It is the responsibility of the student to become familiar with the policies and regulations of the University of Alaska Anchorage printed in the Catalog and Class Listings. Every effort is made to ensure the accuracy of the information contained in the Catalog and Class Listings. However, the university reserves the right to change or withdraw courses; to change the fees, rules and calendar for admission, registration, instruction and graduation; and to change other regulations affecting the student body at any time. The University of Alaska Anchorage includes the units of Anchorage, Kenai, Kodiak and Matanuska-Susitna.

The University of Alaska Anchorage has a strong institutional commitment to the principles of diversity and takes affirmative action to achieve that end. The university does not discriminate in its educational and employment programs and activities on the basis of race, color, religion, national origin, age, sex, sexual orientation, veteran status, physical or mental disability, marital status, pregnancy, or parenthood. Decisions affecting individuals shall be based on the individual's qualifications, abilities and performance, as appropriate.

One Stop Student Services

At One Stop Student Services, we invite your comments and suggestions to make our services and website the best they

can be. Just click on the link at www.uaa.alaska.edu/onestop and tell us what you think!

Getting Started

The UAA website, www.uaa.alaska.edu, is the central place where current and future students may find all the information and forms they need to be successful at UAA.

UAOnline, uaonline.alaska.edu, is the central access point for all registration activity. Here you will find course descriptions, prerequisites, and class meeting times and locations. You can access UAOnline from the UAA homepage.

For new students, a great place to begin is at the UAA homepage at www.uaa.alaska.edu. From there, navigate to the One Stop website, www.uaa.alaska.edu/onestop, which has links and information on everything from admissions to financial aid. You can also find links to electronic versions of the UAA Catalog and Class Listings here.

Registration on UAOnline

UAOnline fall 2012 priority registration begins Friday, March 30, and continues through Sunday, April 15. See the calendar on the cover for details on the priority registration schedule.

To find your class standing, click on the "Check Your Registration Eligibility" link in the Registration menu on UAOnline.

UAOnline open registration begins Monday, April 16.

For step-by-step instructions on registering for classes via UAOnline, see Page 8.

UAOnline registration will remain open 24 hours a day, seven days a week until the close of registration. Expect occasional outages for system maintenance. Telephone assistance is available during regular business hours at (907) 786-1480, option 3.

Add/Drop Period

See the calendar on the cover for deadlines. During the add/drop period, faculty approval is required to register for closed classes and for classes requiring department or instructor approval, unless the class has not yet started according to the published start date of the class.

Multiple Registrations for Same Course

For any given semester, a student may not be simultaneously registered in two or more sections of the same course that have the same or overlapping start and end dates. Students attempting to register for courses that are approved for multiple registrations should contact the academic department to request an override.

Prerequisites

Students are expected to check and meet all prerequisites before registering for classes. Students who do not meet the prerequisites may be administratively dropped from the class. Any fees resulting from this, or any late registration procedure, will be the responsibility of the student.

Withdrawal Online

See cover calendar or www.uaa.alaska.edu/records/calendar.cfm for deadlines. Students may withdraw online. Courses will appear with a status of W on the transcript. Students cannot withdraw from a class after it has ended.

Secondary School Student Applicants

Secondary school applicants may be enrolled on a semester-by-semester basis. Students may register on a space-available basis, as priority is given to certificate- and degree-seeking students. Guidelines may be found in the UAA Catalog or at curric.uaa.alaska.edu/admreg/Secondary_School_Enrollment.htm.

Registration by Proxy

Students unable to register in person may have a proxy (someone else) register for them. Spouses, parents and friends are required to have a signed authorization to register for another person, including secondary school students.

The student must provide the proxy with a signed Proxy for Registration Form or other signed authorization to do so. The proxy must submit the signed authorization and the student's picture ID at the time of registration. An updated proxy form must be submitted each semester. The Proxy for Registration Form is available at www.uaa.alaska.edu/records/registrarforms.cfm.

Payment Information

Payment is due by the published payment deadline even if a bill is not received. There will be no university-initiated drop for non-payment.

Payment plans are available through Tuition Management Systems (TMS) at www.afford.com/UAA.

Electronic Billing

An electronic bill will be generated on the 15th of each month and made available via UAOnline. An email reminder will be sent to your UAA-assigned email address each time the bill is generated; a paper bill will not be mailed. A link on the UAOnline Statement and Payment History page will take you to the page where you can pay with a credit card or electronic check.

To view your electronic bill, go to UAOnline and choose Student from the main menu, then Student Account, then Statement and Payment History.

Failure to Meet Financial Obligations

University policy requires a financial hold be placed on your record if you fail to meet your financial obligations. The hold will prevent any registration, transcript or graduation activity.

Past due accounts will be sent to a collection agency. Interest, late fees and/or collection costs will be added to your account. Past due accounts may be reported to a local credit bureau. The university is authorized to garnish Alaska Permanent Fund dividends for payment of past due accounts.

Responsibility

The university holds students academically and financially responsible for their registration. Students who change their plans or become unable to attend must officially drop or withdraw from their classes within published deadlines in order to avoid a final grade of F or NB for nonattendance. Classes must be dropped within the 100 percent refund period to avoid tuition assessment. Deadline information is available at www.uaa.alaska.edu/records/calendar.cfm.

Wolfcard

To receive your initial Wolfcard student ID, you must first register for classes. Beginning May 14, you may then bring your photo ID to the Wolfcard Office in the University Center to get your card. Existing Wolfcards are automatically updated, so there is no need to visit the Wolfcard Office in later semesters. For more information, go to www.uaa.alaska.edu/wolfcard.

