It is the responsibility of the student to become familiar with the policies and regulations of the University of Alaska Anchorage printed in the Catalog and Class Listings. Every effort is made to ensure the accuracy of the information contained in the Catalog and Class Listings. However, the university reserves the right to change or withdraw courses; to change the fees, rules and calendar for admission, registration, instruction and graduation; and to change other regulations affecting the student body at any time. The University of Alaska Anchorage includes the units of Anchorage, Kenai, Kodiak and Matanuska-Susitna.

Use the class schedule at uaonline.alaska.edu for updated information

The University of Alaska Anchorage has a strong institutional commitment to the principles of diversity and takes affirmative action to achieve that end. The university does not discriminate in its educational and employment programs and activities on the basis of race, color, religion, national origin, age, sex, sexual orientation, veteran status, physical or mental disability, marital status, pregnancy, or parenthood. Decisions affecting individuals shall be based on the individual's qualifications, abilities and performance, as appropriate.

Getting Started

The UAA website, www.uaa.alaska.edu, is the central place where current and future students may find all the information and forms they need to be successful at UAA.

UAOnline, uaonline.alaska.edu, is the central access point for all registration activity. Here you will find course descriptions, prerequisites, and class meeting times and locations. You can access UAOnline from the UAA homepage.

For new students, a great place to begin is at the UAA homepage at www.uaa.alaska.edu. From there, navigate to the One Stop website, www.uaa.alaska.edu/onestop, which has links and information on everything from admissions to financial aid. You can also find electronic versions of the UAA Catalog and Class Listings.

Registration on UAOnline

UAOnline spring 2012 priority registration begins Friday, November 11, and continues through Sunday, November 27. See the calendar on the cover for details on the priority registration schedule.

UAOnline open registration begins Monday, November 28.

To find your class standing, click on the "Check Your Registration Eligibility" link in the Registration menu on UAOnline.

For more information on priority registration, go to www.uaa.alaska.edu/records/calendar.cfm.

For step-by-step instructions on registering for classes via UAOnline, see Page 8.

UAOnline registration will remain open 24 hours a day, seven days a week until the close of registration. Expect occasional outages for system maintenance. Telephone assistance is available during regular business hours at (907) 786-1480, option 3.

Add/Drop Period

See the calendar on the cover for deadlines. During this period, faculty approval is required to register for closed classes and for classes requiring department or instructor approval, unless the class has not yet started according to the published start date of the class.

Multiple Registrations for Same Course

For any given semester, a student may not be simultaneously registered in two or more sections of the same course that have the

same or overlapping starting and ending dates. Students attempting to register for courses that are approved for multiple registrations should contact the academic department to request an override.

Payment Information

Payment is due by the published payment deadline even if a bill is not received. There will be no university-initiated drop for non-payment.

Payment plans are available through Tuition Management Systems (TMS) at www.afford.com/UAA.

Everyone who wants to take classes at UAA must be admitted to the university as a certificate-seeking, degree-seeking or non-degree-seeking student

Electronic Billing

An electronic bill will be generated on the 15th of each month and made available via UAOnline. An email reminder will be sent to your UAA-assigned email address each time the bill is generated; a paper bill will not be mailed. A link on the UAOnline Statement and Payment History page will take you to the page where you can pay with a credit card or electronic check.

To view your electronic bill, go to UAOnline and choose Student from the main menu, then Student Account, then Statement and Payment History.

Failure to Meet Financial Obligations

University policy requires a financial hold be placed on your record if you fail to meet your financial obligations. The hold will prevent any registration, transcript or graduation activity.

Past due accounts will be sent to a collection agency. Interest, late fees and/or collection costs will be added to your account. Past due accounts may be reported to a local credit bureau. The university is authorized to garnish Alaska Permanent Fund dividends for payment of past due accounts.

Prerequisites

Students are expected to check and meet

all prerequisites before registering for classes. Students who do not meet the prerequisites may be administratively dropped from the class. Any fees resulting from this, or any late registration procedure, will be the responsibility of the student.

Registration by Proxy

Students unable to register in person may have a proxy (someone else) register for them. Spouses, parents and friends are required to have a signed authorization to register for another person, including secondary school students.

