay either in addition to or in place of tuition.

Description of Fees

2% Network Charge

The Network Charge is to cover rapidly rising costs, especially in the maintenance and enhancement of our university-wide technology infrastructure. The 2% network charge will be applied on a course-by-course basis to tuition, non-resident surcharges if applicable, and fees in lieu of tuition, for credit and noncredit courses. Courses with applicable fees charged in lieu of tuition less than the lower division credit hour tuition rate (\$134 for academic year 2008-2009) will be exempt from the charge. All calculated fees will be rounded to the nearest dollar. The minimum network charge per course will be \$3.

Administrative Fee

An administrative fee may be charged instead of tuition. This fee amount is listed in the course description section of this schedule.

Continuous Registration Fee (Graduate Students)

The Continuous Registration Fee is \$301 per semester.

Distance Fee

Students who pay for or drop their courses prior to the published payment deadline will NOT be required to pay the fee.

Special Fees

Special fees are assessed to pay for travel, equipment, or facilities out of the ordinary.

UAA is Changing Loan Programs

This summer we are in a transition to a new student loan program. In the past, we have participated in the Federal Family Education Loan Program in which student loans are made by banks and other financial institutions. Starting with Spring 2010, we began the transition from the Federal Family Education Loan Program (FFELP) to the **Federal Direct Student Loan Program (DL)**.

Why is the University changing its loan process?

Volatility in the credit markets and reductions in lender subsidies have caused many lenders to stop offering borrower benefits and reduce their level of customer service. Several major lenders have made changes to their program that caused a delay in students receiving funds or other inconveniences. Some have dropped out of the FFELP program altogether, sometimes without notice. The Direct Loan program is not impacted by changes in the economy. We believe that this program will offer students and parents a more streamlined, stable, and predictable borrowing experience.

The Congress of the United States has also indicated they plan to complete legislation that will end the FFELP. With this decision pending, the University decided to begin an immediate transition to allow a smooth and timely switch.

Is there a difference between the programs?

In both programs students borrow Federal Stafford Loans and PLUS loans under the same terms. The loan limits are the same and the interest rates are the same. The only difference is that borrowers no longer need to choose a lender. Under the DL there is only one lender, the US Department of Education.

I am a student loan borrower, what do I need to do?

All borrowers will need to complete a Master Promissory Note (MPN) for the Federal Direct Loan program at www.dlenote.ed.gov. You will also need to complete new entrance counseling at www.dl.ed.gov.

Of course a critical step in the process is to complete your **2010-11 Free Application for Federal Student Aid (FAFSA)** at www.fafsa.gov.

Students planning to register for any Chemistry course at or above CHEM A103 are required to bring written proof to the first class meeting of the semester of having met the prerequisites for that course as listed in the current UAA catalog. This proof may be a transcript, grade slip or letter from a faculty member, and must be given to the instructor for examination. Students who do not have this proof may be administratively dropped immediately at the discretion of the faculty.

Most Chemistry courses require a lab with a lecture. You MUST enroll in both.

Due to University Safety and Hazardous Communications requirements, attendance is mandatory for all Chemistry laboratory courses the first week.

Any student not attending the first scheduled meeting for CHEM A103, A104, A105, A106, and A323 labs will be administratively dropped and any student on a waiting list will be added. Any fees resulting from this, or any late registration procedure, will be the responsibility of the student.

Course fees may apply; refer to specific course listing on UAOnline.

Offered through the Community and Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
www.uaa.alaska.edu/ctc/hper

Many PEP courses are introductory. All courses follow rigorous academic curriculum. Blackboard

What is Blackboard?

Blackboard is an Internet-based course management system. Through Blackboard, students and faculty interact within a distance class. Students use Blackboard to gain access to the course materials, assignments and other important items related to their distance class.

Where do I get my Blackboard user name and password?

Go to technology.uaa.alaska.edu/blackboard and find the Username Lookup link in the bottom left of the page, or go directly to me.uaa.alaska.edu. Choose Option 3, enter the requested information and follow the prompts.

Where is my Blackboard class located?

Blackboard has links from the UAA home page and the Distance Education site, www.uaa.alaska.edu/distanceducation. The direct link is www.uaa.alaska.edu/classes. Once you are enrolled in a course you will visit this site often, so it's a good idea to bookmark it on your computer. Distance classes for each semester are located here. Each distance class will show up on the first day of the semester for which you register. Not all courses you are enrolled in will show up on Blackboard, though all distance classes will be available here.

How do I make corrections to UAOnline or Blackboard?

Go to UAOnline if you need to update a mailing address or other personal information. For name changes, submit a form at the One Stop Student Services in the University Center.