Everyone who wants to take classes at UAA must be admitted to the university as a certificate-seeking, degree-seeking or non-degree-seeking student

Plan for Success

New semester checklist

- ☐ It is your responsibility to **be aware of dates and deadlines.**
- ☐ **Apply for admission.** Everyone who wants to take classes at UAA must be admitted to the university as a certificate-seeking, degree-seeking or non-degree-seeking student. For more information, see www.uaa.alaska.edu/admissions.
- ☐ **Meet with your major advisor** for assistance in selecting your courses. See www.uaa.alaska.edu/advising-testing or Page 6 for advising contacts.
- ☐ **Attend new student orientation** if this is your first semester. For more information, go to www.uaa.alaska.edu/orientation.
- ☐ **Review any registration restrictions, prerequisites and special notes** that may be associated with the courses you select (for example, completion of math or English placement tests).
- ☐ **Verify financial aid** and check disbursement information at uaonline.alaska.edu.
- ☐ **Check for updated course information** by going to the Class Schedule link on uaonline.alaska.edu. Be sure to check the start dates of each class for which you register.
- ☐ **Be aware of class locations.** The UAA main campus is over a mile long and the University Center building is more than a mile from the main campus. Many classes are offered at the Chugiak-Eagle River campus, Joint Base Elmendorf-Richardson and other off-campus locations. The Seawolf Shuttle provides an easy way to move between buildings on the main campus and the University Center. However, it takes time to ride the shuttle and walk to your classroom. When registering, plan for the extra time needed for transportation to your classes. See the Building Locations information on Page 15 and refer to the campus map at www.uaa.alaska.edu/map when planning your schedule. The shuttle schedule may be found at www.uaa.alaska.edu/fcs/maintenanceoperations/operations/shuttle.
- ☐ **Register for classes** through uaonline.alaska.edu.
- ☐ **Pay tuition and fees** before published deadlines to avoid being assessed late payment fees. You are responsible academically and financially for your registration activity. Unpaid accounts will be sent to a collection agency and/or collected via garnishment of Alaska Permanent Fund dividends.
- ☐ **Purchase books and supplies** at the bookstore. More information is at www.uaa.alaska.edu/bookstore.
- ☐ **Remember to officially drop or withdraw by the published deadlines** if you determine that you are unable to complete a course. Failure to do so will result in a grade of F or NB for nonattendance and may affect your financial aid and grade point average (GPA).
- ☐ **Regularly check your UAA email and UAOnline accounts** for changes or updates.

Elmendorf & Fort Richardson Access for Civilian Students

Classes on Joint Base Elmendorf-Richardson (JBER) require special access. Attending classes offered at these locations is a privilege extended by JBER to UAA students. Students are reminded they are entering a military installation during a time of war. Compliance with all directions of the Army Military Police and the Air Force Security Forces is required while on the installation.

JBER requires students to have a driver's license, current vehicle insurance card and current registration. These are the same items required to legally drive a vehicle in Alaska.

Students registered for classes at either JBER education centers are added to the access list starting on the first day of the class. Students must call UAA Military Programs at 753-0204 and provide required information two weeks prior to the start of classes. Students must provide the last four digits of their Social Security number and their driver's license number and state. Additions to the access list take up to 10 working days for processing by security forces.

For the first class, stop at the Visitors Center at the Boniface Parkway gate or Fort Richardson Glenn Highway gate. Students will be issued a temporary pass.

JBER access is provided only to registered students. Students may not bring additional civilians on JBER. If a student needs to obtain a ride to class on JBER, anyone holding appropriate military ID may escort them. Students holding foreign student visas must contact the UAA Military Programs for specific base access procedures.

JBER access is granted only to attend classes at the base and post education centers.

For more information, go to www.uaa.alaska.edu/ctc/programs/military.

Military & Veteran Students

University of Alaska Anchorage has yet again made the cut to be included in GI Jobs 2012 list of Military Friendly Schools. The list can be accessed at www.militaryfriendlyschools.com/mfslst.aspx.

Changes in legislation and federal regulations present challenges to students and schools alike. UAA continually strives to better serve our military and veteran student population. Our inclusion on this list of military friendly schools points to the resolve of our students, staff,

faculty and administration to help our servicemen and servicewomen achieve their academic and career goals.

UAA has recently developed a bridge page that serves to connect our military and veteran community with the services and information that can help them along the way toward academic success. Please visit us at www.uaa.alaska.edu/veterans. If you have suggestions for improvements, please let us know by way of the form at the bottom of the webpage.

Course Placement

Placement testing is offered through the Advising and Testing Center in Anchorage and at most UAA community campuses.

For information or to schedule an appointment for placement testing at the University Center in Anchorage, call (907) 786-4500.

A placement fee and picture ID are required at the time of testing.

Students outside Anchorage may call (907) 786-4500 for information about testing at a different location.

For more information, please visit the Advising and Testing Center website at www.uaa.alaska.edu/advising-testing/assessment/accuplacer.cfm or call (907) 786-4500.

If you have taken the Advanced Placement, ACT or SAT test, check the chart below for placement or credit in English courses.

<u>Test taken</u>	<u>Minimum Scores</u>	<u>Placement</u>	<u>Credit</u>
Advanced Placement: Literature and Composition	3		ENGL A121

SAT English	530 620	ENGL A111 ENGL A211, A212, A213 or A214*	

English Placement Tests

* All students are required to complete 6 credits of Written Communications Skills courses regardless of placement.

Please refer to the UAA Catalog or uaonline.alaska.edu for information on prerequisites for math courses. If you have not completed the prerequisites, but have completed courses with similar content, you may use the following table as a placement guide. Please note that for math placement, the ACT, SAT and Accuplacer test scores are valid for one year from the date taken. You will be required to produce proof of test scores on the first day of class. If you do not have the appropriate Accuplacer, SAT or ACT scores, or the appropriate prerequisites, you will be required to take a UAA-approved placement test.