The student must provide the proxy with a signed Proxy for Registration Form or other signed authorization to do so. The proxy must submit the signed authorization and picture ID at the time of registration. An updated proxy form must be submitted each semester. The Proxy for Registration Form is available at www.uaa.alaska.edu/admissions/forms.cfm.

Responsibility

The university holds students academically and financially responsible for their registration. Students who change their plans or become unable to attend must officially drop or withdraw from their classes within published deadlines in order to avoid a final grade of F for nonattendance. Classes must be dropped within the 100 percent refund period to avoid tuition assessment. Deadline information is available at www.uaa.alaska.edu/records/calendar.cfm.

Secondary School Student Applicants

Secondary school applicants may be admitted on a semester-by-semester basis to non-degree-seeking status. Students may register on a space-available basis, as priority is given to certificate- and degree-seeking students. Guidelines and process may be found in the UAA Catalog or at curric.uaa.alaska.edu/admreg/Secondary_School_Enrollment.htm.

Withdrawal Online

See cover calendar or www.uaa.alaska.edu/records/calendar.cfm for deadlines. Students may withdraw online. Courses will appear with a status of W on the transcript. Students cannot withdraw from a class after it has ended.

One Stop Student Services

At One Stop Student Services, we invite your comments and suggestions to make our services and website the best they

can be. Just click on the link at www.uaa.alaska.edu/onestop and tell us what you think!

Plan for Success

New semester checklist

- ☐ It is your responsibility to **be aware of dates and deadlines**.
- ☐ **Apply for admission.** Everyone who wants to take classes at UAA must be admitted to the university as a certificate-seeking, degree-seeking or non-degree-seeking student. For more information, see www.uaa.alaska.edu/admissions.
- ☐ **Meet with your major advisor** for assistance in selecting your courses. See www.uaa.alaska.edu/advising-testing or Page 6 for advising contacts.
- ☐ **Attend new student orientation** if this is your first semester. For more information, go to www.uaa.alaska.edu/orientation.
- ☐ **Review any registration restrictions, prerequisites and special notes** that may be associated with the courses you select (for example, completion of math or English placement tests).
- ☐ **Verify financial aid** and check disbursement information at uaonline.alaska.edu.
- ☐ **Check for updated course information** by going to the Class Schedule link on uaonline.alaska.edu. Be sure to check the start dates of each class for which you register.
- ☐ **Be aware of class locations.** The UAA main campus is over a mile long and the University Center building is more than a mile from the main campus. Many classes are offered at the Chugiak-Eagle River campus, Joint Base Elmendorf-Richardson and other off-campus locations. The Seawolf Shuttle provides an easy way to move between buildings on the main campus and the University Center. However, it takes time to ride the shuttle and walk to your classroom. When registering, plan for the extra time needed for transportation to your classes. See the Building Locations information on Page 14 and refer to the campus map at www.uaa.alaska.edu/map when planning your schedule. The shuttle schedule may be found at www.uaa.alaska.edu/fcs/maintenanceoperations/operations/shuttle.
- ☐ **Register for classes** through uaonline.alaska.edu.
- ☐ **Pay tuition and fees** before published deadlines to avoid being assessed late payment fees. You are responsible academically and financially for your registration activity. Unpaid accounts will be sent to a collection agency and/or collected via garnishment of Alaska Permanent Fund dividends.
- ☐ **Purchase books and supplies** at the bookstore. More information is at www.uaa.alaska.edu/bookstore.
- ☐ **Remember to officially drop or withdraw by the published deadlines** if you determine that you are unable to complete a course. Failure to do so will result in a grade of F for nonattendance and may affect your financial aid and grade point average (GPA).
- ☐ **Regularly check your UAA email and UAOnline accounts** for changes or updates.

Elmendorf & Fort Richardson Access for Civilian Students

Classes on Joint Base Elmendorf-Richardson (JBER) require special access. Attending classes offered at these locations is a privilege extended by JBER to UAA students. Students are reminded they are entering a military installation during a time of war. Compliance with all directions of the Army Military Police and the Air Force Security Forces is required while on the installation.

JBER requires students to have a driver's license, current insurance card and current registration. These are the same items required to legally drive a vehicle in Alaska.