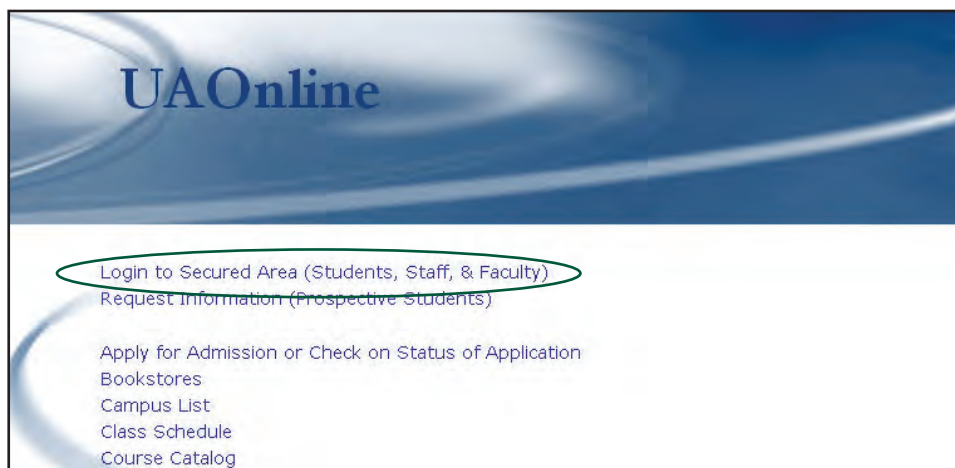

If you have met the prerequisites but get an error when trying to register online for math classes, contact the Mathematics Department at (907) 786-1744.

Alaska Residency

A person eligible for resident tuition is a person who, at the end of the add/drop period for semester-length courses, is a United States citizen or eligible non-citizen that has been physically present in Alaska for two years and who declares the intention to remain in Alaska indefinitely. The University of Alaska policy on resident and nonresident tuition may be referenced in the current University of Alaska Board of Regents' Policy and University Regulation, Chapter 05.10 Tuition and Student Fees, at www.alaska.edu/bor/policy-regulations. The Residency Form and Application for Nonresident

Surcharge Waiver may be found at www.uaa.alaska.edu/admissions/forms.cfm. The deadline for requesting residency and submitting all required documentation is prior to the published last day of the add/drop period for semester-length classes of the first semester in which residency is sought.

- Nonresident students who restrict their registration to no more than 4 credits each semester will be charged resident tuition. Nonresident students taking 5 or more credits are assessed nonresident fees on all academic credits.

Senior Citizens

Board of Regents' Policy 05.10.08.B: "Regular tuition shall be waived for Alaska residents who are otherwise age eligible to receive full Social Security retirement benefits, who register on a space available basis; that is, when courses can accommodate such students in addition to other enrolled students." Transitional provision: "Individuals who were eligible for senior citizen tuition waivers on Sept. 21, 2005, under the previous policy shall continue to be eligible for the waiver."

- Senior citizens must pay all additional course fees. To waive tuition, senior

citizens must register and present a completed tuition waiver with proof of age.

- Registration using a senior citizen tuition waiver for payment is permitted only after instruction begins and must be completed by the add deadline.
- Senior citizens may register before instruction begins; however, they must pay full tuition and fees (use of senior citizen tuition waiver will not be accepted). Senior citizens electing to register and pay tuition are subject to all payment deadlines. Refunds will NOT be available to senior citizens who

drop courses and then re-register in the same courses using a tuition waiver.

Tuition waivers for eligible senior citizens are available from Accounting Services, or www.uaa.alaska.edu/budfin/budget/forms.cfm.

Note: The Student Government Fee and Student Media Fee are waived for senior citizens. The Student Life Fees and Transportation Fee are mandatory for all students taking 3 or more credits on the Anchorage campus. The Student Health and Counseling Fee is mandatory for all students taking 6 or more credits, with 3 credits on the Anchorage campus.

Calculate Expenses

Mandatory Student Fees

Fees are charges students must pay either in addition to or in place of tuition.

Mandatory student fees are charged to all students (including secondary school students) registering in 3 or more credits for courses held on the Anchorage campus*, based on the total registration once the 3-credit on-campus criteria is met. The student fees are not refundable unless the student totally withdraws during the 100 percent refund period.

Students may elect to pay certain student fees if they are registered in 1 to 5 academic credits, or 200 or more contact hours, in one semester. Student Life Fees for students registered in fewer than 6 credits are set at a fixed rate. Contact the Issue Cage in the Wells Fargo Sports Complex for information about the Athletics/Sports Complex Fee; contact Student Activities in the Student Union regarding the Student Activity Fee. Student Health and Counseling Center services are not available to students registered in fewer than 6 academic credits.

Breakdown of Mandatory Student Fees

Student Concert Board Fee: \$10 for students registered in 3 or more credits to support major concerts and speakers.

Student Government Fee: \$1 per credit hour for students registered in 3 or more credits. Maximum charge \$12. Allocation: student advocacy for academic, student and legislative affairs; USUAA activities, Board of Cultural Activities; Club Council; legal services; and operating expenses.

Student Life Fee: \$20 per credit hour for students registered in 6 or more credits. Maximum charge \$240. Allocation:

- **Student Activities:** \$3 — supports Campus Kick-Off and Homecoming events, Collegiate Link, the Publicity Center, and the Student Union Gallery. Free or reduced admission to musical events, comedy shows, featured lectures, multicultural events and other social programs.
- **Student Health and Counseling Center:** \$8 — for students enrolled in 6 or more credits. No charge for routine physical exams,

	Example

TB and HIV testing, or mental health counseling. Laboratory and pharmacy services available at a reasonable cost.

- **Athletics/Sports Complex:** \$9 — free or reduced admission to athletic events, use of Wells Fargo Sports Complex facilities, including pool, ice rink, weight room, gymnasium.

Student Media Fee: \$11 for students registered in 3 or more credits. Allocation: KRUA 88.1 FM student radio station (\$5.50); The Northern Light student newspaper (\$5.50).

Student Transportation Fee: \$10 for students registered in 3 or more credits. Supports campus shuttle service, U-Pass People Mover Program (citywide bus pass), bicycle racks, trail/sidewalk maintenance and Call Team walking escorts.

Technology Fee: Mandatory \$5 per credit hour for students registered in 1 or more credits, maximum charge \$60. Provides up-to-date equipment, software, maintenance, training and support for student use.

* The Aviation Complex, King Career Center and University Center are considered on-campus facilities for purposes of fee assessment.

Course Fees

Course fees vary and are shown on the UAOnline detailed class information pages. To view fees for a given class, go to the uaonline.alaska.edu class schedule search and click on the CRN.

Two Percent Network Charge: The 2 percent network charge is to cover rapidly rising costs, especially in the maintenance and enhancement of our university-wide technology infrastructure. This will be applied on a course-by-course basis to tuition, nonresident surcharges if applicable, and fees in lieu of tuition, for credit and noncredit courses. Courses with applicable fees charged in lieu of tuition less than the lower division credit hour tuition rate (\$165 for academic year 2012-2013) will be exempt from the charge. All calculated fees will be rounded to the nearest dollar. The minimum network charge per

course will be \$3.

Administrative Fee: An administrative fee may be charged instead of tuition.

Distance Fee: A \$38 distance fee is charged for each distance education class offered through Educational Media Services. Call (907) 786-6177 for additional information about distance classes.

Lab and Materials Fees: These additional charges cover the costs of lab supplies. Refer to the specific class listing on UAOnline for more information on lab and material fees. These fees are not refundable unless you drop during the 100 percent refund period.

Special Fees: Special fees are assessed to pay for travel, equipment or facilities out of the ordinary.

Other Fees

The following fees are applicable in specific circumstances and may not apply to everyone.

Continuous Registration Fee (graduate students): The continuous registration fee is \$383 per semester.

Late Payment Fees: A \$125 fee will be assessed on all accounts which are not paid by the payment deadline, 5 p.m. Sept. 7. An additional \$175 fee will be assessed on all accounts still outstanding and not paid by 5 p.m. Nov. 2. Students who pay for or drop their courses prior to the published payment deadline will not be required to pay the fee.

Parking Fee: Fee paid to use parking lots on campus each semester. Students may buy parking decals at www.thepermitstore.com. For more information, call the Parking Office at (907) 786-1119.

Financial Assistance

General Information and Resources

Financial aid is available to qualified students at the University of Alaska Anchorage. Financial aid is any grant, scholarship, loan, tuition assistance or employment opportunity with the express purpose of assisting students with educational-related expenses. Financial aid is available only to students enrolled in eligible degree-seeking programs. Not all certificates are eligible programs.

Financial aid funding comes primarily from four sources: the federal government, state government, colleges and universities, and private organizations. Descriptions of the aid programs, eligibility requirements, application procedures and award amounts are outlined on the Student Financial Assistance website at www.uaa.alaska.edu/financialaid.

[edu/financialaid](http://www.uaa.alaska.edu/financialaid). Additional financial aid resources are available at www.studentaid.ed.gov and www.akadventure.alaska.gov. UAA scholarship information is available at www.uaa.alaska.edu/scholarships.

Students who wish to be considered for assistance from most aid programs administered by UAA must complete a Free Application for Federal Student Aid (FAFSA) annually. The FAFSA should be completed online at www.fafsa.ed.gov.

For step-by-step guidance on the financial aid application process, please visit www.uaa.alaska.edu/financialaid/checklist.cfm.

Upcoming Changes to Student Aid Programs

Because of recent federal legislation, there are some significant changes in student aid programs for all college and university students. Many of these changes go into effect July 1, 2012. Review the list below, and if you have any questions about how the changes will impact you, please visit the UAA One Stop in the University Center or call 786-1480. If you would like to learn more about these changes, you can also go to www.studentaid.ed.gov.

- **Pell Grant Eligibility** – Eligibility for Pell Grants has been restricted to 12 semesters of full-time enrollment, or the equivalent for part-time students. If you have been a full-time student and have received Pell Grants for 12 semesters, by law you cannot receive another one. Eligibility is pro-rated for part-time attendance. This

affects current and future UAA students.

- **High School Diploma or GED required for aid eligibility** – Beginning July 1, 2012, only students who hold a valid high school diploma or GED can receive state or federal financial aid. If you are a current UAA student and admitted under the Ability to Benefit policy, you can and will continue to receive state or federal aid.
- **Educational Loan Origination Fee Rebate** – For Stafford, Grad PLUS and Parent PLUS educational loans there is currently a 1 percent origination fee on a Stafford loan and a 4 percent fee on PLUS loans, but a portion of the fee (0.5 percent for a Stafford and 1.5 percent for a PLUS) is rebated at the time of disbursement. The rebate program is ending, and beginning July 1, 2012, the full fee will be charged. This affects current and future UAA students.