Students registered for classes at either JBER education center are added to the access list starting on the first day of the class. Students must call UAA Military Programs at 753-0204 and provide required information two weeks prior to the start of classes. Students must provide the last four digits of their Social Security number and their driver's license number and state. Ad-

ditions to the access list take up to 10 working days for processing by security forces.

For the first class, stop at the Visitors Center at the Boniface Parkway gate or Fort Richardson Glenn Highway gate. Students will be issued a temporary pass.

JBER access is provided only to registered students. Students may not bring additional civilians on JBER. If a student needs to obtain a ride to class on the JBER, anyone holding appropriate military ID may escort them. Students holding foreign student visas must contact the UAA Military Programs for specific base access procedures.

JBER access is granted only to attend classes at the base and post education centers.

For more information, go to www.uaa.alaska.edu/ctc/programs/military.

Wolfcard

To receive your initial Wolfcard student ID, register for classes and then bring your photo ID to the Wolfcard Office in the University Center.

Existing Wolfcards are automatically updated, so there is no need to visit the Wolfcard Office in later semesters.

For more information, go to www.uaa.alaska.edu/wolfcard.

Alaska Residency

A person eligible for resident tuition is a person who, at the end of the add/drop period for regular semester-length courses, is a United States citizen or eligible non-citizen that has been physically present in Alaska for two years and who declares the intention to remain in Alaska indefinitely. The University of Alaska policy on resident and nonresident tuition may be referenced in the current University of Alaska Board of Regents' Policy and University Regulation, Chapter 05.10 Tuition and Student Fees, at www.alaska.edu/bor/policy-regulations. The Residency Form and Application for

Nonresident Surcharge Waiver may be found at www.uaa.alaska.edu/admissions/forms.cfm. The deadline for requesting residency and submitting all required documentation is prior to the published last day of the add/drop period for regular semester-length classes of the first semester in which residency is sought.

- Nonresident students who restrict their registration to no more than 4 credits each semester will be charged resident tuition. Nonresident students taking 5 credits or more are assessed nonresident fees on all academic credits.

Senior Citizens

Board of Regents' Policy 05.10.08.B: "Regular tuition shall be waived for Alaska residents who are otherwise age eligible to receive full Social Security retirement benefits, who register on a space available basis; that is, when courses can accommodate such students in addition to other enrolled students." Transitional provision: "Individuals who were eligible for senior citizen tuition waivers on Sept. 21, 2005, under the previous policy shall continue to be eligible for the waiver."

- Senior citizens must pay all additional course fees. To waive tuition, senior citizens must register and present a completed tuition waiver with proof of age.
- Registration using a senior citizen tuition waiver for payment is permitted only after instruction begins and must be completed by the add deadline.
- Senior citizens may register before instruction begins;

however, they must pay full tuition and fees (use of senior citizen tuition waiver will not be accepted). Senior citizens electing to register and pay tuition are subject to all payment deadlines. Refunds will NOT be available to senior citizens who drop courses and then re-register in the same courses using a tuition waiver.

Tuition waivers for eligible senior citizens are available from Accounting Services, or at www.uaa.alaska.edu/admissions/forms.cfm.

Note: The Student Government Fee and Student Media Fee are waived for senior citizens. The Student Life Fees and Transportation Fee are mandatory for all students taking 3 or more credits on the Anchorage campus. The Student Health and Counseling Fee is mandatory for all students taking 6 or more credits, with 3 credits on the Anchorage campus.

Base Fees

Base fees vary and are shown on the UAOnline detailed class information pages. To view fees for a given class, go to uaonline.alaska.edu to the class schedule and click on the CRN.

Two Percent Network Charge: The 2 percent network charge is to cover rapidly rising costs, especially in the maintenance and enhancement of our university-wide technology infrastructure. This will be applied on a course-by-course basis to tuition, nonresident surcharges if applicable, and fees in lieu of tuition, for credit and noncredit courses. Courses with applicable fees charged in lieu of tuition less than the lower division credit hour tuition rate (\$154 for academic year 2011-2012) will be exempt from the charge. All calculated fees will be rounded to the nearest dollar. The minimum network charge per

course will be \$3.