- **Educational Loan for Graduate and Professional Students** – Beginning July 1, 2012, educational loans for graduate and professional students will not receive the current interest rate subsidy, and interest will accrue while you are in school. The maximum loan amount remains at \$20,500 per academic year. This affects current and future UAA students.
- **Expected Family Contribution** – For students and families who file the FAFSA, the income necessary to qualify for an Expected Family Contribution of zero changed from \$32,000 to \$23,000. Keep in mind there are many factors that go into calculating the EFC and financial aid awards. Having an EFC of zero does not guarantee any type or amount of student aid. This affects current and future UAA students.

Changes to Veterans Educational Benefits Certification

Beginning with fall 2012, UAA is improving its certification process by changing to a model used successfully at most U.S. colleges and universities. Students using VA Educational Benefits will now complete an online certification form to request certification for

benefits in the upcoming semester. The form will streamline the certification process for students by collecting necessary information in a central location.

If my financial aid is more than my tuition bill, what happens to the extra money?

If the total of your financial aid (grants, scholarships, loans, etc.) is greater than the amount of your bill, you will receive a refund. You may enroll to have your refunds sent to your bank account by setting up a direct deposit via

UOnline. If you do not set up direct deposit, a refund check will be mailed to the address you have on file with UAA. If your address has changed, be sure to update it in UOnline.

Financial Assistance

Academic Progress

To be eligible for financial aid, a student must demonstrate satisfactory academic progress. Under federal law and regulation, the college is required to establish, publish and enforce minimum academic standards for the continued receipt of federal Title IV student aid. A satisfactory progress policy must include both a qualitative and a quantitative measure of the student's progress. Students must meet the minimum requirements of the SAP policy to retain eligibility for federal Title IV student aid.

Quality: To maintain eligibility for financial aid, undergraduate students must maintain a 2.00 cumulative GPA and graduate students must maintain a 3.00 cumulative GPA.

Quantity: The minimum satisfactory completion rate is 67 percent (rounded to the nearest 1 percent). Passing grades for this purpose are A, B, C, D and P. This is a cumulative percentage based on all

credits attempted at the University of Alaska and/or transferred into UAA.

Maximum timeframe: Commonly referred to as the 150 percent rule, this final component requires students to complete their degree program within 150 percent of the required credits of the program. For example, if you are in a bachelor's degree program that requires 120 credits for graduation, you may receive funding for the first 180 credits attempted.

Note: Academic progress is reviewed at the end of each semester. You can view your academic progress status in UAOnline.

To see the entire academic progress policy, please refer to the Office of Student Financial Assistance website at www.uaa.alaska.edu/financialaid/policies.cfm.

Aggregate Loan Limits

Grade level determines the maximum amount a student may receive in federal loan monies for an award year. The following are the required number of credits a student must complete for each grade level. Annual

aggregate (total) loan limits are driven by grade levels. Students are also held to aggregate lifetime limits. An undergraduate dependent student is allowed a total of \$31,000, up to \$23,000 of that in subsidized

loan money. An undergraduate independent student is allowed a total of \$57,500, up to \$23,000 of that in subsidized monies. Graduate students are allowed a maximum of \$138,500 in federal loans.

Grade level	Number of credits	Yearly aggregates dependent student	Yearly aggregates independent student
Freshman	0-29	\$5,500, no more than \$3,500 in subsidized federal loans	\$9,500, no more than \$3,500 in subsidized federal loans
Sophomore	30-59	\$6,500, no more than \$4,500 in subsidized federal loans	\$10,500, no more than \$4,500 in subsidized federal loans
Junior bachelor level*	60-89	\$7,500, no more than \$5,500 in subsidized federal loans	\$12,500, no more than \$5,500 in subsidized federal loans
Senior bachelor level*	90-120	\$7,500, no more than \$5,500 in subsidized federal loans	\$12,500, no more than \$5,500 in subsidized federal loans
Graduate	Master's degree or certificate	Independent only	\$20,500, no more than \$8,500 in subsidized federal loans

*Junior and senior grade levels and funding are strictly for those students in pursuit of a bachelor's degree.

Post 9/11 GI Bill (Chapter 33) Beneficiaries

Students using Post 9/11 GI Bill benefits will have their tuition and fees deferred at the beginning of each semester as long as they have no outstanding balances. This will prevent late fees and registration holds from being assessed for current term balances for all students expected to have 100 percent of their tuition and fees paid for by the VA. If the student's Post 9/11 eligibility rating is less than

100 percent, then the student's portion is expected to be paid by the payment deadline. Post 9/11 GI Bill recipients who have outstanding balances from previous terms will have late fees assessed and will not be allowed further registration activity until their past-due balance is paid.

Student Rights, Freedoms & Responsibilities

Campus Safety & Emergency Procedures

The website www.uaa.alaska.edu/students/campusafety.cfm serves as UAA's central access point for campus safety information. From this site, links take you to more information about personal safety, the Campus Security and Fire Safety Report, safety escorts, and the University Police Department. For more information, contact the University Police Department at (907) 786-1120.

Campus Security & Fire Safety Report

The Campus Security & Fire Safety Report is required by federal law and contains policy statements and crime statistics for UAA. The policy statements address UAA's policies, procedures and programs concerning safety and security, for example, policies for responding to emergency situations and sexual offenses. Three years' worth of statistics are included for certain types of crimes that were reported to have occurred on campus, in or on off-campus buildings or property owned or controlled by UAA, and on public property within or immediately adjacent to the campuses. In addition, the report includes fire safety information and statistics pertaining to the residential community on the Anchorage campus. This report is available at www.uaa.alaska.edu/safety. You may also request a paper copy from the UAA Dean of Students Office, Student Union Room 204.

Campus Sex Crimes Prevention Act

The Campus Sex Crimes Prevention Act is a federal law that provides for the tracking of convicted sex offenders enrolled at or employed by institutions of higher education. The act's intent is to extend the protections of sex offender registries to college campuses. Sex offenders who already must register with the State of Alaska, as required by state law, must provide notice to the state that they are employed, carry on vocation at, or are a student at UAA. Members of the campus community may obtain information concerning registered sex offenders from the Alaska Department of Public Safety at www.dps.state.ak.us/sorweb/sorweb.aspx.

Drug Free Schools Notification

The Drug Free Schools Notification contains UAA's alcohol and other drug policies, behavioral expectations for students and employees, disciplinary actions for violations of these policies, and resources available for assistance with alcohol and other drug issues. This notification contains physiological effects, risks and criminal penalties associated with alcohol and other drug use. The notification is available at www.uaa.alaska.edu/students/drugfreeschoolsreport.cfm. You may also request a paper copy from the UAA Dean of Students Office, Student Union Room 204.

Family Educational Rights & Privacy Act

UAA provides information on its policies regarding who has legal access to students' educational records, procedures to inspect and challenge the contents of a student's educational records, and complaint procedures for alleged violations of FERPA policies. Please refer to the UAA Catalog or the Fact Finder Student Handbook for the policy text and a link to the University of Alaska Board of Regents' Policy and University Regulation (09.04.00) regarding education records.

For more information on student rights, freedoms and responsibilities, refer to the UAA Catalog or the Fact Finder Student Handbook

Gainful Employment Programs

Many UAA certificate and occupational endorsement programs are defined as Gainful Employment programs for the purposes of student financial aid. Valuable information about these programs, including program cost, graduation rates, job placement rates, student loan debt, and other important consumer information can be found at www.uaa.alaska.edu/financialaid/gainful_employment_disclosures.cfm.

Notification of Civil Rights Compliance

In compliance with the Executive Order 11246; Title II of the Education Amendments of 1976; Title VII of the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972; Title IX Regulation Implementing Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; Office of Civil Rights Vocational Educational Guidelines; and all other federal, state and school rules, laws, regulations and policies, the University of Alaska Anchorage and community campuses shall not discriminate on the basis of race, color, religion, national origin, age, sex, sexual orientation, veteran status, physical or mental disability, marital status, pregnancy or parenthood in its educational programs or activities.

It is the intent of the University of Alaska Anchorage and its community campuses to comply with both the letter and spirit of the law in making certain discrimination does not exist in its policies, regulations and operations. Grievance procedures for Title IX and Section 504 have been established for students and employees who feel an act of discrimination has been shown by the University of Alaska Anchorage and community campuses.

Specific complaints of alleged discrimination under Title IX (gender) and Section 504 (disability) should be referred to:

Title IX/Section 504 Compliance Coordinator

UAA Office of Campus Diversity and Compliance

3211 Providence Drive, ULB 108

Anchorage, AK 99508

(907) 786-4788

Title IX complaints may also be filed with the Office of Civil Rights:

Office for Civil Rights/Seattle

U.S. Department of Education

915 Second Ave., Room 3310

Seattle, WA 98174

(206) 220-7900

Students attending UAA, including its community campuses, may participate in educational programs and activities, including, but not limited to, health, physical education, and vocational and technical education, regardless of race, color, religion, national origin, age, sex, sexual orientation, veteran status, physical or mental disability, marital status, pregnancy or parenthood.

Student Dispute/Complaint Resolution

UAA procedures for resolving student complaints or concerns may be found in the UAA Fact Finder Student Handbook. Copies of the handbook may be found at various locations around campus; in the Dean of Students Office, Student Union Room 204; or at www.uaa.alaska.edu/studentaffairs/fact-finder.cfm.

Students' Right to Know

UAA provides general consumer information such as tuition costs and fees, timelines, procedures to officially withdraw, refund schedules, financial assistance programs, and eligibility and application process. This information may be found in the UAA Catalog, or you may request it from the UAA One Stop in the University Center, or by calling (907) 786-1480. Student completion and graduation rates, transfer-out rates, and retention rates are available from UAA Office of Institutional Research by calling (907) 786-1493, or visiting www.uaa.alaska.edu/ir.

Voter Registration

Students can find voter registration information at www.elections.alaska.gov. On-campus voter registration is available at the USUAA office, Student Union Room 201; the Dean of Students Office, Student Union Room 204; and other locations around campus. Voter registration for UAA students experiencing disabilities is available at Disability Support Services, Rasmuson Hall Room 105, or call (907) 786-4530 or (907) 786-4536 TTY. For additional information about voter registration at the Anchorage campus, visit www.uaa.alaska.edu/voterinfo.

CHEM - Chemistry

*Offered through the College of Arts and Sciences
ConocoPhillips Integrated Sciences Building (CPSB), Room 101,
786-1238
<http://chem.uaa.alaska.edu>*

All students planning to register for any Chemistry course at or above CHEM A103 are required to bring written proof to the first class meeting of the semester of having met the prerequisites for that course as listed in the current UAA Catalog. This proof may be a transcript, grade slip, or letter from a faculty member, and must be given to the instructor for examination.

Students who do not have this proof may be administratively dropped immediately at the discretion of the faculty.

Most Chemistry courses require a lab with a lecture. You MUST enroll in both.

Due to University Safety and Hazardous Communications requirements, attendance is mandatory for all Chemistry laboratory courses the first week.

Any student not attending the first scheduled meeting for CHEM A103, A104, A105, A106 and A323 labs will be administratively dropped, and any student on a waiting list will be added. Any fees resulting from this, or any late registration procedure, will be the responsibility of the student.

Course fees may apply; refer to specific course listing on UAOnline.

CIOS - Computer Information & Office Systems

Offered through the Community & Technical College
University Center (UC), Room 130, 786-6426
www.uaa.alaska.edu/ctc/programs/cet/cios

There are no set class meeting dates/times for CIOS self-directed courses and students complete the coursework at their own pace throughout the semester. Some classes may be completed at home, depending on software requirements.