Administrative Fee: An administrative fee may be charged instead of tuition.

Distance Fee: A \$38 distance fee is charged for each distance education class offered through Educational Media Services. Call (907) 786-6177 for additional information about distance classes.

Students who pay for or drop their courses prior to the published payment deadline will not be required to pay the fee.

Parking Fee: Fee paid to use parking lots on campus each semester. Students may buy parking decals at www.thepermitstore.com. For more information, call the Parking Office at (907) 786-1119.

Financial Assistance

New Academic Progress Policy

Due to federal regulatory changes, the University of Alaska Anchorage has changed the way satisfactory academic progress (SAP) is evaluated. Satisfactory academic progress is measured by the following criteria:

Quality: This is monitored by the cumulative grade point average (GPA). To maintain eligibility for financial aid, students must stay in good academic standing by maintaining a 2.00 cumulative GPA for undergraduate students and 3.00 for graduate students. Since this is monitored by the Registrar's Office, it will not be monitored separately by the Office of Financial Assistance.

Quantity: This is monitored by evaluating the percentage of attempted credits in which passing grades are earned. The minimum satisfactory completion rate is 67 percent (rounded to the nearest 1 percent). Passing grades for this purpose are A, B, C, D or P. This

is cumulative ongoing percentage and not based on a semester or annual calculation.

Maximum timeframe: The final component requires that students complete their degree program within 150 percent of the required credits of the program. For example, if you are in a bachelor's degree program that requires 120 credits to graduate, you may receive funding for the first 180 credits attempted.

Note: Academic progress will now be reviewed at the end of each semester to ensure that the student has completed 67 percent of attempted credits at the University of Alaska and credits that have been taken at other institutions and transferred into the student's degree program.

To see the entire policy, please refer to the Office of Financial Assistance website at www.uaa.alaska.edu/financialaid.

Track Your Loans

At www.nslds.ed.gov, the National Student Loan Data System website, you can look at your history of federal loan borrowing. You have access to this information 24 hours a day, seven days a week. All you need to provide on this secure website is your Social Security number, the first two letters of your last name, your date of birth and PIN. You will

have access to your loan and grant amounts and statuses, any federal consolidation loans, regardless of which university you may have attended while receiving federal Title IV assistance. Students entering repayment will benefit from the FAQ list of options and guidance.

Know your rights and responsibilities as a borrower and access your history today!

Grade Level: Why It Matters

Grade level determines the maximum amount a student may receive in federal loan monies for an award year. The following are the required number of credits a student must complete for each grade level. Annual aggregate (total) loan limits are driven by grade levels.

Grade level	Number of credits	Yearly aggregates dependent student	Yearly aggregates independent student
Freshman	0-29	\$5,500, no more than \$3,500 in subsidized federal loans	\$9,500, no more than \$3,500 in subsidized federal loans
Sophomore	30-59	\$6,500, no more than \$4,500 in subsidized federal loans	\$10,500, no more than \$4,500 in subsidized federal loans
Junior BA or BS*	60-89	\$7,500, no more than \$5,500 in subsidized federal loans	\$12,500, no more than \$5,500 in subsidized federal loans
Senior BA or BS*	90-120	\$7,500, no more than \$5,500 in subsidized federal loans	\$12,500, no more than \$5,500 in subsidized federal loans
Graduate	Master's degree or certificate	Independent only	\$20,500, no more than \$8,500 in subsidized federal loans

*Junior and senior grade levels and funding are strictly for those students in pursuit of a bachelor's degree.

CHEM - Chemistry

*Offered through the College of Arts and Sciences
ConocoPhillips Integrated Sciences Building (CPSB), Room 101,
786-1238
<http://chem.uaa.alaska.edu>*

All students planning to register for any Chemistry course at or above CHEM A103 are required to bring written proof to the first class meeting of the semester of having met the prerequisites for that course as listed in the current UAA Catalog. This proof may be a transcript, grade slip, or letter from a faculty member, and must be given to the instructor for examination.

Students who do not have this proof may be administratively dropped immediately at the discretion of the faculty.

Most Chemistry courses require a lab with a lecture. You MUST enroll in both.