Students enrolled in these courses start by entering the Blackboard site at www.uaa.alaska.edu/classes, reading the syllabus, and then completing any pre-course activities before starting the assignments. Tutorials for using Blackboard are under the Student Resources section of the website above.

Students can also receive assistance from the CIOS lab staff and complete coursework in the University Center, Room 134; check the lab schedule for open lab hours. Self-directed courses must be completed during the semester in which they are taken.

Course fees may apply; refer to specific course listing on UOnline.

ENGL - English

*Offered through the College of Arts and Sciences Administration/Humanities Building (ADM), Suite 101, 786-4355
http://english.uaa.alaska.edu*

English (ENGL) composition courses require verification of appropriate placement. Students entering ENGL A109 must have either a grade of C or better in PRPE A086 or appropriate scores on the placement test. Students entering ENGL A111 must have one of the following: a grade of C or better in ENGL A109 or PRPE A108; an ACT English score of 22 or higher; a SAT Reading score of 530 or higher; or appropriate scores on the placement test. Placement testing is available through Advising and Testing (786-4500) and through the Elmendorf and Fort Richardson centers. Placement forms are issued upon completion of the placement test.

Preparatory English (PRPE) courses are found under PRPE in this listing. Information about PRPE courses is available from College Preparatory and Developmental Studies, BMH 121, 786-6856.

VERIFICATION OF PREREQUISITES WILL BE REQUIRED BEFORE REGISTRATION.

Course fees may apply; refer to specific course listing on UAOnline.

The Mathematics Accuplacer Placement test is given at the University Center. For dates and testing times, call 786-4500. A fee is charged to take the Accuplacer Placement test. The fee must be paid at the cashier window in the University Center prior to taking the test. Please take your receipt and picture ID to the testing room.

Results of the Mathematics Accuplacer test remain valid for one year. Only one retake will be permitted per semester, with a minimum of a one-week wait period between testing.

For information about courses taught by the College Preparatory & Developmental Studies Department (CPDS), please call 786-6856.

For information about courses taught and placement testing procedures at the Eagle River Campus, please call 694-3313.

For information about courses taught and placement testing procedures at Fort Richardson, please call 428-1228.

For information about courses taught and placement testing procedures at Elmendorf Air Force Base, please call 753-0204.

Each student taking MATH A050 through MATH A205, MATH A250, or MATH A272 will be charged a lab fee. Other course fees may apply; refer to specific course listing on UAOnline.

MUS A161 - A462 Private Music Lessons

Private music lessons are offered on the following instruments: brass, guitar, harpsichord, organ, percussion, piano, strings and woodwinds. Private voice lessons are also available.

Important Registration Information

Students must make arrangements before registering by going to the Music Department office (786-1595) in the Fine Arts Building, Room 302. Students must obtain a private music lesson form from the Music office before they will be allowed to proceed with the registration process outlined in the class listing. Students will receive a course reference number (CRN) to use to register for private music lessons after filling out the private lesson form.

Non-juried private music lessons MUS A163 (majors and minors only):

- 1 credit: \$245 for half-hour lesson per week plus tuition.
- 2 credits: \$490 for one-hour lesson per week plus tuition.

Non-juried private music lessons MUS A164 (non-majors and non-minors):

- 1 credit: \$308 for half-hour lesson per week plus tuition.
- 2 credits: \$616 for one-hour lesson per week plus tuition.

Juried private music lessons MUS A161, A162, A261, A262, A361, A362, A461 and A462 (majors and minors only):

- 1 credit: \$210 for half-hour lesson per week plus tuition (BA students).
- 2 credits: \$420 for one-hour lesson per week plus tuition (BM students).

Free practice time is available to private lesson students on a first-come, first-served basis. To sign up, go to the third floor of the Fine Arts Building and reserve space on the posted schedules on the practice room doors.

Other course fees may apply; refer to specific course listing on UAOnline.

PEP - Physical Education Professional

*Offered through the Community and Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
www.uaa.alaska.edu/ctc/programs/hper*

Many PEP courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PEP courses are required to complete an Acknowledgement of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

MINORS: Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students under 16 years of age may not enroll.

Course fees may apply; refer to specific course listing on UAOnline.

PER - Physical Education & Recreation

*Offered through the Community & Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
www.uaa.alaska.edu/ctc/programs/hper*

Many PER courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PER courses are required to complete an Acknowledgment of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

MINORS: Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students under 16 years of age may not enroll.

Course fees may apply; refer to specific course listing on UAOnline.

PER - Physical Education & Recreation

*Offered through the Community & Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
www.uaa.alaska.edu/ctc/programs/hper*

Many PER courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PER courses are required to complete an Acknowledgment of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

MINORS: Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students under 16 years of age may not enroll.

Course fees may apply; refer to specific course listing on UAOnline.

Distance Class Listing

UAA offers distance classes with delivery methods including Blackboard, eLive and audio conferencing. To register for distance classes, go to uaonline.alaska.edu. For additional information on a specific class, please contact the department or campus offering the class.

For general information on Anchorage Distance Education-supported classes, go to the Distance Education Services website at www.uaa.alaska.edu/distanceeducation.

A \$38 distance fee applies to Anchorage classes supported through Distance Education Services. Other fees may apply; check the specific class listing on uaonline.alaska.edu for more information. Anchor-

age distance classes that are not supported through Distance Education Services are designated with a "D" in the section number. For information on these classes, contact the respective department or college. Other classes, including classes not supported through Distance Education and distance classes offered through other campuses, may charge different fees.