Due to University Safety and Hazardous Communications requirements, attendance is mandatory for all Chemistry laboratory courses the first week.

Any student not attending the first scheduled meeting for CHEM A103, A104, A105, A106 and A323 labs will be administratively dropped, and any student on a waiting list will be added. Any fees resulting from this, or any late registration procedure, will be the responsibility of the student.

Course fees may apply; refer to specific course listing on UAOnline.

PEP - Physical Education Professional

*Offered through the Community and Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
www.uaa.alaska.edu/ctc/programs/hper*

Many PEP courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PEP courses are required to complete an Acknowledgement of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

MINORS: Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students under 16 years of age may not enroll.

Course fees may apply; refer to specific course listing on UAOnline.

PER - Physical Education & Recreation

Offered through the Community & Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
www.uaa.alaska.edu/ctc/programs/hper

Many PER courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PER courses are required to complete an Acknowledgment of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

MINORS: Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students under 16 years of age may not enroll.

Course fees may apply; refer to specific course listing on UAOnline.

Distance Class Listing

UAA offers distance classes with delivery methods including Blackboard, eLive and audio conferencing. To register for distance classes, go to uaonline.alaska.edu. For additional information on a specific class, please contact the department or campus offering the class.

For general information on Anchorage Distance Education-supported classes, go to the Distance Education Services website at www.alaska.edu/distanceeducation.

A \$38 distance fee applies to Anchorage classes supported through Distance Education Services. Other fees may apply; check the specific class listing on uaonline.alaska.edu for more information. Anchorage distance classes that are not supported through Distance Education Services are designated with a "D" in the section number. For information on these classes, contact the respective department or college. Other classes, including classes not supported through Distance Education and distance classes offered through other campuses, may charge different fees.

All Anchorage distance classes incorporate the course management system called Blackboard. All students enrolled in UAA distance classes are required to log in to Blackboard to retrieve course information. Details regarding Blackboard are below. More information is also available at www.uaa.alaska.edu/classes.

If you have questions about Anchorage distance classes, visit www.uaa.alaska.edu/distanceeducation, email distance@uaa.alaska.edu, or call (907) 786-4646, option 3, or toll-free at 1-877-633-3888 to speak with a representative.

Blackboard

What is Blackboard?

Blackboard is an Internet-based course management system. Through Blackboard, students and faculty interact within a distance class. Students use Blackboard to gain access to course materials, assignments and other important items related to their distance class.

Where do I get my UA user name and password?

Go to www.uaa.alaska.edu/technology and

click on the Identity & Password link.

Where is my Blackboard class located?

Blackboard has links from the UAA homepage and the Distance Education site at www.uaa.alaska.edu/distanceeducation, or go directly to www.uaa.alaska.edu/classes. Once you are enrolled in a class, you will visit this site often, so it's a good idea to bookmark it on your computer. Each distance class you're registered for will show up here on the first day of the semester. Not

all classes you are enrolled in will show up on Blackboard, but all distance classes will be available here.

How do I make corrections to UAOnline or Blackboard?

Go to UAOnline if you need to update a mailing address or other personal information. For name changes, submit a form at the One Stop Student Services in the University Center.

PEP - Physical Education Professional

*Offered through the Community and Technical College
Eugene Short Hall (ESH), Room 125, 786-4083
www.uaa.alaska.edu/ctc/programs/hper*

Many PEP courses are introductory. All courses follow rigorous academic curriculum. Some classes are held outdoors; in that case, students may be required to perform activities in extremely inclement weather, i.e., rain, sleet, snow, wind, or sub-zero temperatures. There is an assumption that a minimum level of physical fitness is needed to succeed in and enjoy many of the activities. Selected courses have significant physical fitness prerequisites or special notes. If you have any questions, please contact the department.

All students enrolling in PEP courses are required to complete an Acknowledgement of Risk, Release of Liability, and Medical Questionnaire form the first day of class. Students who do not attend the first class may be dropped from the course.

MINORS: Sixteen- and 17-year-old students must receive chair approval before they are allowed to enroll in these courses. Students under 16 years of age may not enroll.

Course fees may apply; refer to specific course listing on UAOnline.