All Anchorage distance classes incorporate the course management system called Blackboard. All students enrolled in UAA distance classes are required to log in to Blackboard to retrieve course information. Details regarding Blackboard are below. More information is also available at www.uaa.alaska.edu/classes.

If you have questions about Anchorage distance classes, visit www.uaa.alaska.edu/distanceeducation, email distance@uaa.alaska.edu, or call (907) 786-4646, option 3, or toll-free at 1-877-633-3888 to speak with a representative.

Kenai, Kodiak and Mat-Su distance classes

Kenai, Kodiak and Mat-Su distance classes are open to UAA students. To view these colleges' updated class schedules, go to uaonline.alaska.edu or go to www.kpc.alaska.edu for Kenai classes, www.koc.alaska.edu for Kodiak classes, or www.matsu.alaska.edu for Mat-Su classes.

Blackboard

What is Blackboard?

Blackboard is an Internet-based course management system. Through Blackboard, students and faculty interact within a distance class. Students use Blackboard to gain access to course materials, assignments and other important items related to their distance class.

Where do I get my UA user name and password?

Go to www.uaa.alaska.edu/technology and click on the Identity & Password link.

Where is my Blackboard class located?

Blackboard has links from the UAA homepage and the Distance

Education site at www.uaa.alaska.edu/distanceeducation, or go directly to www.uaa.alaska.edu/classes. Once you are enrolled in a class, you will visit this site often, so it's a good idea to bookmark it on your computer. Each distance class you're registered for will show up here on the first day of the semester. Not all classes you are enrolled in will show up on Blackboard, but all distance classes will be available here.

How do I make corrections to UAOnline or Blackboard?

Go to UAOnline if you need to update a mailing address or other personal information. For name changes, submit a form at the One Stop in the University Center.

Important Information

- 1) Register for distance classes via uaonline.alaska.edu.
- 2) Once registered, review the Distance Education Guide at www.uaa.alaska.edu/distanceeducation. However, for information on Anchorage classes with a "D" in the section number, contact the department.
- 3) All distance classes are web-based through Blackboard at www.uaa.alaska.edu/classes.
- 4) Distance classes appear on Blackboard on the first day of the semester. It is the student's responsibility to log in to Blackboard, review the course syllabus and complete the coursework.

Equipment Requirements

Blackboard classes

Students registered for Anchorage distance classes must have access to a computer, word processing software and the Internet during the semester. For Blackboard classes, you will need:

- Windows XP, Vista 7, or Mac OS X 10.4, 10.5 or 10.6
- Modern web browser such as Firefox 3.5+, Internet Explorer 7+ or Safari 3.X+
- Java Runtime
- 1.2 GHz or faster CPU (e.g., Intel Pentium IV/Core Duo, Core 2 Duo, Core i3/5/7, etc.)
- 1 GB of RAM; 4 GB of RAM recommended
- DVD-ROM drive
- 1024 x 768 screen resolution
- 56 Kbps dial-up modem; 256 Kbs or faster cable/DSL modem recommended
- Word processing software (Microsoft Office)

Be sure to consult the syllabus of a specific class to learn more about the instructional format, policies, and hardware and software requirements.

Elluminate Live (eLive) classes*

ELive is provided through your Blackboard account. If your class uses eLive, go to www.uaa.alaska.edu/elive for information and reference guides. For eLive classes, you will need:

- Blackboard class requirements listed above
- Headset with a microphone

Audio conference classes*

Audio conference participants use a toll-free number and pass code to dial in to a common telephone line at a scheduled date and time. For audio conference classes, you will need:

- Blackboard class requirements listed above
- Phone access

**ELive and audio conference classes have scheduled meeting times.*

*Offered through the Community & Technical College
University Center (UC), Room 130, 786-6426
www.uaa.alaska.edu/ctc/programs/ctc/cios*

There are no set class meeting dates/times for CIOS self-directed courses and students complete the coursework at their own pace throughout the semester. Some classes may be completed at home, depending on software requirements.

Students enrolled in these courses start by entering the Blackboard site at www.uaa.alaska.edu/classes, reading the syllabus, and then completing any pre-course activities before starting the assignments. Tutorials for using Blackboard are under the Student Resources section of the website above.

Students can also receive assistance from the CIOS lab staff and complete coursework in the University Center, Room 134; check the lab schedule for open lab hours. Self-directed courses must be completed during the semester in which they are taken.

Course fees may apply; refer to specific course listing on UAOnline.

ENGL - English

Offered through the College of Arts and Sciences
Administration/Humanities Building (ADM), Suite 101, 786-4355
<http://english.uaa.alaska.edu>

English (ENGL) composition courses require verification of appropriate placement. Students entering ENGL A109 must have either a grade of C or better in PRPE A086 or appropriate scores on the placement test. Students entering ENGL A111 must have one of the following: a grade of C or better in ENGL A109 or PRPE A108; an ACT English score of 22 or higher; a SAT Reading score of 530 or higher; or appropriate scores on the placement test. Placement testing is available through Advising and Testing (786-4500) and through the Elmendorf and Fort Richardson centers. Placement forms are issued upon completion of the placement test.

Preparatory English (PRPE) courses are found under PRPE in this listing. Information about PRPE courses is available from College Preparatory and Developmental Studies, BMH 121, 786-6856.

VERIFICATION OF PREREQUISITES WILL BE REQUIRED BEFORE REGISTRATION.

Course fees may apply; refer to specific course listing on UOnline.

PEP - Physical Education Professional

*Offered through the Community and Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
www.uaa.alaska.edu/ctc/programs/hper*

Many PEP courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PEP courses are required to complete an Acknowledgement of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

MINORS: Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students under 16 years of age may not enroll.

Course fees may apply; refer to specific course listing on UAOnline.
